

CAREER TRANSFER CENTER

(805) 378-1536

HOURS: M,T,W,Th – 8am – 7pm • F – 8am – 4pm

See page 100 for details about the Career Transfer Center

ARE
YOU...

- ...curious, reflective and willing to ask questions?
- ...humble to acknowledge what you need to know?
- ...patient to research a topic in depth?
- ...open to new ideas?
- ...able to articulate clearly?

DO
YOU...

- ...have imagination and empathy to understand the positions of others?
- ...have courage to challenge your own beliefs as well as those of others?

If YES, then you need to take an honors course!
You will love it! Honors courses are open to all.

★ ★ ★ See page 33 for a list of Honors Courses ★ ★ ★

53974	06/16/2008	07/28/2008	LIN P	06:30pm-09:50pm	MTWTh	LMC-125
MATH M25B	Calculus with Analytic Geometry II.....					5.00 Units
PREREQUISITE: MATH M25A or MATH M16B						
50365	05/19/2008	06/26/2008	NGUYEN DT	07:00am-10:20am	MTWTh	PS-209
50367	06/16/2008	07/28/2008	AGUILERA C	10:30am-01:50pm	MTWTh	LMC-123
MATH M25C	Calculus with Analytic Geometry III.....					5.00 Units
PREREQUISITE: MATH M25B						
54950	05/19/2008	06/26/2008	ENRIQUEZ MA	07:00am-10:20am	MTWTh	PS-208
52826	06/16/2008	07/28/2008	ABRAMOFF PD	07:00am-10:20am	MTWTh	LMC-126

Some class offerings and room assignments may have changed since printing this schedule.

Please see the web for the most up to date class - www.moorparkcollege.edu/htdocs/schedule

MICROBIOLOGY

MICR M01	General Microbiology					5.00 Units
PREREQUISITE: BIOL M02A and CHEM M12 or CHEM 01A or high school chemistry (all with a grade of C or better).						
52569	05/19/2008	07/24/2008	CHEN AM	09:00am-12:50pm	MTWTh	LMC-216
NOTE: CRN 52569 In order to maintain a seat in the class, students are to bring an unofficial transcript to the first class meeting, verifying they have successfully completed Biology M02A and chemistry, Or Physiology M01 AND Biology M01 AND chemistry.						
54935	05/19/2008	07/24/2008	DE SILVA AT	06:00pm-09:50pm	MTWTh	LMC-216
NOTE: CRN 54935 In order to maintain a seat in the class, students are to bring an unofficial transcript to the first class meeting, verifying they have successfully completed Biology M02A and chemistry, Or Physiology M01 AND Biology M01 AND chemistry.						

MULTIMEDIA

MM M10	Introduction to Multimedia					3.00 Units
RECOMMENDED PREPARATION: Eligibility for English M01A						
54608	05/19/2008	06/24/2008	STAFF	06:00pm-09:50pm	MTWTh	COM-109
MM M40	Introduction to 3D Modeling and Animation					3.00 Units
RECOMMENDED PREPARATION: MM M10 and Eligibility for ENGL M01A.						
54923	05/19/2008	06/24/2008	DANESH A	08:00am-11:50am	MTWTh	COM-109

MUSIC

MUS M01	Fundamentals of Music					3.00 Units
51519	06/16/2008	07/21/2008	INGERSOLL OD	08:00am-10:20am	MTWTh	M-109
MUS M08	Music Appreciation					3.00 Units
53500	05/19/2008	06/12/2008	DEMMOND EC	08:00am-11:20am	MTWTh	M-114
50601	06/16/2008	07/21/2008	INGERSOLL OD	10:30am-12:50pm	MTWTh	M-109
50602	06/16/2008	07/21/2008	CORIN AR	01:00pm-03:20pm	MTWTh	M-109

-------	------------	------------	----------	-----------------	---	--------

SOC M01H ★★★ Honors: Introduction to Sociology 3.00 Units

70065	09/16/2008	12/09/2008	BARNETT-SHELBY C	01:00pm-02:50pm	TTh	FH-115
-------	------------	------------	------------------	-----------------	-----	--------

LEARNING COMMUNITIES

PSY M01 Introduction to Psychology 3.00 Units

79930	08/18/2008	12/17/2008	TENNANT M	11:30am-12:50pm	MW	FORUM-147
-------	------------	------------	-----------	-----------------	----	-----------

PSY M01H ★★★ Honors: Introduction to Psychology..... 3.00 Units

79957	08/18/2008	12/17/2008	TENNANT M	11:30am-12:50pm	MW	FORUM-147
-------	------------	------------	-----------	-----------------	----	-----------

PSYCHOLOGY OF FEAR IN THE CINEMA - What is the scariest film you have ever seen? And, what are you really afraid of? Films can vividly depict our hopes, dreams and deepest fears. In this class, we will examine contemporary American films that reflect these themes and what they teach us about ourselves.

HIST M07A Social and Political History of the United States..... 3.00 Units

72224	08/18/2008	12/17/2008	KINKELLA SL	10:00am-11:20am	TTh	HSS-140
-------	------------	------------	-------------	-----------------	-----	---------

New, easy on-line payment plan - **eCASHIER**

Fall 2008 Learning Options

COURSE# START DATE END DATE INSTRUCTOR CLASS TIME CLASS DAYS LOCATION

ENGL M01A English Composition 4.00 Units
PREREQUISITE: ENGL M02 or completion of the assessment process.

71389 08/18/2008 12/17/2008 GILLIS-SMITH ED 11:30am-01:20pm TTh HSS-140

AMERICAN CONNECTION: FREEDOM, DISSENT, AND EQUALITY - This course will explore the creation and development of American society to 1865. Join us as we discover firsthand the voices of American visionaries, rebels, slaves and soldiers. This collaborative course examines American literature and history from our colonial beginnings to the dramatic and passionate struggles of the Civil War. As we study the American past, we will reflect on our own experiences and what it means to be an American today. Students MUST enroll in both History M07A (CRN 72224) and English M01A (CRN 71389).

SOC M15 Introduction to Criminology 3.00 Units
 70076 08/18/2008 12/17/2008 VIEIRA DS 11:30am-12:50pm TTh FH-220

CJ M01 Introduction to Criminal Justice 3.00 Units
 75099 08/18/2008 12/17/2008 MULVILLE LM 10:00am-11:20am TTh FH-220
THE GOOD THE BAD AND THE UGLY - This class is a Learning Community that will explore such issues as: What is crime? Why do people become criminals? How does society react to and deal with criminals? This collaborative course will examine these questions from the perspective of contemporary administration of justice and sociology. Students MUST enroll in both CJ M01 (CRN 75099) and SOC M15 (CRN 70076).

ENGL M01B Literature: Critical Thinking and Composition 3.00 Units
 71407 08/18/2008 12/17/2008 SLATTUM N 01:00pm-02:20pm MW FH-214

PHIL M01 Introduction to Philosophy 3.00 Units
 79479 08/18/2008 12/17/2008 DAURIO JR 11:30am-12:50pm MW HSS-230

PHILOSOPHY, LITERATURE AND THE LORD OF THE RINGS. - Place the ring on your finger and disappear into the world of literature and philosophy. This class on J.R.R. Tolkien's "The Lord of the Rings" will inspire and provoke your heart and mind as no other college class can do. And you get six units of college-transfer credit because students MUST enroll in both PHIL M01 (CRN 79479) and ENGL M01B (CRN 71407).

72196	08/18/2008	12/17/2008	BAKER JR	01:00pm-02:20pm	TTh	FH-120

NOTE: CRN 72196 is part of a Learning Community, YESTERDAY, TODAY AND TOMORROW: As the philosopher Santayana famously said, "Those who cannot remember the past are condemned to repeat it." How does the past affect our present? What does it mean for our future? Join us in this Learning Community as we explore the history and anthropology of the great civilizations of our world, visiting their places of worship, listening to their music, reading their words and tasting their foods. As we examine the events and beliefs of yesterday, we will see that they still affect us today; indeed, we will discover that we are not prisoners of our past but that each of us constructs our tomorrow. Students MUST enroll in both ANTH M11 (CRN 72196) and HIST M20A (CRN 72083).

COUNSELING

COUN M01	Student Success.....					1.00 Unit
MATERIAL FEES: A \$5.00 materials fee will be required at registration.						
70728	08/18/2008	10/13/2008	STAFF	01:00pm-02:50pm	W	HS-111A
71099	10/14/2008	12/09/2008	STAFF	05:00pm-06:50pm	T	HSS-104
COUN M02	Career Development					3.00 Units
70733	10/14/2008	12/09/2008	REDD DR	6.00 HRS/WK	ARR	TV
NOTE: CRN 70733 has instruction delivered via televideo programming. Video tapes, test and materials can be purchased at the bookstore. Orientation will be on Thursday, Oct. 16 from 5-7 pm. Midterm meeting is Nov. 13 from 5-7 pm and Final meeting is Thursday, Dec. 11 from 5-7 pm.						
COUN M02A	Choosing a Major and/or Career.....					1.50 Units
70647	10/14/2008	12/09/2008	REDD DR	06:00pm-08:50pm	T	FH-119
COUN M60B	Tools for Transfer.....					0.50 Unit
RECOMMENDED PREPARATION: Completion of 30 transferable units						
71923	10/14/2008	12/09/2008	GOULD JA	1.00 HRS/WK	ARR	TBA
NOTE: CRN 71923 Enrollment occurs throughout the semester. You are required to attend a 1 hour orientation and 1 hour debriefing. Within one week of registering, call the Career Transfer Center, 805-378-1536 or e-mail mcwexp@vcccd.edu to reserve a 1 hour orientation.						
COUN M60C	Self-Paced Career Assessment					0.50 Unit
71949	10/15/2008	12/10/2008	GOULD JA	1.00 HRS/WK	ARR	TBA
NOTE: CRN 71949 Enrollment occurs throughout the semester You are required to attend a 1 hour orientation and a 1 hour debriefing. Within one week of registering, call the Career Transfer Center, 805-378-1536 or e-mail mcwexp@vcccd.edu to reserve a 1 hour orientation.						
COUN M60D	Self-Paced Career Research.....					0.50 Unit
RECOMMENDED PREPARATION: COUN M60C						
72019	10/15/2008	12/10/2008	GOULD JA	1.00 HRS/WK	ARR	TBA
Note: CRN 72019 enrollment occurs throughout the semester. You are required to attend a one-hour Orientation and a one-hour debriefing. Orientation will be by appointment. Within one week of registering, call the Career Transfer Center, 805 378 1537 or e-mail mcwexp@vcccd.edu to reserve ONE 1-hour Orientation appointment.						

CRIMINAL JUSTICE

CJ M01	Introduction to Criminal Justice					3.00 Units
76796	08/18/2008	12/17/2008	HARRINGTON G	08:30am-09:50am	MW	AA-109
70762	08/18/2008	12/17/2008	HARRINGTON G	11:30am-12:50pm	TTh	AA-109
70239	08/18/2008	12/17/2008	HARRINGTON G	07:00pm-09:50pm	T	AA-109
75104	09/15/2008	12/10/2008	MULVILLE LM	01:00pm-02:50pm	MW	FH-220
70054	08/16/2008	12/17/2008	MULVILLE LM	3.00 HRS/WK	ARR	WEB

NOTE: CRN 70054 is an on-line course taken via the Internet and a personal computer. The Moorpark College Open Access Computer Lab is available to students who need access to a computer and the Internet. To take this course, you must be comfortable using a computer, have basic word processing, e-mail and Internet navigation skills, and be familiar with discussion rooms. Go on-line at www.moorparkcollege.edu. Click "distance education" for orientation information and log-in information. Although this is an on-line course there is a requirement that students attend four hours of court observation at their own scheduling. For additional information, contact the instructor at lmulville@vcccd.edu.

75099	08/18/2008	12/17/2008	MULVILLE LM	10:00am-11:20am	TTh	FH-220
-------	------------	------------	-------------	-----------------	-----	--------

NOTE: CRN 75099 THE GOOD, THE BAD AND THE UGLY This class is a Learning Community that will explore such issues as: What is crime? Why do people become criminals? How does society react to and deal with criminals? This collaborative course will examine these questions from the perspective of contemporary administration of justice and sociology. Students MUST enroll in both CJ M01 (CRN 75099) and SOC M15 (CRN 70076).

NOTE: CRN 71389 is part of the Learning Community AMERICAN CONNECTION: Freedom, Dissent, and Equality. This course will explore the creation and development of American society to 1865. Join us as we discover firsthand the voices of American visionaries, rebels, slaves and soldiers. This collaborative course examines American literature and history from our colonial beginnings to the dramatic and passionate struggles of the Civil War. As we study the American past, we will reflect on our own experiences and what it means to be an American today. Students MUST enroll in both English M01A (CRN 71389) and History M07A (CRN 72224).

NOTE: CRN 71407 is part of a Learning Community, PHILOSOPHY, LITERATURE AND THE LORD OF THE RINGS. Place the ring on your finger and disappear into the world of literature and philosophy. This class on J.R.R. Tolkien's "The Lord of the Rings" will inspire and provoke your heart and mind as no other college class can do. And you get six units of college-transfer credit because students MUST enroll in both ENGL M01B (CRN 71407) and PHIL M01 (CRN 79479).

