Certification and Double Counting

Executive Order (E.O.) No. 167 delegates to the California Community Colleges the authority to determine eligibility for admission to the CSU. Executive Order No. 595 authorizes the California Community Colleges to designate courses that fulfill the General Education Breadth requirements. Since 1982, community colleges also have been authorized to designate, using the provisions of E.O. No. 405, community college course lists that fulfill the U.S. history, constitution and American ideals requirement. Although graduation requirements vary among CSU campuses, community colleges can ensure maximum compatibility between community college courses and CSU lower division requirements through utilization of the certification process.

Most CSU campuses allow double counting for general education and major requirements to applicants who submit either full or partial certification. Exemptions are indicated below.

Bakersfield

Courses can be dbl. counted if articulated. Channel Islands - Some dbl. counting is permitted. Chico - Dbl. counting is generally not permitted for students in a special major. Dominguez Hills - Dbl. counting is permitted in certain majors.

Fresno

Dbl. counting is subject to departmental approval. A maximum of two courses may be dbl. counted for most majors; Dbl. counting is subject to departmental approval;

Monterey Bay - Dbl. counting is subject to departmental approval.

San Bernardino - Dbl. counting is limited to nine units in major subject area; San Bernardino - Dbl. counting is permitted by major department or subject, subject to departmental approval;

San Luis Obispo - Some dbl. counting is permitted. San Marcos - Some dbl. counting is permitted in upper division GE. See catalog for deptartment-specific information.

Sonoma - Some dbl. counting is permitted.

All campuses allow double counting of courses taken to meet General Education Breadth and the American Institutions requirement for applicants who are either fully or partially certified.

Certificate of General Education

The requirements listed below must be met prior to application for certification of General Education Breadth. It is the student’s responsibility to request “certification” of General Education Breadth.

Eligibility: “Certification” means that Moorpark College has verified that a student has completed the lower division General Education requirements for the California State University. This is important because the requirements differ slightly from campus to campus. Once “certified,” the campus of choice will verify that the student has completed requirements as articulated between the CSU and Moorpark College. (If units of upper division General Education courses must be completed after transfer, Courses from other schools may be considered by catalogue evaluation. Please see a Moorpark Counselor for assistance. It is the student’s responsibility to request “certification”)

Criteria for Certification

Students who fully complete the California State University General Education Breadth (CSU GE-Breadth) for Moorpark College will be eligible to apply for a Certification of Achievement in California State University General Education Breadth (CSU GE-Breadth). Schedule an appointment with a counselor to apply for your certificate and certification.

Certification of General Education Breadth for Moorpark College includes a minimum of 90 units which includes 39 units lower division General Education Breadth.

Most CSU campuses allow double counting for general education and major requirements to applicants who submit either full or partial certification.

EXCEPTIONS TO CERTIFICATION REQUIREMENTS

Transfer students may transfer a maximum of 70 semester units to the CSU. If a student has more than 70 units, students may request subject credit.

Students who wish to be eligible for 70 semester units of high school graduation may transfer less than 60 semester units provided they have maintained a cumulative average of 2.0 (GPA 2.0 for nonresidents). Within the 60 units, a minimum of 30 semester units of upper division GE courses must be completed with a grade of C or better in each course. The 30 semester units must include at least 9 semester units (12 quarter units) in communication (in the English language and critical thinking written communication, oral communication, and critical thinking) and at least 3 semester units (4 quarter units) in mathematics/quantitative reasoning.
