C. Welcome from Riley Dwyer, Academic Senate President
   • Curriculum Committee is integral part of Academic Senate. The CC tackled major issues last year and this year, will tackle the issue of repeatability.

D. Standalone Training
   • There is no state approval for standalone courses.
   • They should not be program-applicable.
   • Title 5 course approval has been extended past the December 31, 2012 deadline.
   • What does the BOT see?
     - After CC, the course is sent to DTRW, the Consultation Council, and then BOT.
     - What is submitted to DTRW, the Consultation Council, and BOT is what would appear in the catalog…not the COR.
   • Training must be certified by September 30th of every year.
   • State can be notified after the standalone course has been implemented.
   • Will have list of standalone courses at future CC.

E. Review of CORs, programs of study, and CurricUNET

G. Meeting schedule/TMC Meetings
