## LEARNING COMMUNITIES

**American Connections: Freedom, Dissent, And Equality:** This course will explore the creation and development of American society to 1865. Join us as we discover firsthand the voices of American visionaries, rebels, slaves and soldiers. This collaborative course examines American literature and history from our colonial beginnings to the dramatic and passionate struggles of the Civil War. As we study the American past, we will reflect on our own experiences and what it means to be an American today. Please enroll in both the following CRNs:

<b>ENGL M01A</b>	<b>English Composition</b> .....	<b>4.00 Units</b>
32884	01/08/2007 05/16/2007 GILLIS-SMITH ED 11:30am-01:20pm TTh	HS-111A

31925	01/08/2007 05/16/2007 BENNION SF 10:00am-11:20am TTh	HS-111A

**Relative Truths, Absolute Truths:** Are all societies like our own, differing only by the clothes they wear and the things they eat? Are their world views merely translations of our own? Does any society have a monopoly on truth? If "we" are right, then must "they" be wrong? Is morality, like truth, only a matter of how you were raised? In this Learning Community, we explore ways of knowing and believing by considering both differences and similarities between peoples and between cultures. We will look at ways to evaluate the claims of truth made by different societies and peoples, and consider alternate ways to conceive of and live within the world. You are hereby invited to bring your world to ours? Please enroll in both the following CRNs:

<b>ANTH M02</b>	<b>Cultural Anthropology</b> .....	<b>3.00 Units</b>

**Crisis Cinema:** How are you influenced by the movies you see? Does the media accurately reflect the current issues of the day? This Learning Community will investigate contemporary social issues and how they are represented or misrepresented in American film. Issues of sex and gender, race and ethnicity, and class and poverty will be studied. Films may include: "Hedwig and the Angry Inch," "Me, You, and Everyone We Know," "American Psycho," and others. ### ANTH M02 Cultural Anthropology ..... 3.00 Units

*Note: CRN 31354 is part of a Learning Community, RELATIVE TRUTHS, ABSOLUTE TRUTH: Are all societies like our own, differing only by the clothes they wear and the things they eat? Are their world views merely translations of our own? Does any society have a monopoly on truth? If "we" are right, then must "they" be wrong? Is morality, like truth, only a matter of how you were raised? In this Learning Community, we explore cultures, knowing and believing by considering both differences and similarities between peoples and between cultures. We will look at ways to evaluate the claims of truth made by different societies and peoples, and consider alternate ways to conceive of and live within this world. You are hereby invited to bring your world to our. Students must enroll in both ANTH M02, (CRN 31354) and PHIL M01, (CRN 37050).*

<i>NOTE: AMERICAN CONNECTIONS: FREEDOM, DISSENT, AND EQUALITY. This course will explore the creation and development of American society to 1865. Join us as we discover firsthand the voices of American visionaries, rebels, slaves and soldiers. This collaborative course examines American literature and history from our colonial beginnings to the dramatic and passionate struggles of the Civil War. As we study the American past, we will reflect on our own experiences and what it means to be an American today. Students must enroll in BOTH English M01A, (CRN 32884) and History M07A (CRN 31925).</i>

*NOTE: CRN 37050 is part of the Learning Community, RELATIVE TRUTHS, ABSOLUTE TRUTHS: Are all societies like our own, differing only by the clothes they wear and the things they eat? Are their world views merely translations of our own? Does any society have a monopoly on truth? If "we" are right, then must "they" be wrong? Is morality, like truth, only a matter of how you were raised? In this Learning Community, we explore ways of knowing and believing by considering both differences and similarities between peoples and between cultures. We will look at ways to evaluate the claims of truth made by different societies and peoples, and consider alternate ways to conceive of and live within the world. You are hereby invited to bring your world to ours? Students MUST enroll in both PHIL M01, (CRN 37050) and ANTH M02, (CRN 31354).*

*PREREQUISITE: BIOL M01 or BIOL M02A*

Examines the anatomy of human organs and organ systems from a functional perspective that focuses on an understanding of the design of the human body. In laboratory students learn to distinguish tissue types through histological specimens, and study the three-dimensional relationship of body structures through required non-human mammalian dissection. Demonstrations on human cadavers will afford students a working knowledge of the gross anatomy of the human body. Applies to Associate Degree. Transfer credit: CSU; UC (ANAT M01 combined with ANPH M01/L: maximum credit, one course)

