

Theatre Arts Certificate Technical (Lighting) - 1 -Year Academic Plan (MAP)

Theatre Arts Certificate Technical: Lighting

Note: This is a model one-year plan, not a guaranteed sequence or contract, based on the 2013-14 catalog.

It is strongly recommended that you meet with a counselor to formulate a plan specific to your goals and needs.

While this degree plan for a Technical Theatre Arts Certificate with an Emphasis in Lighting fulfills the basic Moorpark College requirements, students should consult the Moorpark College catalog and/or counselors for complete list of courses as well as any transfer institution that may have specific requirements for transfer.

See current Schedule of Classes for courses offered in General Education, Theatre Arts and all other programs. Students should review their Degree Works profiles and consult with a counselor or program advisor every term.
