New Policy That You Need to Know About!

Course Repeat Policy

Effective Summer 2012, the Course Repeat Policy is changing.

The State of California has changed its policy on course repetition. If you exhaust your repeatability within the three colleges of the Ventura County Community College District, you may need to attend a college outside of the district in order to repeat the class.

FAQ 1: I hear there’s a CHANGE in course repeat policy?

Effective summer 2012, students will only be allowed to enroll in a class a maximum of 3 times, including “W’s” (withdrawals). This change is retroactive and all attempts, including “W’s” and repeats, prior to summer 2012 will be counted. This is a new California State requirement and will be in place at all California Community Colleges by summer 2012.

FAQ 2: Will exceptions ever be made?

A request for 4th enrollment is very unlikely to be approved, but in rare instances, exceptions will be considered. You will need to talk to a counselor to determine if they recommend that you petition for this special consideration. You will need to justify and document why this exception should be considered. If the counselor believes there may be grounds to consider the exception you will be referred to the Division Dean for decision.