72224	08/18/2008	12/17/2008	KINKELLA SL	10:00am-11:20am	TTh	HSS-140

NOTE: CRN 72224 is part of the Learning Community AMERICAN CONNECTION: Freedom, Dissent, and Equality. This course will explore the creation and development of American society to 1865. Join us as we discover firsthand the voices of American visionaries, rebels, slaves and soldiers. This collaborative course examines American literature and history from our colonial beginnings to the dramatic and passionate struggles of the Civil War. As we study the American past, we will reflect on our own experiences and what it means to be an American today. Students MUST enroll in both History M07A (CRN 72224) and English M01A (CRN 71389).

Some class offerings and room assignments may have changed since printing this schedule.

NOTE: CRN 72083 is part of a Learning Community, YESTERDAY, TODAY AND TOMORROW: As the philosopher Santanyan famously said, "Those who cannot remember the past are condemned to repeat it." How does the past affect our present? What does it mean for our future? Join us in this Learning Community as we explore the history and anthropology of the great civilizations of our world, visiting their places of worship, listening to their music, reading their words and tasting their foods. As we examine the events and beliefs of yesterday, we will see that they still affect us today; indeed, we will discover that we are not prisoners of our past but that each of us constructs our tomorrow. Students MUST enroll in both ANTH M11 (CRN 72196) and HIST M20A (CRN 72083).

71783	08/18/2008	12/17/2008	DAURIO JR	10:00am-11:20am	MW	HSS-230
79479	08/18/2008	12/17/2008	DAURIO JR	11:30am-12:50pm	MW	HSS-230

NOTE: CRN 79479 is part of a Learning Community, PHILOSOPHY, LITERATURE AND THE LORD OF THE RINGS.

Place the ring on your finger and disappear into the world of literature and philosophy. This class on J.R.R. Tolkien's "The Lord of the Rings" will inspire and provoke your heart and mind as no other college class can do. And you get six units of college-transfer credit because students MUST enroll in both ENGL M01B (CRN 71407) and PHIL M01 (CRN 79479).

NOTE: 72563 is an on-line course. To take this course, you must be comfortable using a computer, have basic word processing, e-mail and Internet navigation skills. Go on-line at www.moorparkcollege.edu and click on the link to Distance Learning to learn more. Instructor will e-mail students before class starts at the address on file with the Registrar. If you don't receive an e-mail, please update your e-mail address in Webstar. Instructor: Sona Dombourian sdombourian@vcccd.edu

PSYCHOLOGY

PSY M01 Introduction to Psychology..... 3.00 Units						
79914	08/18/2008	12/17/2008	DUEPPEN JF	04:00pm-06:50pm	M	FH-119
79895	08/18/2008	12/17/2008	POLLOCK SJ	08:30am-09:50am	MW	HSS-206
79930	08/18/2008	12/17/2008	TENNANT M	11:30am-12:50pm	MW	FORU-147

NOTE: CRN 79930 is part of the Learning Community PSYCHOLOGY OF FEAR IN THE CINEMA. What is the scariest film you have ever seen? And, what are you really afraid of? Films can vividly depict our hopes, dreams and deepest fears. In this class, we will examine contemporary American films that reflect these themes and what they teach us about ourselves. Films may include such films as "Night of the Living Dead," "United 93," and "Sherrybaby." Students MUST enroll in both PSY M01 (CRN 79930) or PSY M01H (CRN 79957) and HUM M06 (CRN 74455).

CAREER TRANSFER CENTER

(805) 378-1536

Hours: M,T,W,Th 8:00 am – 7:00 pm
F 8:00 am – 4:00 pm

Questions about your career or major? Transferring to a four year university? Trying to find a job? Looking for ways to get credit while improving your workplace skills?

The Career/Transfer Center, located in the Administration Building, offers life planning assistance to all students, whether updating job skills, pursuing a certificate or degree, or planning to transfer to a four year college. This one stop center has valuable resources to explore a range of job, career and college options.

Activities and resources available include:

- Career Exploration Software, Workshops and Courses
- Transfer Exploration Software, Workshops and Courses
- Workplace Skills Courses, Workshops, and Assistance
- Job and Internship Postings
- Transfer University Representatives and Tours
- Work Experience and Internship College Credit
- Career and Transfer Counseling
- Events: Transfer Day, Transfer Social, Job & Career Expo, Job Shadow Day
- Transfer Application Workshops
- Information on the Honors Program

Some class offerings and room assignments may have changed since printing this schedule.

100 *Please see the web for the most up to date class - www.moorparkcollege.edu/htdocs/schedule*

COURSE DESCRIPTIONS

PREREQUISITES, COREQUISITES & OTHER CONDITIONS

Prerequisites for Mathematics and English will be enforced prior to registration. Students who have completed courses at another college or at the high school level that could be equivalent to the prerequisites needed to register for courses at Moorpark College should have official transcripts sent to the Counseling Office to expedite the review process. Students may also hand carry official (unopened) transcripts to the Counseling Office prior to registration. Transcripts must be reviewed by a counselor to verify college course equivalencies and to determine how high school courses meet the stated prerequisites. Additional documentation may also be required such as a course outline of a previously completed course. After review by a counselor a Prerequisite for Course Equivalency Form can be completed and signed and submitted to the Admissions and Records Office at the time of registration for the desired course. Students who believe they have met the prerequisite in ways other than through completing an equivalent course may file a Petition to Challenge. The petition outlines the specific reasons students may give for challenging a prerequisite or corequisite. Petition to Challenge forms and instructions are available from a counselor in the Administration Building.

IMPORTANT DEFINITIONS

PREREQUISITE: Courses that must be completed with a grade of "C" or better prior to registration in a specific course.

COREQUISITE: A course a student is required to take simultaneously in order to enroll in another specific course.

RECOMMENDED PREPARATION: Courses that should be completed prior to or in conjunction with a specific course.

CONDITIONS FOR ENROLLMENT: Other restrictions such as "Proof of negative TB clearance" (Child Development Course).

ANATOMY

ANAT M01 Human Anatomy _____ 4.00 Units

PREREQUISITES: BIOL M01 or BIOL M02A

Examines the anatomy of human organs and organ systems from a functional perspective that focuses on an understanding of the design of the human body. In laboratory, students learn to distinguish tissue types through histological specimens, and study the three-dimensional relationship of body structures through required non-human mammalian dissection. Demonstrations on human cadavers will afford students a working knowledge of the gross anatomy of the human body. Applies to Associate Degree. Transfer credit: CSU; UC (ANAT M01 and ANPH M01 or PHSO M01 combined: maximum credit, one course). IGETC AREA 5B. CAN: BIOL 10

ANATOMY/PHYSIOLOGY

ANPH M01 Introduction to Human Anatomy and Physiology _____ 5.00 Units

PREREQUISITES: BIOL M01 or BIOL M02A

Introduces the structures and the relationships of human body parts and explores how the functioning of the parts is related to their structure. The combined study of anatomy and physiology allows students to effectively integrate the study of structure with functioning of the system. The themes of hierarchical structural organization and maintenance of homeostasis form the framework for the study of the human system at both macroscopic and microscopic levels. In laboratory, student will examine the structure/ function relationship through the required dissection of a cat. A human cadaver will be used to demonstrate the principles in the human body. A variety of instruments and techniques will be introduced to assess functioning in the living body. The emphasis in both lecture and laboratory is on student understanding of systems integration and co-dependence. Applies to Associate Degree. Transfer credit: CSU; UC (ANPH M01 and ANAT M01 or PHSO M01 combined: maximum credit, one course). IGETC AREA 5B.

ANIMAL SCIENCE

ANSC M02 Animal Health and Safety _____ 2.00 Units

Introduces the health and safety issues associated with keeping animals in captivity. Presents the essentials of a preventative medicine program, emphasizing procedures for proper hygiene, quarantine, vaccinations, and safety. Addresses the safety of the animal keeper/handler with a consideration of zoonosis. Applies to Associate Degree.

ANSC M04 Units Animal Behavior _____ 3.00 Units

Introduction to the study of animal behavior with an emphasis on learning theory, especially classical and operant conditioning. It is designed to provide the student with an understanding of how to apply the concepts of ethology and behavior modification to the maintenance and training of animals in captivity. (Same course as PSY M12). Applies to Associate Degree. Transfer credit: CSU

New, easy on-line payment plan - **eCASHIER**

See page 149 for more information or visit WebSTAR at www.vccd.edu/webstar

- ANSC M04L Unit Animal Behavior Lab _____ 0.50 Unit
COREQUISITE: ANSC M04 or PSY M12
 Consists of laboratory activities giving the student opportunities to develop skills in behavior modification and observational research. Each student will be required to train a rat and conduct an observational research project on captive mammals. (Same course as PSY M12L)
 Applies to Associate Degree. Transfer credit: CSU
- ANSC M06 Animal Anatomy/Physiology _____ 3.00 Units
 An introduction to the science of veterinary medicine as it applies to mammals, birds, and reptiles. Presents a practical system-by-system approach to the basic structure (anatomy) and function (physiology) of the previously mentioned groups. Applies to Associate Degree. Transfer credit: CSU
- ANSC M07 Animal Diversity _____ 3.00 Units
COREQUISITE: ANSC M07L
 Introduces survey of invertebrate and vertebrate animals, both terrestrial and marine. Includes classification, general characteristics, adaptations, animal recognition, evolutionary history, and basic concepts of ecology and conservation. Applies to Association Degree. Transfer credit: CSU
- ANSC M07L Animal Diversity Lab _____ 0.50 Unit
COREQUISITE: ANSC M07
 Introductory laboratory course surveys the invertebrate and vertebrate animals, both terrestrial and marine. The focus will be on animal recognition, general characteristics and behavior through animal observations. Observations will be made of live animals in Americas Teaching Zoo as well as on video. Additional species will be presented in photographic slides. Applies to Association Degree. Transfer credit: CSU
- ANSC M08 Wildlife Conservation _____ 3.00 Units
RECOMMENDED PREPARATION: ANSC M07
 Designed to assist students in developing awareness, knowledge, skills, and commitment, that will result in informed decisions, responsible behavior and constructive actions concerning wildlife and the environment. Topics will include awareness and appreciation of wildlife, human values and wildlife, wildlife conservation, cultural and social interaction with wildlife, wildlife issues and responsible human actions. Applies to Associate Degree.
- ANSC M60BL Primate Behavior Lab _____ 1.00 Unit
 Observation and analysis of primate behavior at America's Teaching Zoo. Activities include the application and evaluation of operant conditioning and environmental enrichment techniques specific to primates. May be taken two (2) times for credit. Applies to Associate Degree. Transfer Credit: determined by transfer institution.

ANTHROPOLOGY

- ANTH M01 Biological Anthropology _____ 3.00 Units
 Provides hands-on understanding of principles of evolution and genetics. Covers comparative vertebrate anatomy, modern and fossil hominids, primatology, variation in modern human populations, medical genetics and adaptability. Introduces molecular biological methods. Applies to Associate Degree. Transfer credit: CSU, UC. IGETC AREA 5B
- ANTH M02 Cultural Anthropology _____ 3.00 Units
 Focuses on basic concepts and methods for analyzing cultural systems, illustrated with examples drawn largely from non-Western societies. Emphasis will be on the structure and evolution of human behavior in all major aspects of culture. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4A. CAN: ANTH 4.
- ANTH M03 Archaeology _____ 3.00 Units
 Introduces the history and goals of archaeology, emphasizing methods of interpreting and dating the prehistoric past through the rise of complex societies as seen both in the New World and in Ventura County. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4A. CAN: ANTH 6.
- ANTH M04 Chicano Culture _____ 3.00 Units
 Focuses on the social and cultural heritage of the Middle American Chicano civilizations from the Spanish conquest to the present, emphasizing contributions in the fine arts, literature, and oral history. (Same course as CHST M02.) Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4A, 4C.
- ANTH M05 Archaeological Field Methods _____ 3.00 Units
PREREQUISITES: Completion of or concurrent enrollment in ANTH M03
 A course in practical hands-on archaeology that is intended for students who desire to extend their existing knowledge of archaeological inquiry. The emphasis of this course will be on actual site excavation and primary sorting and artifactual materials. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC (maximum credit: one course)
- ANTH M07 Peoples and Cultures of the World _____ 3.00 Units
 Considers the differences between and the commonalities among several human sociocultural groups. A variety of theoretical orientations and topical foci will be utilized. Case studies of individual cultures will be used to discuss these cultures and understand ethnographic methodologies, while comparison of these cultures will provide an introduction to the cross-cultural perspective. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4A
- ANTH M11 The Anthropology of Magic, Witchcraft and Religion _____ 3.00 Units
 Provides an introduction to human belief systems around the world and the manners in which anthropology investigates these. Topics include functions and structures of religions, cross-cultural classification of religions, shamanism, religious change, and religious systems in global perspective. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4A
- ANTH M60C Indians of California _____ 3.00 Units
 This course offers students a multidimensional look at the aboriginal inhabitants of California before and after European Contact. Applies to Associate Degree. Transfer Credit: CSU; UC (credit limitations)
- ANTH M60J Egyptology: Archaeology of the Land of the Pharaohs _____ 3.00 Units
 Emphasizes the archaeological contributions for a better understanding of the historical and cultural development of ancient Egypt. Applies to Associate Degree. Transfer credit: CSU; UC

Some class offerings and room assignments may have changed since printing this schedule.

