DISCUSSION:

A. Families (Theatre Arts & Visual Arts)
   • Reviewed and approved the faculty proposed families and the assignment of CORs to Families.
   • These lists will be provided to the District and Academic Senate…DTRW and DCAA are looking at what the
     colleges are doing about families and assignment of courses to families. Current listing of families attached.
B. Credit-by-Exam
   • A process to exempt a course from credit-by-exam will be developed and brought to Curriculum and Academic
     Senate. Concerns on transferability of credit-by-exams units were discussed.
C. M22A/B & M80 Courses
   • A uniform template for all M80s and M22A/B was previously approved but there has been uneven application of
     these templates. All M22A/B were to be renumbered as M122. Following discussion it was determined that the
     change in numbering will be done for the Faculty. But the Departments will update courses using the template
     according to their 5-year review.
D. Fall Fling
   • The Institutional Outcomes which will be discussed at Fall Fling were reviewed.
E. 5-Year SLO Plan Link with Curriculum
   • There was discussion of the Academic Senate proposal to link up the 5-year SLO review with the 5-year Curriculum
     review cycle. A Department will complete its review of SLOs the year before its curricular review. This would
     allow a Department to modify their CORs if deemed necessary.
