B. VCCCD District Curriculum Alignment Project – Articulation Agreements by Discipline
   Letrisha Mai, Articulation Officer, reviewed the Articulation project undertaking whereby the three campus Curriculum Committees are asking you to assist in the review of courses in your discipline, both at your campus and the other two district campuses, for the purpose of designating courses as “comparable” (similar in content) district-wide.

   Lori Bennett will be sending out an email to Deans and Department Chairs in each discipline, with a spreadsheet detailing a list of all active courses currently appearing in Moorpark, Oxnard, and Ventura Colleges’ catalogs in each discipline will be generated and will require your review. The top portion of each discipline spreadsheet is for courses that match C-ID descriptors. In this case, faculty review is NOT necessary as these courses have already been deemed comparable through the C-ID approval process. Those courses listed in the bottom section of the attached discipline spreadsheet are those courses that DO require faculty review.

   A sample spreadsheet (detailing English), and copy of a letter with details was handed out, and can be found at: http://www.moorparkcollege.edu/assets/pdf/curriculum/handouts/VCCCD%20ARTICUALTION%20AGREEMENTS%20HANDOUT%2012.3.13.pdf

   The completed assignment along with the signature page is due by Friday, February 7, 2014. If you have any questions, please contact Letrisha Mai, Articulation Officer, at 805-553-4609 or lmai@vcccd.edu.
C. Course and Program Outcomes – No discussion
D. Report from Curriculum Regionals – No discussion
E. Dance Program
    Beth Megill spoke about the concern she has for the viability of her program, and her search for much needed support for information from Curriculum Members and faculty. She is concerned it might be considered as a not for credit program in the future. Beth spoke about the need for a TMC to be developed, as there is no Transfer Degree designed by the State, and she would like to know who the contact person for C-ID is in the State. It was suggested that Michelle Pilati from Rio Hondo College is the contact person mpilati@riohondo.edu. Dean Julius also mentioned that Engineering did not have a TMC pattern either, but that they entered into mutual agreements with a DMC (Discipline Model Curriculum) with other local area colleges and universities.