102 *Please see the web for the most up to date class - www.moorparkcollege.edu/htdocs/schedule*

ART

- ART M10 Art Appreciation** _____ 3.00 Units
A study of the major principles and techniques used to create visual art objects in diverse media, this course helps students to develop informed perceptions and evaluations of works of art to understand them in their historical and cultural contexts. (Formerly ART M02) Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3A
- ART M11 History of Art: Prehistoric through Gothic** _____ 3.00 Units
The history of art from prehistoric times through the middle ages, ranging from ancient to Gothic art, with an emphasis on the Western world. Examines key styles and movements in art history and introduces techniques for producing art. This course is required for art majors. (Formerly ART M01A) Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3A. CAN: ART 2; ART SEQ. A (ART M11 + M12).
- ART M12 History of Art: Renaissance through Modern** _____ 3.00 Units
The history of art from the early Renaissance to modern times with an emphasis on the Western world. Continues to examine key figures and movements in art history and to introduce new techniques of producing art. This course is required for art majors. (Formerly ART M01B) Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3A. CAN: ART 4. ART SEQ. A (ART M11 + M12).
- ART M13 History of Art: Modern through Contemporary** _____ 3.00 Units
Investigates the theory and practice of the visual arts from about 1850 to the present by examining the various movements and how they reflect social and technological changes in the modern era. (Formerly ART M01C) Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3A
- ART M20 Two Dimensional Design** _____ 3.00 Units
Provides background in the use of design principles, color theory and its practical applications through specific weekly projects in line, shape, texture, form, and the principles of abstraction. (Formerly ART M04A) Applies to Associate Degree. Transfer credit: CSU; UC. CAN: ART 14
- ART M23 Three Dimensional Design** _____ 3.00 Units
PREREQUISITES: ART M20
Explores 3D design through the application of 2D design principles, emphasizing the creation of form via interaction with various materials, techniques and construction methods. Field trips will be required. (Formerly ART M04B) Applies to Associate Degree. Transfer credit: CSU; UC. CAN: ART 16
- ART M30 Drawing and Composition I** _____ 3.00 Units
Stresses graphic representation of objects through a variety of media and techniques, emphasizing pictorial composition, depth perception, perspective and rendering. (Formerly ART M12A) Applies to Associate Degree. Transfer credit: CSU; UC. CAN: ART 8
- ART M31 Drawing and Composition II** _____ 3.00 Units
PREREQUISITES: ART M30
Expands exploration of pen and ink and watercolor washes through a study of illustrative drawing, analytic abstraction concepts and advanced problems in rendering. (Formerly ART M12B) Applies to Associate Degree. Transfer credit: CSU; UC
- ART M32 Beginning Life Drawing I** _____ 3.00 Units
PREREQUISITES: ART M30
Draws the human figure from live models. Emphasizes structure, proportion, form and composition through an introduction of linear and tonal concepts. Different media will be explored, including charcoal, conte crayon, pencil, pen and ink. (Formerly ART M13A) Applies to Associate Degree. Transfer credit: CSU; UC. CAN: ART 24
- ART M33 Beginning Life Drawing II** _____ 3.00 Units
PREREQUISITES: ART M32
Expands drawing the human figure from a live model. Emphasizes freedom of expression as well as structure, proportion, form and composition. (Formerly ART M13B) Applies to Associate Degree. Transfer credit: CSU; UC
- ART M34 Advanced Life Drawing I** _____ 3.00 Units
PREREQUISITES: ART M33
Further expands drawing the human figure, beginning with a skeletal structure. Uses many media emphasizing structure, proportion, form and composition, and continues practice of linear and tonal concepts. (Formerly ART M13C) Applies to Associate Degree. Transfer credit: CSU; UC
- ART M35 Advanced Life Drawing II** _____ 3.00 Units
PREREQUISITES: ART M34
Further expands drawing the human figure and skeletal structure. Uses many media emphasizing structure, proportion, form and composition, and increasing practices of linear and tonal concepts. (Formerly ART M13D) Applies to Associate Degree. Transfer credit: CSU; UC
- ART M40 Beginning Illustration** _____ 3.00 Units
PREREQUISITES: ART M30 or concurrent enrollment
Introduces pen and ink, watercolor, collage, and colored pencil techniques as principle means of self-expression. Analyzes topical themes and individual story lines as potential subject matter for weekly drawings. (Same course as GR M40). Applies to Associate Degree. Transfer credit: CSU
- ART M41 Intermediate Illustration** _____ 3.00 Units
PREREQUISITES: ART M40 or GR M40
Introduces advanced studies in pen and ink, watercolor washes and mixed media, exploring individual style appropriate to magazine, newspaper and book illustration. (Same course as GR M41). Applies to Associate Degree. Transfer credit: CSU
- ART M42 Advanced Illustration** _____ 3.00 Units
PREREQUISITES: ART M41 or GR M41
Emphasizes development of individual style through advanced illustration techniques. Requires individual projects. (Same course as GR M42). May be taken a maximum of 2 times for credit. Applies to Associate Degree. Transfer credit: CSU
- ART M43 Beginning Painting I** _____ 3.00 Units
PREREQUISITES: ART M20 or ART M30
Introduces the nature of structural and expressive values in contemporary painting, emphasizing form, control or pictorial order, and the uses of color and light as fundamental skills necessary to mastery of basic painting techniques. (Formerly ART M16A) Applies to Associate Degree. Transfer credit: CSU; UC. CAN: ART 10
- ART M44 Beginning Painting II** _____ 3.00 Units
PREREQUISITES: ART M43
Continues the development of fundamental painting skills and concepts. Emphasizing technical competence and individual concepts using both traditional and modern materials. (Formerly ART M16B) Applies to Associate Degree. Transfer credit: CSU; UC

New, easy on-line payment plan - **eCASHIER**

See page 149 for more information or visit WebSTAR at www.vccd.edu/webstar

- ART M45 Advanced Painting I _____ 3.00 Units
PREREQUISITES: ART M44
 One-on-one student/teacher relationship explores advanced painting concepts and techniques. Encourages personal and unique self-expression through experimentation with, and interpretation of subject matter. (Formerly ART M16C) Applies to Associate Degree. Transfer credit: CSU; UC
- ART M46 Advanced Painting II _____ 3.00 Units
PREREQUISITES: ART M45
 One-on-one student/teacher relationship explores further advanced painting concepts and techniques. Encourages personal and unique self-expression through experimentation with, and interpretation of subject matter. (Formerly ART M16D) Applies to Associate Degree. Transfer credit: CSU; UC
- ART M47 Landscape Painting I _____ 3.00 Units
PREREQUISITES: ART M20 or ART M30
 Introduces painting skills and concepts applicable to landscape (both indoor and outdoor). Focuses on painting nature out of doors in various media, such as acrylics, oils, watercolor, and pastels. (Formerly ART M17A) Applies to Associate Degree. Transfer credit: CSU; UC
- ART M48 Landscape Painting II _____ 3.00 Units
PREREQUISITES: ART M47
 Expands the skills and concepts of painting applicable to landscape, emphasizing a more personal, creative approach. (Formerly ART M17B) Applies to Associate Degree. Transfer credit: CSU; UC
- ART M49 Water Color I _____ 3.00 Units
PREREQUISITES: ART M20 or ART M30
 Introduces a thorough understanding of the watercolor media, building from simple exercises to more complex problems solved in personal and creative ways. (Formerly ART M18A) Applies to Associate Degree. Transfer credit: CSU; UC
- ART M50 Water Color II _____ 3.00 Units
Prerequisites: ART M49
 Offers advanced watercolor techniques, encouraging the use of the multiple images in both landscapes and still life. (Formerly ART M18B) Applies to Associate Degree. Transfer credit: CSU; UC
- ART M70 Beginning Ceramics I _____ 3.00 Units
RECOMMENDED PREPARATION: ART M23
 Introduces the potter's wheel and provides practice in elementary clay construction methods as well as glazing and firing techniques. Teaches basic ceramic design concepts, form, color, texture, decoration and craftsmanship. (Formerly ART M08A) Applies to Associate Degree. Transfer credit: CSU; UC. CAN: ART 6
- ART M71 Beginning Ceramics II _____ 3.00 Units
PREREQUISITES: ART M70
 Practices the techniques of elementary clay construction through exploration of sculptural forms and the development of glazes, decoration and firing methods. (Formerly ART M08B) Applies to Associate Degree. Transfer credit: CSU; UC
- ART M72 Ceramic Design I _____ 3.00 Units
PREREQUISITES: ART M20 and ART M71
 Explores clay bodies, glaze materials and calculations, and firing techniques through independent projects. Develops individual growth and creative expression. (Formerly ART M09A) Applies to Associate Degree. Transfer credit: CSU; UC
- ART M73 Ceramic Design II _____ 3.00 Units
PREREQUISITES: ART M72
 Offers in-depth study of ceramics through independent projects designed to enhance artistic mastery. (Formerly ART M09B) Applies to Associate Degree. Transfer credit: CSU; UC
- ART M77 Beginning Sculpture I _____ 3.00 Units
 Develops awareness for historical and contemporary concerns regarding three-dimensional design concepts. Encourages personal expression through materials such as paper, cardboard, plaster, wood, wire, and clay. (Formerly ART M19A) Applies to Associate Degree. Transfer credit: CSU; UC
- ART M78 Beginning Sculpture II _____ 3.00 Units
PREREQUISITES: ART M77 or portfolio equivalent
 Expand technical and conceptual skills while developing self-expression and personal style in sculpture. Emphasis on discovering the medium that best relates to individual expression. May be taken twice for credit. Applies to Associate Degree. Transfer credit: CSU; UC.
- ART M79 Figure Sculpture _____ 3.00 Units
RECOMMENDED PREPARATION: ART M23 or ART M32 or ART M77
 The basic principles, materials and techniques of sculpting the human figure from live models. Emphasizes structure, proportion, balance, and self-expression in three-dimensional form. Develops awareness of historical and contemporary concerns in figure sculpture. Materials include clay, wire, and mixed media. Applies to Associate Degree. Transfer Credit: CSU;UC.
- ART M90 Beginning Printmaking I _____ 3.00 Units
PREREQUISITES: ART M20
 Introduces printmaking media, including intaglio (etching, engraving, etc.) but emphasizes relief, holograph and embossed print. (Formerly ART M15A) Applies to Associate Degree. Transfer credit: CSU; UC. CAN: ART 20
- ART M91 Beginning Printmaking II _____ 3.00 Units
PREREQUISITES: ART M90
 Fully explores intaglio techniques, including line etching, aquatint, sugar lift, and experimental techniques. May be taken two (2) times for credit. (Formerly ART M15B) Applies to Associate Degree. Transfer credit: CSU; UC
- ART M92 Advanced Printmaking I _____ 3.00 Units
PREREQUISITES: ART M91
 Expands work in intaglio and relief, emphasizing individual exploration of solutions and experimental techniques. (Formerly ART M15C) Applies to Associate Degree. Transfer credit: CSU; UC
- ART M93 Advanced Printmaking II _____ 3.00 Units
PREREQUISITES: ART M92
 Offers advanced work in intaglio with greater exploration of experimental techniques. Applies to Associate Degree. (Formerly ART M15D) Transfer credit: CSU; UC

Some class offerings and room assignments may have changed since printing this schedule.

104 *Please see the web for the most up to date class - www.moorparkcollege.edu/htdocs/schedule*

ART M96 Airbrush Techniques I _____ 3.00 Units

PREREQUISITES: ART M92

Course covers learning airbrush painting techniques, the basics of airbrush illustration and photo retouching for advertising, commercial and industrial airbrush applications, and personal expression through airbrush and brush painting. (Same course as GR M50). May be taken a total of 2 times for credit. Transfer Credit: CSU. Applies to Associate Degree.

ART M97 Airbrush Techniques I _____ 3.00 Units

PREREQUISITES: ART M96

This advanced course introduces various color applications and techniques, such as transparent dyes, transparent and opaque designer color. Techniques and treatments are presented along with various tricks of the trades. (Same course as GR M51). May be taken a total of 2 times for credit. Transfer Credit: CSU. Applies to Associate Degree.

ART M98 Silk Screen Serigraphy I _____ 3.00 Units

RECOMMENDED PREPARATION: ART M20

Introduces screen serigraphy and its artistic and commercial application. Includes preparation of various screen printing stencil methods, preparation and care of screens, and use of transparent and opaque inks. Provides group and individual critiques. (Formerly ART M14A) Applies to Associate Degree. Transfer credit: CSU;UC

ART M99 Silk Screen Serigraphy II _____ 3.00 Units

PREREQUISITE: ART M98 or GR M73

Introduces advanced techniques for utilizing photo screen printing singly or in combination with other stencil methods. Includes instruction and practice of the process camera and its application to serigraphy printing; basic line photography and contact printing; and single and multi-color printing and posterization techniques. Explores special printing on various surfaces. May be taken two (2) times for credit (Same course as GR M74)(Formerly ART M14A) Applies to Associate Degree. Transfer credit: CSU;UC.

