

Invitation to Participate in the Moorpark College Service Fair

Year of Service

Moorpark College has dedicated the 2009 – 2010 academic year to being a *Year of Service*. Through the *Year of Service*, the college aims to

- Recognize the service demonstrated by students and employees of the college,
- Provide opportunities for volunteer service to the local community, to the nation, and to the world, and
- Encourage an attitude of service—an approach to life that integrates understanding, caring, and taking action—that carries on in the lives of our campus community beyond this single year.

We hope that these goals will initiate the contribution from Moorpark College of one million hours of volunteer service by 2015 (the culminating date of the United Nations Millennial Goals).

To support these aims, Moorpark College will host a **Service Fair** on Thursday, February 25 from 10:00 a.m. – 2:00 p.m. **Non-profit and volunteer organizations** are invited to host a table at this fair and to educate our campus community about their organizations. There is no fee for hosting a table at the fair. We also hope that organizations will share any volunteer opportunities with the students and will encourage all attendees to volunteer on a regular basis during this year and into the future.

Non-profits may also sign up to speak for 10 minutes in a **mini-lecture**. These will occur at various times between 10:00 – 11:00 and 1:00 – 2:00. Speakers will be grouped with similar organizations so that there are 3 groups presenting every 30 minutes. This will include some Q&A time. The area for speaking is in a conference room just behind the area where the info tables will be set-up.

Interested organizations should RSVP to Kathryn Adams and John Gray at the Year of Service e-mail address provided at end of this letter. **Please provide the following information:**

Name of organization:

A single sentence that explains the organizational purpose:

Mark here if you would like to speak during mini-lecture session: ___ yes ___ no
