

one laptop
per child

The Year of Service Presents

One Laptop Per Child

An interactive, hands-on, lecture/discussion about the work of the non-profit organization that is bringing hope and education to children of the world one laptop at a time.

December 4, at 7:00pm
In the Forum (Applied Arts building)

Free parking for the event
from 6:30 – 9:30pm in Lot F

The lecture and Q&A by Caryl Bigenho of OLPC will be followed by a chance for audience members to play with the XO computers.

Audience members can also join in a group brain-storming of how Moorpark College can become active in bringing these computers to children throughout the world.