ASTRONOMY

AST M01 An Introduction to Astronomy _____ 3.00 Units

RECOMMENDED PREPARATION: MATH M01 or equivalent college course, or high school algebra.

Surveys the origins, history, and accomplishments of the science of astronomy. Covers observational astronomy, light, telescopes, the solar system, stars, galaxies, and cosmology. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A

AST M01L An Introduction to Astronomy Laboratory _____ 1.00 Unit

PREREQUISITES: Completion of or concurrent enrollment in AST M01 or AST M02

Reinforces principles and techniques of astronomy through hands-on experience with telescopes, star charts, and other common devices used to observe and measure the moon, the planets, and the stars. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A

AST M02 Our Solar System: The Next Frontier _____ 3.00 Units

Introduces both observational and historical Astronomy, reviewing the planets, satellites, asteroids, comets, and the sun. Discusses the laws of motion and gravitation, especially in connection with space travel - past, present and future. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A

BIOLOGY

BIOL M01 Introduction to Biology _____ 4.00 Units

Introduces non-majors to science and scientific methodology through a study of the basic principles of biology. Course focuses on student understanding of the unity and diversity of life through discussions of topics that include biological chemistry, metabolism, cell biology, molecular biology, genetics, evolution of living systems, and ecology. Woven throughout the course are the implications of the science of biology on human affairs. Majors in biology, health science (pre-nursing), or related areas enroll in BIOL M02A. Applies to Associate Degree. Transfer credit: CSU; UC (no credit if taken after BIOL M02A) IGETC AREA 5B.

BIOL M02A General Biology I _____ 5.00 Units

PREREQUISITES: MATH M03 or 2 years of high school algebra or equivalent and CHEM M01A or CHEM M12 or high school chemistry all with a grade of C or better

First semester of general biology for majors. Introduces students to major biological themes and principles that are fundamental to an understanding of life processes in any field of biology today. Topics covered include the scientific process, biological chemistry, cellular biology, metabolism, life cycles, genetics, molecular biology, DNA technology, developmental genetics, and evolutionary processes. Students completing this course are prepared for the more advanced courses offered by the department. Applies to Associate Degree. Transfer credit: CSU; UC

BIOL M02B General Biology II _____ 5.00 Units

PREREQUISITES: BIOL M02A

Covers the diversity and function of living systems. Topics covered include origins of life, biological diversity, animal form and function, and ecology. Students completing this course will have an appreciation of the broad diversity of life forms on the planet, a basic understanding of physiological processes in animals, and an introduction to how organisms interact with their environment and each other in ecosystems. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5B. CAN: BIOL SEQ A (BIOL M2A + M2B).

BIOL M02C Genetics and Molecular Biology _____ 5.00 Units

PREREQUISITES: BIOL M02A and CHEM M07A, CHEM M07A may be taken concurrently)

An extension of the genetics, molecular and cell biology introduced in BIOL M02A. Inheritance and macromolecular functioning are the focus of this course. Emphasizes data analysis and problem-solving skills. Topics include analysis of inheritance patterns, structure and expression of DNA in viruses, bacteria, and eukaryotes, regulation of gene expression, RNA and protein functioning, and examination of current DNA analysis technologies and their applications. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5B

BIOL M10 DNA Biology: Genetic Engineering & Societ _____ 3.00 Units

COREQUISITE: BIOL M10L

Introduces the revolution associated with genetic engineering that has resulted in the ability to manipulate the genetic traits of any organism. Explores the complex and rapidly expanding field of DNA recombinant technology and its application and implications in today's world. Provides review of biological concepts and then builds on this knowledge through an exploration of issues, such as stem cell research, cloning, recombinant DNA technology, gene therapy, the human genome project, crop engineering, and bioethics. Intended for students in any major. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5B.

BIOL M10L DNA Biology Laboratory _____ 1.00 Unit

COREQUISITE: BIOL M10

Laboratory course for BIOL M10. Introduces a variety of techniques and processes used in the field of DNA biology and genetic engineering. Includes internet-based exercises in bioinformatics; laboratory skills in the manipulation and analysis of DNA using equipment appropriate to microanalyses; and experiments such as bacterial transformation, DNA fingerprinting, PCR, hybridization, and cloning. Applies to Associate Degree. Transfer credit: CSU, UC. IGETC AREA 5B.

BIOL M11A Introduction to Biotechnology & Molecular Biology I _____ 4.00 Units

Examines the role of molecular biology in the manufacturing of commercial pharmaceutical and agricultural products. Introduces basic biotechnology laboratory skills, including documentation, safety, and solution and buffer preparation. Develops proficiency in aseptic technique, spectrophotometry, and electrophoresis. (Same course as BIOL M01A) Applies to Associate Degree. Transfer Credit: CSU; UC

BIOL M12A Environmental Control & Process Support _____ 2.00 Units

Skills training in Industrial Biotechnology with emphasis on manufacturing of biopharmaceuticals. Presents an overview of the manufacturing process and introduces environmental control and process support with a focus on Good Laboratory Practices (GLP) / Good Manufacturing Practices (GMP), clean room procedure, monitoring techniques, and required documentation. (Same course as BIOL M02A) Applies to Associate Degree. Transfer Credit: CSU

BIOL M16 Human Biology _____ 3.00 Units

Introduces the biology of humans covering basic cell structure, organ systems, inheritance, reproduction, development and aging, disease process, and human evolution and ecology. Examines biology as a scientific endeavor and analyzes the functioning of the human body both as an integrated system and as a part of the ecosystem with special attention to physiological structure and function. Students will acquire the knowledge to make intelligent decisions on bioethical issues that face society. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5B

BIOL M17 Heredity, Evolution and Society _____ 3.00 Units

Introduces principles of modern genetics and evolutionary theory with specific reference to the human species. Examines scientific method, biological laws governing heredity in individuals and populations, biological factors that influence health and disease, and the interplay between the human population and the environment. Analyses the world's economic, demographic, and political problems from a biological perspective, and discusses implications and possible solutions. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5B

BIOTECHNOLOGY

BIOT M01A Introduction to Biotechnology & Molecular Biology I _____ 4.00 Units

Examines the role of molecular biology in the manufacturing of commercial pharmaceutical and agricultural products. Introduces basic biotechnology laboratory skills, including documentation, safety, and solution and buffer preparation. Develops proficiency in aseptic technique, spectrophotometry, and electrophoresis. (Same course as BIOL M011A) Applies to Associate Degree. Transfer Credit: CSU; UC

BIOT M02A Environmental Control & Process Support _____ 2.00 Units

Skills training in Industrial Biotechnology with emphasis on manufacturing of biopharmaceuticals. Presents an overview of the manufacturing process and introduces environmental control and process support with a focus on Good Laboratory Practices (GLP) / Good Manufacturing Practices (GMP), clean room procedure, monitoring techniques, and required documentation. (Same course as BIOL M12A) Applies to Associate Degree. Transfer Credit: CSU

BIOT M02C Cell Culture and Microbial Fermentation _____ 2.00 Units

Provides skills training in Industrial Biotechnology with emphasis on manufacturing pharmaceuticals. Introduces cell culture and microbial fermentation. Focuses on bacterial techniques, microbial assessment, mammalian cell culture, bioreactor fermentation, and media preparation. Compares small and large industrial scale cell culture. (Same course as BIOL M12C) Applies to Associate Degree.

BOTANY

BOT M06 Plants and Society _____ 3.00 Units

Introduces basic concepts related to plant structure, function, genetics, evolution, and domestication. Examines the economic, aesthetic, and ecological roles of plants, and considers the role of plants as a force in shaping civilizations. Stresses the importance of plants and plant products in everyday life, as well as their ritualistic and pharmacological uses. Presents basic scientific principles and techniques using examples from plants and their products to gain an understanding of science and its value in today's society. Applies to Associate Degree. Transfer credit: CSU;UC.

BOT M06L Plants and Society Laboratory _____ 1.00 Unit

COREQUISITE: BOT M06

Emphasizes plant structure and function and studies some of the major plant products used in everyday life, such as starches, oils, fibers, spices and medicines. Surveys the major groups of economically important plants, including cereals, legumes, squash and others; and reviews the principles of genetics, evolution, and plant systematics. Introduces students to basic scientific principles and techniques using examples from plants and plant products. Applies to Associate Degree. Transfer credit: CSU; UC.

BUSINESS

BUS M01A Accounting Procedures I _____ 3.00 Units

RECOMMENDED PREPARATION: MATH M09 and BUS M28 or ENGL M02

Covers the fundamentals of double-entry bookkeeping and the debit/credit method of recording transactions. Includes the full bookkeeping cycle from recording transactions to preparing financial statements. Emphasizes service enterprises operating as sole proprietorships. Required course for the Accounting Procedures Certificate of Achievement. Recommended preparation course for BUS M02A: Financial Accounting I. Applies to Associate Degree.

BUS M01B Accounting Procedures II _____ 3.00 Units

PREREQUISITES: BUS M01A

Continues the fundamentals of double-entry bookkeeping and the debit/credit method of recording transactions. Emphasizes merchandising enterprises operating as sole proprietorships. Includes purchases and sales of merchandise, inventory adjustments in both periodic and perpetual inventory systems, financial statements for merchandising enterprises, and expenditures for plant and equipment. Required course for the Accounting Procedures Certificate of Achievement. Applies to Associate Degree.

Some class offerings and room assignments may have changed since printing this schedule.

106 *Please see the web for the most up to date class - www.moorparkcollege.edu/htdocs/schedule*

BUS M02A Financial Accounting I _____ 3.00 Units
RECOMMENDED PREPARATION: *BUS M01A and BUS M30/ECON 30, and MATH M09, and BUS M28 or ENGL M02*
 Examines financial accounting from both the user and preparer perspectives, emphasizing public corporations. Explores what accounting is, why it is important, how it is used in making business decisions, and how to record and present information. Focuses on operating activities. Covers the accounting cycle, classified financial statements, information systems, internal control, and ethical issues. Complies with the California IMPAC (Intersegmental Major Preparation Articulated Curriculum) Project Accounting Committee recommendations. Applies to Associate Degree. Transfer credit: CSU; UC (BUS M02A combined with BUS M02B: maximum credit, one course) CAN: BUS 2 (BUS M02A + BUS M02B); BUS SEQ A (BUS M02A + BUS M02B + BUS M02C)

BUS M02B Financial Accounting II _____ 3.00 Units
PREREQUISITES: *BUS M02A*

Continues examining financial accounting related primarily to public corporations. Focuses on investing and financing activities. Explores long-term asset acquisition/use, short and long-term debt, stockholders equity, intercompany investments, preparation and use of the Statement of Cash Flows, and financial statement analysis. Complies with the California IMPAC (Intersegmental Major Preparation Articulated Curriculum) Project Accounting Committee Recommendations. Applies to Associate Degree. Transfer credit: CSU; UC (BUS M02B combined with BUS M02A: maximum credit, one course) CAN: BUS 2 (BUS M02A + BUS M02B); BUS SEQ A (BUS M02A + BUS M02B + BUS M02C)

BUS M02C Managerial Accounting _____ 3.00 Units
PREREQUISITES: *BUS M02A and BUS M02B (NOTE: BUS M02B may be taken concurrently)*

Examines how managers use accounting information in decision-making, planning, directing operations, and controlling. Focuses on cost terms and concepts, cost behavior, cost structure, cost-volume-profit analysis, profit planning, standard costs, operational and capital budgeting, cost control, accounting for manufacturing costs, and ethics. Complies with the California IMPAC (Intersegmental Major Preparation Articulated Curriculum) Project Accounting Committee recommendations. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: BUS 4; BUS SEQ A (BUS M02A+M02B+M02C)

BUS M04 Personal Finance _____ 3.00 Units
RECOMMENDED PREPARATION: *BUS M28 or ENGL M02*

Covers the personal decision-making tools related to spending, saving, borrowing, and investing decisions that individuals make during their life. The course includes investing in stocks, bonds, real estate, money management, career planning, consumer credit, banking services, housing, insurance, income taxes, and planning for retirement. The course provides the information and decision-making tools needed to plan and implement successful personal financial planning activities. Applies to Associate Degree. Transfer credit: CSU

BUS M05 Fundamentals of Investing _____ 3.00 Units
RECOMMENDED PREPARATION: *BUS M04*

Introduces investment planning and strategy to those with little or no familiarity with investing. Covers the fundamentals of structuring a portfolio to minimize risk and earn an acceptable rate of return. Explores the basics involved in allocating funds available for investment between stocks, bonds, real estate, mutual funds, money market instruments, commodities, and cash. Includes different styles of investments such as income, growth, and momentum. Applies to Associate Degree. Transfer credit: CSU

BUS M08 Accounting with QuickBooks _____ 3.00 Units
PREREQUISITES: *BUS M01A or BUS M02A*

Introduces the use of QuickBooks in a computerized accounting system. Reinforces basic accounting concepts and procedures and their relationship to QuickBooks. Provides hands-on experience including setting up a new company. (Same course as CIS M18.) Applies to Associate Degree.

BUS M28 Business English _____ 3.00 Units

Develops fundamentals and mechanics of business English usage, reviewing grammar, sentence structure, punctuation, proofreading, and written expression. Provides background for writing business letters and reports. Applies to Associate Degree. Transfer credit: CSU

BUS M30 Introduction to Business and Economics _____ 3.00 Units
RECOMMENDED PREPARATION: *BUS M28 or ENGL M02*

Examines the basic concepts of business and the application of economic principles to the operation of business. Explores economic systems, global markets, ethics, entrepreneurship, management, human resources, marketing, accounting, finance, securities markets, money supply, the impact of information technology on business, and personal financial planning. (Same course as ECON M30.) Applies to the Associate Degree. Transfer credit: CSU; UC.

BUS M31 Introduction to Management _____ 3.00 Units
RECOMMENDED PREPARATION: *BUS M30/ECON M30 and BUS M28 or ENGL M02*

Examines the fundamental concepts of management as applied to the performance of organizations, teams, and individuals. Addresses topics such as strategic planning, organizational design, the evolving role of management, leadership, and business ethics in the context of a changing and multi-cultural/international environment.

Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU

BUS M32 Small Business Management _____ 3.00 Units
RECOMMENDED PREPARATION: *BUS M30/ECON M30 and BUS M28 or ENGL M02*

Focuses on establishing and managing a small business, with emphasis on planning, financing, staffing, marketing, site selection, budgeting, legal concerns, and regulatory issues. Considers the rewards and perils of owning a business. The Child Development Permit of Title 5 ECE/CD programs requires this course for Site Supervisors (Option 1) and Program Directors. (Same course as Child Development M25: Administration in ECE 2.) Applies to Associate Degree. Transfer credit: CSU

BUS M33 Business Law _____ 3.00 Units
RECOMMENDED PREPARATION: *BUS M28 or ENGL M02*

Examines the fundamental legal principles pertaining to business transactions. Focuses on contract law. Explores the origins of legal systems and procedures, including torts, basics of criminal law, sales and leases, agency, and ethics. Applies to Associate Degree. Transfer credit: CSU; UC (BUS M33 and BUS M34 combined: maximum credit, one course) CAN: BUS 8

BUS M35 Sales Techniques _____ 3.00 Units
RECOMMENDED PREPARATION: *BUS M30/ECON M30 and BUS M28 or ENGL M02*

Introduces principles of personal selling, including strategies for long-term selling relationships. Focuses on adaptive selling techniques, prospecting, handling objectives, gaining commitment, negotiation, and closing the sale. Applies to Associate Degree. Transfer credit: CSU.

BUS M37 Marketing _____ 3.00 Units
RECOMMENDED PREPARATION: *BUS M30/ECON M30 and BUS M28 or ENGL M02*

Introduces basic concepts and practices of modern marketing, including building customer relationships, strategic planning, market research, buyer behavior, market segmentation, target marketing, new product development, pricing, channels of distribution, retailing, integrated marketing communication, global marketing, marketing in the Internet Age, and ethics. Applies to Associate Degree. Transfer credit: CSU.

BUS M38 Advertising _____ 3.00 Units

RECOMMENDED PREPARATION: BUS M30/ECON M30 and BUS M37 and BUS M28 or ENGL M02

Examines the role of advertising in business and introduces an integrated approach to market communications. Analyzes the various forms of communication including print, radio and broadcast advertising, sales promotion, public relations, and direct response marketing. Explores influences on the consumer audience as well as basic strategies for research, media planning and buying, ad creation, and the role of advertising agencies. Applies to Associate Degree. Transfer credit: CSU.

BUS M39 Business Communications _____ 3.00 Units

RECOMMENDED PREPARATION: BUS M28 or ENGL M01 or ENGL M02 and Word processing skill

Introduces effective business communications skills by preparing and analyzing business letters, reports, and oral presentations. Emphasizes gathering, organizing, analyzing, and presenting information for decision making, interviewing and negotiating in a multicultural arena. Applies to Associate Degree. Transfer credit: CSU.

BUS M51 Human Resources Management _____ 3.00 Units

RECOMMENDED PREPARATION: BUS M30 and BUS M28 or ENGL M02

Examines how to obtain and develop an efficient work force. Includes human resource planning, recruitment, selection, placement, training, development, evaluation, termination, benefits, and safety issues. Applies to Associate Degree. Transfer credit: CSU

CHEMISTRY

CHEM M01A General Chemistry I _____ 6.00 Units

PREREQUISITES: CHEM M12 or one year of high school chemistry and MATH M03

Introduces atomic theory and stoichiometry; thermochemistry; quantum theory and electronic structure of atoms; chemical bonding and molecular structure; physical behavior of gases; states of matter and phase equilibria; solutions; titrations and qualitative analysis. Lab provides use of analytical balance; spectroscopy; gravimetric and volumetric analysis; stoichiometry; thermochemistry; solutions; titrations; qualitative analysis; colligative properties and distillations. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A.CAN: CHEM 2, CHEM SEQ A (CHEM M01A+M01B).

CHEM M01B General Chemistry II _____ 6.00 Units

PREREQUISITES: CHEM M01A and MATH M05

Introduces phase equilibria; equilibria in gases and solutions; thermodynamics; chemical kinetics; precipitation reactions; acids and bases; complex ions; oxidation-reduction and electrochemistry; quantitative and qualitative analysis; and nuclear chemistry. Lab reviews equilibria; thermodynamics; chemical kinetics; electrochemistry; titrations and qualitative analysis. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A. CAN: CHEM 4, CHEM SEQ A (CHEM M01A+M01B).

CHEM M07A General Organic Chemistry I _____ 5.00 Units

PREREQUISITES: CHEM M01B

Focuses on molecular structure, chemical and physical properties, and the preparation and reactivity of organic molecules with an emphasis on reaction mechanisms, synthesis, structure determination and applications. Laboratory experience involves using the appropriate methods, techniques, and instrumentation for the synthesis, purification and identification of organic compounds discussed in the lecture portion. (This is the first semester of a one-year course to fulfill the organic chemistry requirements of those majors requiring a full year of organic chemistry.) Applies to Associate Degree. Transfer credit: CSU; UC (CHEM M07A and CHEM M08/M08L combined: maximum credit, 6 units) IGETC AREA 5A.

CHEM M07B General Organic Chemistry II _____ 5.00 Units

Continues the study of functional groups such as carboxylic acids and their derivatives; carbonyls, amines and aromatics. Emphasizes reaction mechanisms, synthesis, and structure determination using nuclear magnetic resonance and infrared spectroscopy. Also introduces aspects of biochemistry including the study of proteins, carbohydrates, and nucleic acids. Laboratory experience involves multi-step synthetic routes, chromatography, and applications of basic techniques. Applies to Associate Degree. Transfer Credit: CSU, UC.

CHEM M11 Foundations of General, and Organic and Biochemistry _____ 5.00 Units

General, organic, and biological chemistry with an emphasis placed on medical applications; designed for students who are allied health science majors. General chemistry topics include the modern view of the atom, molecules, chemical compounds, reactions, and calculations. Organic and biochemistry topics include hydrocarbons, alcohols, aldehydes and ketones, amines, carboxylic acids and their derivatives, carbohydrates, lipids, proteins, nucleic acids, and metabolism. This course is not intended for students planning to take Chemistry M01A. Applies to Associate Degree. Transfer credit: CSU;UC IGETC AREA 5A.

CHEM M12 Introductory Chemistry I _____ 5.00 Units

PREREQUISITES: MATH M01

Introduces basic principles of inorganic chemistry with reference to measurement, chemical nature of matter and energy, atomic theory, elements and compounds, periodic table, bonding, molecular structure, nomenclature, chemical reactions, equations, and calculations. Course fulfills prerequisites for CHEM M01A and CHEM M13. Applies to Associate Degree. Transfer credit: CSU; UC (no credit if taken after CHEM M01A). IGETC AREA 5A. CAN: CHEM 6, CHEM SEQ B (CHEM M12+M13).

CHICANO STUDIES

CHST M02 Chicano Culture _____ 3.00 Units

Focuses on the social and cultural heritage of Middle American Chicano civilizations from the Spanish conquest to the present, emphasizing contributions in the fine arts, literature, and oral history. (Same course as ANTH M04.) Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4A, 4C

CHST M04 History of Mexican Americans in the United States _____ 3.00 Units

xperience from colonial beginnings to the present. Emphasizing the history of Mexican Americans. Examines the changing roles and contributions of Mexican Americans in the context of the social, political, and economic history of the United States. (Same course as HIST M04.) Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4C, 4F.

CHILD DEVELOPMENT

CD M01 Intro to Careers in ECE _____ 1.00 Unit

Focuses on the vast array of career options that are available to the Child Development major. Career information and educational requirements, educational services, the child development permit matrix and exploration of the early childhood career lattice will be reviewed. Applies to Associate Degree. Transfer credit: CSU

Some class offerings and room assignments may have changed since printing this schedule.

108 *Please see the web for the most up to date class - www.moorparkcollege.edu/htdocs/schedule*

- CD M02 Human Development _____ 3.00 Units
Presents a study of child growth and development from conception through adolescence within the family and cultural context. Includes focus on physical, cognitive and psychosocial development, both typical and atypical. Students will be introduced to theories, theorists, research and applications through discussion, observation and writing assignments. Applies to Associate Degree. Transfer credit: CSU; UC (CD M02 combined with PSY M07: maximum credit, one course). IGETC AREA 4I. CAN: FCS 14.
- CD M03 Child, Family & Community _____ 3.00 Units
Study of environmental influences on children and families. The core components will include socialization over the lifespan; status of children in society; diverse family structures; family interpersonal relationship; schools and other educational opportunities and mass media influences. Will also include influences of age, gender and ability, race, culture, ethnic and socio-economic factors; parenting styles and social challenges related to children and families. Students will explore the impact of violence and abuse on children and the family and public policy issues relating to children and families. Applies to Associate Degree. Transfer credit: CSU. CAN: FCS 24
- CD M04 Practicum 1 - Observation _____ 1.50 Units
COREQUISITE: CD M04L
RECOMMENDED PREPARATION: Completion of or concurrent enrollment in CD M02.
Introduces child observation techniques appropriate for infants through school age, based on the study of the theories of Human Development and current California State Department of Education assessment tools. Requires use of specific observation tools to observe children's development and their interactions with adults, children, materials, and activities. Applies to Associate Degree. Transfer credit: CSU
- CD M04L Practicum 1 Lab _____ 0.50 Units
COREQUISITE: CD M04L
RECOMMENDED PREPARATION: Completion of or concurrent enrollment in CD M02.
Clarifies observation techniques presented in CD M04. Requires use of specific observation tools to observe children's development and their interactions with adults, children, materials, and activities leading to completion of a variety of observation formats and a child case study. Observations must be done in the campus Child Development Center. Applies to Associate Degree. Transfer credit: CSU
- CD M05 Equity Issues in ECE _____ 3.00 Units
Explore personal prejudices and biases through the examination of the principles of equity in the areas of family lifestyles, economics, gender, special needs and culture/ethnicity. Applies to Associate Degree. Transfer credit: CSU
- CD M07 Music in ECE _____ 3.00 Units
RECOMMENDED PREPARATION: CD M02
Introduces creative movement, dance, rhythm, and song as essential components of the physical, social, emotional, creative and cognitive development of young children. Focuses on critical analysis of developmentally appropriate activities and appreciation of diversity. Encourages integration and application of music throughout the curriculum. Applies to Associate Degree. Transfer credit: CSU
- CD M09 Science and Math in ECE _____ 3.00 Units
RECOMMENDED PREPARATION: CD M02
Introduces theoretically sound and developmentally appropriate science and math curriculum. Emphasizes the facilitation of the inquiry approach to experiencing science and math as well as the development and evaluation of curricular materials. Applies to Associate Degree. Transfer credit: CSU
- CD M10 Language Arts in ECE _____ 3.00 Units
RECOMMENDED PREPARATION: CD M02
Introduces current research in children's literature and language arts and demonstrates theoretical classroom applications. Emphasizes evaluation of developmentally appropriate experiences and materials that support language as a tool allowing communication, creativity, and logical thinking. Applies to Associate Degree. Transfer credit: CSU
- CD M11 Programs: Preschool _____ 3.00 Units
RECOMMENDED PREPARATION: CD M01, CD M02
Reviews history and philosophies of early childhood education, introducing developmentally appropriate practices, career paths, teacher's role, learning theories, classroom environment and management, curriculum development and lesson plans. Applies to Associate Degree. Transfer credit: CSU
- CD M12 Practicum 2 - Participation _____ 2.00 Units
PREREQUISITES: CD M04 and CD M04L (may be concurrent) both with a minimum grade of C
COREQUISITES: CD M12L, all with a minimum grade of C
RECOMMENDED PREPARATION: CD M02, CD M11 all with a minimum grade of C
Further expands procedures and practices for teaching young children in a range of settings: family day-care, pre-schools, center-based childcare or Head Start Centers. Offers practical experience applying theories of human development while teaching in the Child Development Center. Requires proof of negative TB clearance. Applies to Associate Degree. Transfer credit: CSU
- CD M12L Practicum 2 - Lab _____ 1.00 Unit
PREREQUISITES: CD M04 and CD M04L (may be concurrent)
COREQUISITE: CD M12
RECOMMENDED PREPARATION: CD M02
Application of procedures and practices presented in CD M12. Stresses specific teaching techniques leading to the completion of student teaching assignments in the Child Development Center. May be taken two (2) times for credit. Requires proof of negative TB clearance. Applies to Associate Degree. Transfer credit: CSU
- CD M13 Practicum 3 - Preschool _____ 3.00 Units
PREREQUISITES: CD M02, CD M04, CD M04L, CD M12 and CD M12L all with a minimum grade of C
Expands knowledge of procedures and practices for teaching and assessing young children through guided student teaching in a Title 22 or Title 5 licensed preschool. Requires 56 hours per semester of student teaching in a community program. Requires proof of negative TB clearance. Applies to Associate Degree. Transfer credit: CSU
- CD M16 Behavior Management _____ 3.00 Units
RECOMMENDED PREPARATION: CD M02
Introduces characteristics of children with behavioral challenges and behavior management techniques. Difficult behaviors encountered by those working with children as well as techniques to cope and solve these behavior difficulties will be included. Applies to Associate Degree. Transfer credit: CSU

- CD M17 Practicum 4 Infant/Toddler _____ 3.00 Units
PREREQUISITES: CD M02, CD M04, CD M04L and CD M15 all with a minimum grade of C
RECOMMENDED PREPARATION: CD M23 with a minimum grade of C
 Expands knowledge of procedures and practices for providing care and assessing infants and toddlers through guided student teaching in a Title 22 or Title 5 licensed childcare or family childcare center. Requires 56 hours per semester of student teaching in a community program. Requires proof of negative TB clearance. Applies to Associate Degree. Transfer credit: CSU
- CD M20 Practicum 5 - School Age _____ 3.00 Units
PREREQUISITES: CD M02, CD M04, CD M04L and CD M19 all with a minimum grade of C
RECOMMENDED PREPARATION: CD M16 with a minimum grade of C
 Expands knowledge of procedures and practices for teaching and assessing young children through guided student teaching in a school age setting. Requires 56 hours of student teaching in a community program. Requires proof of negative TB clearance. Applies to Associate Degree. Transfer credit: CSU
- CD M23 Nutrition, Health & Safety _____ 2.00 Units
RECOMMENDED PREPARATION: CD M02
 Explores health protection and resources provided by the home, school, and community, emphasizing prevention of infectious disease, preventative health practices, prevention policies, injury prevention, disaster preparedness, nutrition, child abuse identification and prevention, children with special needs, and care of the mildly ill child. Complies with legal statutes. Requires an additional course in pediatric first aid and pediatric CPR to fully meet statute. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 30 contact hours. Applies to Associate Degree. Transfer credit: CSU
- CD M24 Administration in ECE 1 _____ 3.00 Units
PREREQUISITES: CD M02, CD M03, CD M11, and one of the following: CD M06, CD M07, CD M08, CD M09, or CD M10 all with a minimum grade of C
 Introduces principles and practices of administering a child development program, emphasizing administrative needs; personnel and staffing parameters; parent/teacher relations and education; licensing requirements; professional development; specific personnel management skills; and communication. Course required by the Child Development Permit - Site Supervisors (Title 5) and Program Director (Title 22). Applies to Associate Degree. Transfer credit: CSU
- CD M25 Administration in ECE 2 _____ 3.00 Units
PREREQUISITES: CD M02, CD M03, CD M11, and one of the following: CD M06, CD M07, CD M08, CD M09, or CD M10 (all with a minimum grade of C)
 Focuses on establishing and managing a small business, with emphasis on planning, financing, staffing, marketing, site selection, budgeting, legal concerns, and regulatory issues. Considers the rewards and perils of owning a business. The Child Development Permit of Title 5 ECE/CD programs requires this course for Site Supervisors (Option 1) and Program Directors. (Same course as BUS M32: Small Business Management.) Applies to Associate Degree. Transfer credit: CSU
- CD M28 Children with Special Needs _____ 3.00 Units
PREREQUISITES: CD M02
 Study includes curriculum adaptations, inclusion, the referral process, community resources, family-service provider-teacher/caregiver collaboration, psychological implications of being a child with special needs and laws that pertain to working with this population. Applies to Associate Degree. Transfer credit: CSU
- CD M60A Toddler Program _____ 1.50 Units
 Provides an environment to study and observe toddlers in a naturalistic setting. Focuses on adult-toddler relationships, developmental stages, issues, concerns, and developmentally appropriate practices. Registration of children for this class is done through the Child Development Center. All children must meet California immunization guidelines. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU
- CD M60N Parent Conferencing _____ 1.00 Unit
 An introduction to effective conferencing techniques between parents, teachers or caregivers. Includes the impact of significant adults in the lives of children and developing a positive working relationship. Applies to Associate Degree. Transfer credit: CSU
- CD M80 Internship in Child Development _____ 1.00 to 4.00 Units
PREREQUISITES: Completion of or concurrent enrollment in one course in the discipline.
 Provides on-the-job learning to enhance coursework under the direct supervision of faculty and industry supervisors. Both supervisors provide feedback and written evaluations. Some meetings and workshops may be required as part of the course. To take this course, contact the Internship Office: Call (805) 378-1536. May be taken four (4) times for credit. (Same course as WEXP M20.) Applies to Associate Degree. Transfer credit: CSU

COLLEGE STRATEGIES

- COL M01 College Strategies _____ 3.00 Units
 Develops each student's comprehensive learning profile, applying it to the construction and implementation of educational, career and life goals. Emphasizes independent critical thinking skills, appropriate use of available resources and effective strategies for academic success. Applies to Associate Degree. Transfer credit: CSU; UC
- COL M02 College Individual Tutoring _____ 1.00 Unit
 An introduction to the methods of individual tutoring with an emphasis on learning theories and tutoring methodology. Applies to Associate Degree. Transfer credit: CSU
- COL M04 College Leadership and Student Mentoring _____ 1.00 Unit
 Introduces leadership and mentoring skills to college students. Discusses student development theory and its application to leadership and mentoring. Applies to Associate Degree. Transfer credit: CSU

Some class offerings and room assignments may have changed since printing this schedule.

COMPUTER INFORMATION SYSTEMS

- CIS M11** Basic Computer Keyboarding _____ 1.00 Unit
Introduces basic keyboarding techniques, emphasizing speed and accuracy to 20 words per minute. Works in a custom-designed program in Microsoft Word. No previous computer/typewriter experience required. Not recommended for those who have taken a previous typing/keyboarding class. Can receive credit in CIS M10 or CIS M11, not both. May be taken two (2) times for credit. Applies to Associate Degree.
- CIS M12** Intermediate Computer Keyboarding _____ 1.00 Unit
PREREQUISITES: CIS M10 or CIS M11 or ability to type 20 wpm
Introduces students to figure and symbol skills and develops speed and accuracy through a custom-designed program in Microsoft Word. Applies to Associate Degree.
- CIS M13** Computer Keyboarding / Speed Building _____ 1.00 Unit
PREREQUISITES: CIS M12 or the ability to type 35 wpm
Emphasizes continued development of speed and accuracy through a programmed series of timings and drills customized to individual needs. Grade based on improvement. May be taken two (2) times for credit. Applies to Associate Degree.
- CIS M14** 10-Key Mastery on the Computer _____ 1.00 Unit
Builds mastery of the numeric keyboard and develops speed and accuracy for data entry as well as spreadsheet and database applications in a work environment. Applies to Associate Degree.
- CIS M15** Introduction to the Personal Computer _____ 1.50 Units
PREREQUISITES: CIS M11
Introduces computer terminology and concepts, emphasizing software installation, computer system expansion, computer purchase, and e-mail/Internet use. May be taken three (3) times for credit. Only offered credit/no-credit. Applies to Associate Degree.
- CIS M16** Introduction to Information Systems _____ 4.00 Units
RECOMMENDED PREPARATION: CIS M11
Covers history, development and application of information processing systems with emphasis on the microcomputer. It includes an overview of applications of computer programs in solving business programs. Includes hands-on experience in solving problems, design of program logic, and the writing and execution of programs using the Visual Basic language. Also provides hands-on experience with the major microcomputer business applications; word-processing, spreadsheets, and computerized database management. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU, UC (CIS M16 combined with CS M01 or CS M10A: maximum credit, 4.00 Units). CAN: CSCI 2
- CIS M17** Introduction to Windows _____ 1.50 Units
RECOMMENDED PREPARATION: CIS M15
Introduces the Windows operating system, emphasizing running programs, entering/moving data, and performing DOS-related tasks. Includes program and file management using Explorer, Paint and WordPad. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU
- CIS M18** Accounting with QuickBooks _____ 3.00 Units
PREREQUISITES: BUS M01A or BUS M02A
Introduces the use of QuickBooks in a computerized accounting system. Reinforces basic accounting concepts and procedures and their relationship to QuickBooks. Provides hands-on experience including setting up a new company. (Same course as BUS M08.) Applies to Associate Degree.
- CIS M20** Microsoft Word Part 1 _____ 1.50 Units
Introduces Microsoft Word. Topics include creating and editing, fonts and symbols, formatting newspaper columns, spelling and grammar, headers and footers, page numbering, and searching on the Internet. Prepares student for the Microsoft Office User Specialist (MOUS) exam (Core Level). May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU
- CIS M21** Microsoft Word Part 2 _____ 1.50 Units
PREREQUISITES: CIS M20
Introduces advanced topics in Microsoft Word, including borders and shading; merging documents; sorting text; table and indexes; macros; fill-in forms; and working with clip art. Prepares students for the Microsoft Office User Specialist (MOUS) exam (Expert Level). May be taken three (3) times for credit. Applies to Associate Degree. Transfer Credit: CSU
- CIS M24** Microsoft Excel Part 1 _____ 1.50 Units
PREREQUISITES: CIS M17
Introduces basics of an electronic spreadsheet, working with Excel's desktop environment. Emphasizes how to enter data, select commands, move the cell cursor around the worksheet, get help, save a worksheet in a workbook file, and print a range of data. Prepares student for the Microsoft Office user Specialist (MOUS) exam (Core Level). May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU
- CIS M25** Microsoft Excel Part 2 _____ 1.50 Units
PREREQUISITES: CIS M24
Develops advanced spreadsheet tools for managing data and making financial decisions. Emphasizes using macros, database functions, data tables, PivotTable reports, and report management. Prepares student for the advanced level of the Microsoft Office User Specialist (MOUS) exam. May be taken three (3) times for credit. Applies to Associate Degree. Transfer Credit: CSU
- CIS M26A** Microsoft Access I _____ 1.50 Units
PREREQUISITES: CIS M17
Introduces designing and building an Access database, using Microsoft Windows. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit; CSU.
- CIS M26B** Microsoft Access II _____ 1.50 Unit
PREREQUISITES: CIS M26A
Introduces advanced topics in working with Access, including creating advanced queries and custom forms, customizing reports, integrating Access with other programs, working with HTML documents and data access pages, applying Macros, and writing Visual Basic for applications code. Prepares student to pass the Microsoft Office User Specialist Expert-Level Examination. Applies to Associate Degree. Transfer credit; CSU.
- CIS M28** Microsoft Office _____ 3.00 Units
Introduces Microsoft Windows, Word, Excel, and PowerPoint, emphasizing integration features and advanced OLE technology. May be taken three (3) times for credit. Applies to Associate Degree.

CIS M30	Web Page Design I _____	1.50 Units
RECOMMENDED PREPARATION: CIS M17		
Provides the fundamentals of HTML (Hypertext Markup Language) programming to design Web pages, exploring personal Internet and business Intranet environments. Applies to Associate Degree. Transfer credit: CSU		
CIS M31	Web Page Design II _____	1.50 Units
PREREQUISITES: CIS M30		
Introduces intermediate concepts of web design using HTML (Hyper Text Markup Language) programming, XML (Extended Markup Language), and CGI (Common Gateway Interface) Scripting. Requires creation of custom Web pages for personal Internet and business Intranet environments. Applies to Associate Degree. Transfer Credit: CSU CIS M40 -- 4.00 Units		
CIS M40	Visual BASIC I _____	4.00 Units
PREREQUISITES: CIS M16		
RECOMMENDED PREPARATION: CIS M16		
Windows programming environment using Visual Basic. Includes an overview of Windows and provides an introduction to Object-Oriented, Event-driven programming. Topics include forms, controls, event procedures, properties, methods, files and graphics, the user interface, managing projects, proper program design and structure and flow control. Provides some basic understanding of and experience in the development and use of error handling and debugging procedures. Applies to Associate Degree. Transfer credit: CSU: UC. CAN: CSCI 6		
CIS M41	Visual BASIC II _____	4.00 Units
PREREQUISITES: CIS M40		
RECOMMENDED PREPARATION: CIS M16		
Second in a two -course sequence of instruction in programming in a Windows environment using Microsoft Visual Basic. Builds on the understanding of syntax and procedures learned in the first course, requiring the student to develop more complex and advanced programs. Concentrates on more advanced aspects of Visual Basic programming, including: accessing databases with Visual basic, Object Linking and embedding (OLE), creating ActiveX applications, creating custom Visual Basic user controls, etc. Applies to Associate Degree. Transfer credit: CSU: UC		

COMPUTER NETWORK SYSTEMS ENGINEERING

CNSE M01	Introduction to Networking and Telecommunications Local and Wide Area Network _____	4.00 Units
Provides an overview of the Computer Networking and Telecommunications. Topics on computer networking include: network topologies, carrier signals, cable types, protocols, the Open Systems Interconnection (OSI) Layer, networking components, and Local Area Network (LAN) versus Wide Area Network (WAN) environments. Topics on telecommunications cover the telecommunications industries, local exchange functions, customer-premise equipment, and telephony services. (Formerly CNSE M10) Applies to Associate Degree. Transfer credit: CSU		
CNSE M05	Fundamentals of Computer Networking _____	4.00 Units
RECOMMENDED PREPARATION: Student should have knowledge and skills in accessing the internet and basic computer skills such as using word processor and email.		
In-depth introduction of current networking hardware and software along with the skills necessary to succeed in the dynamic field of networking. Includes networking fundamentals such as the networking standards and OSI (Open Systems Interconnection) model, transmission basics, network protocols, topologies and access methods, network operating systems, and troubleshooting and network security. Applies to Associate Degree. Transfer credit: CSU.		
CNSE M06	Fundamentals of IT Essentials _____	4.00 Units
Provides an in-depth introduction of the computer hardware and operating systems. The functionality of hardware and software components, as well as suggested best practices in maintenance and safety issues are covered. Through hands on activities and labs, students learn how to assemble and configure a computer, install operating systems and software, and troubleshoot hardware and software problems. In addition, an introduction to networking is included. Helps students prepare for Comp TIA's A+ certification and Cisco Certified Network Associate program. Applies to the Associate Degree. Transfer credit: CSU		
CNSE M12	Telecommunication Cabling Installation _____	3.00 Units
PREREQUISITE: CNSE M05		
RECOMMENDED PREPARATION: CNSE M15 or CNSE M18		
Provides intensive training on telecommunication cabling installation. Topics covered include: cable termination, cable testing, cable troubleshooting, common safety practices, fire-stopping, grounding and bonding, plans and specification, pulling cable, standards, codes, and methodologies, splicing cable, structure premises cabling systems, retrofits and system upgrades, and transmission fundamentals. Prepares students for Building Industry Consulting Service International (BICSI) Installer Level 1 certification. Applies to Associate Degree. Transfer credit: CSU		
CNSE M13	Internetworking and TCP/IP _____	4.00 Units
PREREQUISITES: CNSE M05 or CNSE M05A and CNSE M05B		
This course offers two of the 8 networking fundamental courses in 3Com NetPrep program. It is an introduction to TCP/IP networking architectures and internetworking devices such as bridges, switches, and routers. Topics include the use of internetworking components as well as concepts in network management and component selection. Applies to Associate Degree. Transfer credit: CSU		
CNSE M18	Cisco System Computer Networking 1 and 2 _____	4.00 Units
RECOMMENDED PREPARATION: CNSE M05, CNSE M06		
This course provides intermediate level instruction in computer basics, Local Area Networks, the 7-layer OSI (Open System Interconnection) model, signaling and structures cabling; and design and documentation. It will also cover WANs (Wide Area Networks), Router configuration, Cisco IOS (Inter-network Operating System) images, TCP/IP (Transmission Control Protocol/Internet Protocol), IP (Internet Protocol) addressing, and routing protocols. First semester course in a series to provide Cisco System Network Associate (CCNA) certificate training and covers the first half of CCNA preparation. (Formerly CNSE M11 and CNSE M15). Applies to Associate Degree. Transfer credit: CSU		
CNSE M19	Cisco System Computer Networking 3 and 4 _____	4.00 Units
PREREQUISITES: CNSE M18 or CNSE M15		
This course provides intermediate level instruction in the OSI (Open System Interconnection) reference model and routing, LAN (local area network) switching, VLANs (virtual local area networks), Routing Protocols: IGRP (Interior Gateway Routing Protocol), access control lists (ACLs), and network management. It will also cover WANs (wide area networks), WANs design, point-to-point protocol (PPP), integrated services digital network (ISDN), frame relay, and network management. Second semester course in a series to provide Cisco System Network Associate (CCNA) certificate training and covers the second half of CCNA preparation. (Formerly CNSE M16 and CNSE M17). Applies to Associate Degree. Transfer credit: CSU		

Some class offerings and room assignments may have changed since printing this schedule.

112 Please see the web for the most up to date class - www.moorparkcollege.edu/htdocs/schedule

CNSE M30 MS Windows Administration _____ 3.00 Units

RECOMMENDED PREPARATION: CNSE M05

Provides in-depth, hands-on introduction to Microsoft Windows XP operating system administration. Covers creating and administering user and group accounts, network resources security, network printer server set-up and administration, resources and events auditing, and backup procedures. Applies to Associate Degree. Transfer credit: CSU

CNSE M31 MS Windows Network Server _____ 3.00 Units

RECOMMENDED PREPARATION: CNSE M30

Provides in-depth, hands-on introduction to Microsoft Windows Server 2003 technical support. Covers server installation; server environment configuration; and management on system policies, file system, partition, and fault tolerance. Also covers protocols configuration, remote access services implementation, internetworking and intranet- working, and troubleshooting. Applies to Associate Degree. Transfer credit: CSU

CNSE M40 MS Internet Security and Acceleration Server _____ 1.50 Units

PREREQUISITE: CNSE M31 or CNSE M71

Provides the knowledge and skills to deploy and manage Microsoft Internet Security and Acceleration (ISA) Server 2000 in an enterprise environment. Topics include: application of ISA Server as a cache server and as an enterprise firewall; installation and configuration of ISA Server as a cache server and as a firewall; configuration of access policies to enable security-enhanced Internet access for client computers; configuration of ISA Server as a virtual private network (VPN); configuration of access to selected internal resources; ISA Server activities monitor by using alerts, logging, reporting, and real-time monitoring; and installation and configuration of ISA Server for an enterprise environment. Applies to Associate Degree. Transfer credit: CSU

CNSE M43A MS Windows Network Infrastructure Administration _____ 3.00 Units

PREREQUISITES: CNSE M31

Prepares students to install, manage, monitor, configure, and troubleshoot Domain Name System (DNS), Dynamic Host Configuration Protocol (DHCP), Remote Access, Network Protocols, Internet Protocol (IP) Routing, and Windows Internet Name Service (WINS) in a Windows server network infrastructure. In addition, provides training required to manage, monitor, and troubleshoot Network Address Translation and Certificate Services. Adopts the most current Windows server technology. Prepares students for Microsoft exam. (Formerly CNSE M43). Applies to Associate Degree. Transfer credit: CSU.

CNSE M43B Infrastructure Planning and Maintaining an MS Windows Network Infrastructure _____ 3.00 Units

Prepares students to plan, implement, and maintain a networking infrastructure. Also prepares students to plan Transmission Control Protocol/Internet Protocol (TCP/IP) network infrastructure, topology, and Internet connectivity; configure server roles and baseline security setting; plan name resolution, routing, and remote access strategies; maintain server availability with clusters and network load balancing; deploy Internet Protocol Security (IPSec), harder servers, and manager certificate; and design and administer a security infrastructure. Adopts the most current Windows server technology. Applies to Associate Degree. Transfer credit: CSU.

CNSE M44 Designing a Windows Active Directory and Network Infrastructure _____ 3.00 Units

PREREQUISITES: CNSE M42 or CNSE M72

Prepares students to analyze an organizations business and technical requirements and design a Windows directory services infrastructure. The four-stage Active Directory infrastructure design process, including creating a forest plan, a domain plan, an organizational unit (OU), and a site topology plan will be practiced and an Active Directory implementation plan will be created. Supports the Microsoft Windows Certified Systems Engineer (MCSE) program and prepares students for Microsoft exam. Applies to Associate Degree. Transfer credit: CSU

CNSE M50 Fundamentals of Voice Over IP _____ 2.00 Units

PREREQUISITE: Basic networking skills including access-list creation, and command line router configuration.

RECOMMENDED PREPARATION: Router configuration experience; CNSE M18 or equivalent. Student should be familiar with: basic configuration experience with router command line syntax, how to configure features and configure interfaces, and creating and applying access-list statements.

Prepares the student with fundamental knowledge to configure, troubleshoot and implement Voice over IP using IP Telephony technologies. Prepares students for relevant certification exams. Applied to the Associate Degree. Transfer credit: CSU

CNSE M55 Linux Networking and System Administration _____ 2.00 Units

RECOMMENDED PREPARATION: User level experience with any computer system, including use of mouse, use of menus and use of an graphical user interface.

Teaches the knowledge and skills needed to install, configure, operate, and manage the Linux operating system. It covers topics in (1) Linux system and network administration, (2) Linux network services, (3) Linux Internet services, (4) Linux system maintenance, and (5) security and problem solving. Prepare students for CompTia Linux+ certification examination. Applied to the Associate Degree. Transfer credit: CSU

COMPUTER SCIENCE

CS M10A Introduction to Computer Programming Using Structured C++ _____ 4.00 Units

PREREQUISITES: MATH M06 or MATH M07 or Equivalent

RECOMMENDED PREPARATION: CS M01 and basic computer usage knowledge

Introduction to computer programming languages. The basic components, syntax, and semantics of the C++ programming language are covered. Introduces basic programming concepts such as algorithms, data and control structures, documentation, structured programming, arrays, and pointers. Applies to Associate Degree. Transfer credit: UC (CS M10A combines with CIS M16 or CS M01: maximum credit, 4.00 Units). CAN: CSCI 16

CS M10B Object-Oriented Programming Using C++ _____ 4.00 Units

PREREQUISITES: CS M10A

In-depth understanding of the fundamentals of object-oriented programming methodology. Included are such concepts as encapsulation, classes, data and implementation hiding, message passing, inheritance, polymorphism, function overloading, operator overloading, parameterized functions, parameterized classes, virtual functions, exception handling, and an introduction to the Standard Template Library. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: CSCI 18

CS M10J Introduction to Computer Programming Using Java Fundamentals _____ 4.00 Units

PREREQUISITES: MATH M06 or MATH M07

RECOMMENDED PREPARATION: CS M01 and basic computer usage knowledge

An introduction to computer programming. The basic components, syntax, and semantics of the Java programming language are covered. Uses the Java computer language to introduce basic programming concepts such as algorithms, data and control structures, debugging, documentation, graphical user interface (GUI) and object oriented programming. Applies to Associate Degree. Transfer credit: CSU; UC

CS M10S Java Servlets Programming _____ 3.00 Units

PREREQUISITES: CS M10J.

RECOMMENDED PREPARATION: CS M11 and CS M10M.

An in-depth study on server-side programming. Topics include Http Servlets basics, Servlet lifecycle, sending HTML (Hypertext Markup Language) information, sending multimedia content, session tracking, security, database connectivity, applet-servlet communication, servlet collaboration, enterprise servlets and Java 2 Enterprise Edition (J2EE), Internationalization, the tea framework, Extensible Markup Language Compiler (XMLC), and JavaServer Pages. Applies to Associate Degree. Transfer credit: CSU; UC

CS M20 Object-Oriented Data Structure and Algorithm Design _____ 4.00 Units

PREREQUISITES: CS M10B

Applies object-oriented programming methods to abstract data types such as stacks, queues, trees, and graphs. Introduces concepts of pointer variables, linked lists, list processing, recursion, simulation, algorithm analysis and verification as well as more advanced algorithm designs such as greedy algorithms and dynamic programming. Applies to Associate Degree. Transfer credit: CSU, UC. CAN: CSCI 24

CS M30 Introduction to Computer Systems _____ 4.00 Units

PREREQUISITES: CS M10A or CS M10J

An introduction to basic computer architecture, assembly language programming, system software, and computer applications. Covers number systems, data representation, overview of operating systems, and internal organization of computers such as gates, combinational circuits, flip-flops, and the design and analysis of sequential circuits. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: CSCI 10

COUNSELING

COUN M01 Student Success _____ 1.00 Unit

Introduces to strategies, attitudes and skills that promote academic success. Identifies personal obstacles to academic success with emphasis on study skills, learning styles, time management, procrastination, goal setting, stress management, concentration, adjust to college, healthy living, and successful living, and successful relationships. Introduces campus student support and campus student support resources. Applies to Associate Degree. Transfer Credit: CSU.

COUN M02 Career Development _____ 3.00 Units

Introduces self-assessment tools to identify college majors and careers by clarifying interests, skills, values, and personality type. Reviews decision-making processes, labor market trends, career research, interviewing skills, resume and cover letter writing, application completion, job search strategies, including the Internet. Applies to Associate Degree. Transfer credit: CSU

COUN M02A Career Development-Choosing a Major and/or Career _____ 1.50 Units

Introduces self-assessment tools to identify college majors and career by clarifying interests, skills, values, and personality type. Reviews decision-making process, labor market trends, career research, and use of the internet in this process.(Formerly PG M02A) [COUN M02A and M02B equals COUN M02] Applies to Associate Degree. Transfer credit: CSU

COUN M03 Orientation to Moorpark College _____ 0.50 Unit

Introduces students to college services and requirements in order to help them define and achieve their educational goals. Under the guidance of a counselor, students will select those topics which best meet their personal educational needs. These can include but are not limited to: associate degree and transfer requirements, basics of time management, planning a career and major, financial aid and scholarship opportunities, using the college library, and other student services and workshops. Students will produce an Educational Plan at the conclusion of the course. Applies to Associate Degree.

