MOORPARK COLLEGE: For over 40 years, the College has served as a bridge to brighter futures for nearly half-a-million students. A proud part of the state's 112-campus community college system, Moorpark serves more than 50 percent of the area's college-going students. Set on 150 beautiful acres midway between the cities of Los Angeles and Santa Barbara, Moorpark College enjoys sunny mountain views and afternoon ocean breezes. The campus is well-maintained and state-of-the-art. Our students come from all walks of life: high school graduates; adults attending college for the first time; professionals renewing skills; and workers seeking new career paths. Many transfer to four-year universities, prepare for careers, and return to further their careers. Core values of "students first and kindness first" guide Moorpark College as we welcome and support all students on their learning journey.

OUR MISSION: As a public community college, Moorpark College offers programs and services accessible to the community. Drawing from a student-centered philosophy, Moorpark College creates learning environments that blend curriculum and services in providing to students: Introductions to the broad areas of human knowledge and understanding; courses required for university transfer and career preparation or advancement; Skills in critical thinking, writing, reading, speaking, listening, and computing; exposure to the values of diversity locally, nationally, and internationally; extracurricular activities that promote campus community involvement and personal development; preparation for the challenges and responsibilities of life and change in a free society and the global community.
