Agenda Item	Notes
1. Call to Order Public Comments Approval 4/9/2019 Minutes, 9/10/2019 Minutes	Meeting called to order at 1:06pm Mary Rees thanked SLO for playing a huge part in student success and accreditation. She also thanked the committee for evaluating and implementing tools for SLO disaggregation. Mary is available to help if needed. John Loprieno motioned to approve 9/10 minutes and Sile Bassi seconded. John Loprieno, Danielle Kaprelian, Erika Lizee, and Sharon Manakas abstained.
2. Rubric for vendor evaluation – directions	Oleg Bespalov explained vendor evaluation rubric that was based off suggestions from previous SLO meeting. Committee will score criteria with 2=great, 1=ok, and 0=poor and rubrics will be collected at end of demonstrations. Group will discuss before sending recommendations to Academic Senate and Administration.
3. TracDat Demonstration	Nuventive presented their new platform with a streamlined interface.

4. eLumen Demonstration	eLumen presented assessment management software that is used at 55 community colleges across California.
5. Deliberation and Decision for recommendation to Academic Senate	• Sharon Manakas said eLumen did not have SLOs for service departments. Oleg will ask both vendors how to include student service learning outcomes and how that data is entered. • John Loprieno saw an LMI and Curriculum option in eLumen and thought Canvas rubrics with eLumen will get faculty buy in, especially part-time. • Oleg reminded committee that we are only evaluating for SLO purposes. Using eLumen for program plans will have to go to EdCAP. • Dani Vieira also brought up that we do not know what program plans look like in eLumen and it cannot be used as criteria when choosing a vendor. • Oleg will ask eLumen if batch upload is possible or if they need to be done one by one. • Committee favored eLumen 7 to 0 when voting by a show of hands. eLumen will be asked to present at next SLO meeting and a campus wide invitation will be sent.