*PREREQUISITE: BIOL M01 or BIOL M02A*

Introduces the structures and the relationships of human body parts and explores how the functioning of the parts is related to their structure. The combined study of anatomy and physiology allows students to effectively integrate the study of structure with functioning of the system. The themes of hierarchal structural organization and maintenance of homeostasis form the framework for the study of the human system at both macroscopic and microscopic levels. In laboratory, students will examine the structure/function relationship through the required dissection of a cat. A human cadaver will be used to demonstrate the principles in the human body. A variety of instruments and techniques will be introduced to assess functioning in the living body. The emphasis in both lecture and lab is on student understanding of systems integration and co-dependence. Applies to Associate Degree. Transfer credit: CSU; UC maximum credit allowed one course if combined with ANAT M01 or PHSO M01. IGETC AREA 5B

# Get Started Guide to Financial Aid

**FIRST STEP** -Think FAFSA...Before you can receive any financial aid, you must file the Free Application for Federal Student Aid (FAFSA) on-line at: [www.FAFSA.ed.gov](http://www.FAFSA.ed.gov)

## TYPES OF FINANCIAL AID AVAILABLE THROUGH FAFSA

### • Pell Grants (from \$400 to \$4,050 per year)

The Federal Pell Grant is free money for college and does not have to be repaid. It is offered to undergraduate students who meet financial need criteria. When you file the FAFSA form, the government determines what you and your family can afford to pay for college. They call this your Family Contribution. If your family qualifies (has a family income under a set amount per year), the Pell grant provides a \*foundation\* for your financial aid. The maximum amount of a Federal Pell Grant is adjusted annually to correlate with funding, so it varies from year to year. Pell Grants awards range from \$400 to \$4,050 a year.

### • Community College Fee Waiver

The California Community College Board of Governors\* Enrollment Fee Waiver, or BOG Fee Waiver, waives the enrollment fees at the California Community Colleges for students who are eligible for need-based financial aid, receive CalWORKs/TANF, SSI or General Assistance payments or whose family income falls below the ceilings. Student must be a California resident.

### • SEOG Grants (from \$100 to \$4,000 per year)

Federal Supplemental Educational Opportunity Grants (FSEOG) are federal grants. Colleges award between \$100 and \$4,000 per year to undergraduate students with exceptional financial needs. Priority is given to Pell Grant recipients

### • Cal Grants (from \$576 to \$1551 per year)

California offers Cal Grants for undergraduate students who meet the financial, academic and eligibility requirements and apply on time. The award for most first-year Cal Grant B students is \$1,551 and for Cal Grant C students is \$576, and may be used for books, living expenses, and transportation, as well as tuition and fees. Students must complete the FAFSA and Cal Grant GPA verification form by September 2, 2006..

### • Student Loans

Federal Stafford Loans are for eligible students. There are two types: subsidized, for which the government pays the interest while students are in school; and unsubsidized, for which students are responsible for paying all the interest. Students can receive both types of loans at the same time.

### • Parent Loans

Federal Plus Loans help parents and stepparents pay their dependent's college costs. To apply, parents must complete a PLUS loan application and pass a credit check, and students must file the FAFSA.

### • Work Study

The Work Study Program lets eligible students earn money through a job on campus to help defray college costs.

**Remember the First Step...** Cal Grant deadline is March 2, 2007 (pertains to 2007-08 academic year and requires GPA verification form and FAFSA). Federal Student Aid (FAFSA) on-line at: [www.FAFSA.ed.gov](http://www.FAFSA.ed.gov)

## HELPFUL HINTS

- Apply early in order to have the best chance for all available funds (Cal Grant deadline is March 2, 2007).
- Answer all questions on the application unless instructed to skip.
- Remember the student and/or parent signatures on the application.
- Keep a copy of your application for your records.
- When you file your tax return (1040, 1040EZ, etc.) remember to keep a copy.
- You must submit copies of all documents requested. (The Financial Aid Office will not duplicate or return original documents submitted.)
- Promptly respond to all requests from the Financial Aid Office. Incomplete files will delay your award processing.
- If you transfer within the VCCCD (Moorpark, Oxnard, Ventura) during the 2006-2007 school year, your aid may be revised and/or delayed.
- In order to receive financial aid, you must be enrolled and attending the college that offers you aid.
