Credit/No Credit Request

This is to notify you that I am taking class _____
Course Name Course Reference #
with a Credit/No Credit grading option.

CR is a grading symbol that when assigned indicates that a student has earned "credit" for the course. This is the equivalent of a grade of C or better and the units earned are not counted in a student's GPA. NC is used to denote no-credit has been earned. This is a less than satisfactory or failing grade and does not count in a student's GPA. However, units attempted for which NC is recorded shall be considered in probation and dismissal procedures.

I am aware that other colleges and universities may restrict the acceptance of courses taken on a Credit/No Credit basis, especially for satisfaction of major requirements.

I understand that once I have declared the Credit/No Credit grading option and the CR/NC deadline has passed, this request cannot be revoked.
