

## HOW TO CITE, IN MLA FORM, AN ARTICLE OUT OF A FULL-TEXT DATABASE SUBSCRIBED TO BY THE MOORPARK COLLEGE LIBRARY

When using an article reprinted in one of our electronic indexes, you will cite it in a way that lets your reader know precisely where you found the information. The following are some examples of suggested methods of citation you may want to use in your "Works Cited" page:

Author. "Title of the article." Name of the periodical vol. number (date): pages.

Name of the electronic index. Who publishes the index. Who subscribes to it.

Date the article was viewed <web address>.

If you used the *General OneFile*:
