2. Please rate 1-5, with 5 being highest

^{2.2)} How could we improve the effectiveness (in item 2.1)?

The budget cycle does not work well with ~~the~~ the committee schedule
unfortunately the May Renewal is after faculty leaves for summer so I can't offer

[illegible][illegible]

5. Please rate 1-5, with 5 being highest

5.2) How could this be improved (in item 5.1)?

I am new to the committee this year and am still learning how to best participate in support the activities of this committee

6.

6.1) What could be done to increase communication?

On our website (at least for faculty staff), have a quick link for business ~~the~~ latest news (like 3 ~~the~~ bullet points listed every month for all to see)

Send out ~~minutes~~ to campus minutes

Disseminate meeting minutes earlier.

A cheat sheet for terminology related to fiscal issues to help me decipher some of the Budget reports and documents we look at during our meetings.

additional e-mail communications and online surveys.

The committee very informative - example: to inform those who have missed a meeting

Perhaps an all Staff email with a meeting minutes attached so communication is given to everyone in case dept refs don't share out information

The committee can always be more proactive rather than just listening to DATA.

more ~~good~~ good work.

In regard to integrated planning discuss how data can be linked to funds for program requests (and what data is available)

6.2) Other comment?

Communication has increased tremendously.

Good committee!