COUN M60B Tools for Transfer _____ 0.50 Unit

RECOMMENDED PREPARATION: Completion of 30 transferable units

To facilitate a smooth transfer from Moorpark College to four year colleges and universities, provides information about timelines and application processes including essays for applications, applications for financial aid and scholarship applications, and resources in the Transfer Center, such as on-line articulation information. To be taken credit/no-credit only. Applies to Associate degree.

COUN M60C Self-Paced Career Assessment _____ 0.50 Unit

Introduces online and computer-based career self-assessment tools to identify and prioritize values, interests, skills, and personality attributes culminating in options in college majors and careers in an 8-hour, self-paced format. Includes intake and exit individual counseling/career consultations to strategize next steps congruent with individual goals and objectives. Applies to Associate Degree. Transfer credit: CSU.

COUN M60D Self-Paced Career Research _____ 0.50 Unit

Presents online and computer-based career research tools designed to assist students In evaluating and prioritizing career options. Research on specific careers and their correlating majors will culminate in first and second choices. Includes intake and exit individual counseling/career consultations to strategize next steps congruent with individual goals and objectives. Process will be completed in an 8-hour, self-paced format.

CRIMINAL JUSTICE

CJ M01 Introduction to Criminal Justice _____ 3.00 Units

Introduces the history and philosophy of criminal justice in America, reviewing system recapitulation; sub-system identification; role expectations and interrelationships; crime, punishment and rehabilitation theories; and ethics, education and training issues. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: AJ 2

CJ M02 Concepts of Criminal Law _____ 3.00 Units

Introduces the historical development and philosophy of law. Reviews constitutional provisions, definitions and classifications of crimes, and their application to the Criminal Justice System. Examines concepts of the law as a social force. Explores crimes against persons, property and the state as a social, religious and historical ideology. Employs legal research and review of case law methodology. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: AJ 4

CJ M03 Community Relations _____ 3.00 Units

RECOMMENDED PREPARATION: CJ M01

Explores the interrelationship and role expectations among the various agencies and the public, emphasizing the professional image of the Criminal Justice System and the development of positive relationships between the system and the public. Requires exploration of criminal justice practitioners and their agencies. Community Policing and its fundamentals will be emphasized. Applies to Associate Degree. Transfer credit: CSU; UC

- CJ M04 Legal Aspects of Evidence _____ 3.00 Units
RECOMMENDED PREPARATION: CJ M01 and CJ M02
 Introduces the origin, development, philosophy and constitutional basis of evidence, including constitutional and procedural considerations affecting arrest, search and seizure; kinds and degrees of evidence and rules governing admissibility; and judicial decisions interpreting individual rights. Applies to Associate Degree. Transfer credit: CSU. CAN: AJ 6
- CJ M05 Principles and Procedures of the Justice System _____ 3.00 Units
RECOMMENDED PREPARATION: CJ M01 and CJ M02
 Introduces the role and responsibilities of each segment within the Criminal Justice System: law enforcement, judicial, and corrections. Reviews each subsystem's procedures from initial entry to final disposition as well as the relationship each segment maintains with its system members. Applies to Associate Degree. Transfer credit: CSU
- CJ M06 Criminal Justice Report Writing _____ 3.00 Units
RECOMMENDED PREPARATION: ENGL M02
 Emphasizes the practical aspects of gathering, organizing, and preparing written reports for criminal justice activities on local, state and federal levels. Introduces techniques of communicating facts, information, and ideas effectively in a simple, clear and logical manner for various types of criminal justice system reports, letters, memoranda, directives and administrative reports appropriate for court presentation. Applies to Associate Degree. Transfer credit: CSU
- CJ M11 Criminal Investigation _____ 3.00 Units
RECOMMENDED PREPARATION: CJ M01 and CJ M02
 Introduces fundamentals of investigation including crime scene search and recording; collection and preservation of physical evidence; scientific aids and modus operandi; sources of information; interviews and interrogation; and follow-up and case preparation. Applies to Associate Degree. Transfer credit: CSU. CAN: AJ 8
- CJ M14 Juvenile Procedures _____ 3.00 Units
RECOMMENDED PREPARATION: CJ M01
 Focuses upon the organization, functions, and jurisdiction of juvenile agencies, including the processing and detention of juveniles; juvenile case disposition; and juvenile statutes and court procedures. Applies to Associate Degree. Transfer credit: CSU
- CJ M17 Anatomy of a Murder _____ 3.00 Units
RECOMMENDED PREPARATION: CJ M01 or CJ M11
 Examines the historical and contemporary analysis of criminal homicide. Use of case studies to examine the nature and extent of murder, including serial murder and sex crime related murder. Includes victimology, suspect profiling and investigative techniques and procedures for the identification, collection, preservation and presentation of evidence from a homicide crime scene.
- CJ M18 Narcotics Investigation _____ 3.00 Units
RECOMMENDED PREPARATION: CJ M01, CJ M04, CJ M11
 Reviews identification of marijuana, opiates, dangerous drugs, hallucinogens, and their paraphernalia. Includes principles of identifying and dealing with the user; laws and court decisions relating to the offender; fundamentals of search and arrest strategies; report writing and court testimony; and prevention and control of drug abuse within society. Applies to Associate Degree. Transfer credit: CSU
- CJ M41 Introduction to Probation, Parole and Corrections _____ 3.00 Units
RECOMMENDED PREPARATION: CJ M01
 Introduces an overview of the historical aspects of punishment and the development of contemporary correctional philosophy in the United States. Focus will be on legal and practical aspects, practices, and procedures of probation, parole and the correctional institutions. Rehabilitation issues, legal issues, general laws, and operations of correctional institutions, and the relationship between corrections and other components of the Criminal Justice System will be examined. Applies to Associate Degree. Transfer credit: CSU

DANCE

- DANC M01A Dance Appreciation _____ 3.00 Units
 Examines dance through viewing dance performances and through lectures and discussions, focusing on the historical, cultural and artistic developments and factors that influence change in dance. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3A
- DANC M03 Dance History _____ 3.00 Units
 Introduces through a sweeping overview of tribal, ethnic, and folk-dance forms the wide range of activity of dance as it has existed throughout the world. Focuses on ballet from its origin in Renaissance Europe to the present as well as twentieth century modern and jazz dance, including the contemporary scene, which is international and eclectic. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3A
- DANC M10A Ballet I-Fundamentals _____ 1.50 Units
 Introduces basic ballet technique and terminology, including general principles of alignment, centering and posture. Requires exercises at the barre to develop flexibility, strength, control and coordination. Includes resilience and center practice of Port des Bras, simple adage and allegro movements. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M10B Ballet II-Beginning _____ 1.50 Units
PREREQUISITES: DANC M10
 A ballet technique, both at the barre and in center, combining basic movements into adage and allegro patterns. Stresses heightened technical skills. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M10C Ballet III-Intermediate _____ 1.50 Units
PREREQUISITES: DANC M10B
 Introduces knowledge and development of intermediate technique both at the barre and in center, concentrating on the discipline of ballet form and the physical abilities necessary to execute movements. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M10D Ballet IV-Advanced _____ 2.00 Units
PREREQUISITES: DANC M10C
 Expands review of ballet, emphasizing analysis and application of kinesthetic principles to further develop skills, techniques, and physical capabilities. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M11A Modern Jazz I-Fundamentals _____ 1.50 Units
 Introduces basic movement skills of modern jazz technique, emphasizing understanding and appreciation of jazz as an artistic dance form. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

- DANC M11B** Modern Jazz II-Beginning _____ 1.50 Units
PREREQUISITES: DANC M11A
 Develops basic skills of modern jazz technique, emphasizing compositional forms and rhythms that lead to understanding and appreciation of jazz as an artistic dance form. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M11C** Modern Jazz III-Intermediate _____ 1.50 Units
PREREQUISITES: DANC M11B
 Continues introduction of modern jazz, emphasizing style and form as well as increased technical and choreographic skills. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M11D** Modern Jazz IV-Advanced _____ 2.00 Units
PREREQUISITES: DANC M11C
 Offers advanced review of modern jazz, emphasizing performance for style and form as well as increased technical and choreographic skills. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M12A** Modern Dance I-Fundamentals _____ 1.50 Units
 Introduces modern dance as an art form. Reviews the fundamental techniques that develop flexibility, strength, control, coordination, endurance and form as well as the basic principles, evaluation and application of dance composition. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M12B** Modern Dance II-Beginning _____ 1.50 Units
PREREQUISITES: DANC M12A
 Develops basic modern dance skills and techniques, including simple improvisation and composition as well as the understanding of the principles of alignment and motion. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M12C** Modern Dance III-Intermediate _____ 2.00 Units
PREREQUISITES: DANC M12B
 Expands appreciation of dance as a creative art form. Focuses on modern dance techniques, emphasizing increased flexibility, strength, and coordination. Reviews dance phrase combinations by integrating rhythm, design, dynamics and motivation. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M12D** Modern Dance IV-Advanced _____ 2.00 Units
PREREQUISITES: DANC M12C
 Continues exploration of modern dance technique, emphasizing performance, composition and choreography. May be taken four (4) times for credit. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M13A** Tap I-Fundamentals _____ 1.50 Units
 Introduces some history of tap as well as basic tap techniques and elementary dances, routines and rhythm structures. Develops motor coordination and rhythm. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M13B** Tap II-Beginning _____ 1.50 Units
PREREQUISITES: DANC M13A
 Expands tap dancing techniques, including music theory concepts and syncopated rhythms. Further develops motor coordination and rhythm and expands historical awareness. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M13C** Tap III-Intermediate _____ 1.50 Units
PREREQUISITES: DANC M13B
RECOMMENDED PREPARATION: DANC M11A and DANC M11B
 Builds on the basic tap vocabulary and techniques introduced and explored previously in levels I (fundamental) and II (beginning). Applies musical theory concepts to the syncopated rhythms of tap dance, providing further development of motor coordination and rhythm. Explores the fusion of tap with other dance techniques. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M13D** Tap IV-Advanced _____ 2.00 Units
PREREQUISITES: DANC M13C
RECOMMENDED PREPARATION: DANC M11C/D
 This course builds on the intermediate tap dance vocabulary and techniques presented in the previous (Tap Dance III) level. Presentation of complicated rhythms and syncopations will provide an accelerated opportunity in developing a highly proficient degree of motor coordination and rhythm. The further development of the individual in choreographing for Tap Dance will be emphasized.
- DANC M15** Choreography _____ 2.00 Units
PREREQUISITE: Two of the following courses: DANC M10C, DANC M11C, DANC M12C,
COREQUISITE: DANC M51A or DANC M51B or DANC M51C, or DANC M51D
RECOMMENDED PREPARATION: Concurrent enrollment in DANC M55.
 Introduction to the theory and techniques of dance composition. Elements of choreography are applied to dance improvisation, ballet, jazz, and modern dance. The focus of movement is enhanced through the analysis of basic problems and issues of choreography. Emphasis is placed on student application of choreographic concepts through the development of solo and group movement compositions. May be taken a total of four (4) time(s) for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M16A** Hip Hop I Fundamentals _____ 1.50 Units
 Introduces the fundamentals of hip-hop dancing, pop and lock, hip-hop funk, krumping, freestyling, break dancing, syncopations and rhythms as well as the fundamentals of hip-hop venues. Develops flexibility, strength, control, coordination, endurance, style and the understanding and appreciation of hip-hop and its cultural significance and history.
- DANC M17** Musical Dance Theatre _____ 3.00 Units
RECOMMENDED PREPARATION: DANC M11A, DANC M11B
 Introduces a compilation of dances choreographed for performance specific to the American musical in either a complete production of a single musical or as a revue of dance production numbers from two or more musicals. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M20A** Free Dance/Improvisation I _____ 1.50 Units
RECOMMENDED PREPARATION: Concurrent enrollment in modern dance
 Encourages joy of movement, allowing unique and creative expressions in dance. May be taken four (4) times for credit. (Same course as THA M17.) Applies to Associate Degree. Transfer credit: CSU; UC
- DANC M20B** Free Dance/Improvisation II _____ 1.50 Units
PREREQUISITES: DANC M20A
 Provides creative, free environment and encourages expressive dance movements for enjoyment, communication and performance. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

Some class offerings and room assignments may have changed since printing this schedule.

116 *Please see the web for the most up to date class - www.moorparkcollege.edu/htdocs/schedule*

DANC M20C Free Dance/Improvisation III _____ 1.50 Units

PREREQUISITES: *A beginning dance class*

Encourages creation of appropriate movement responses to express ideas and feelings. Provides various stimulus situations to develop organic, spontaneous dance responses. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

DANC M30A Ballroom I _____ 1.50 Units

Introduces history, music and fundamental practices of ballroom dancing. Includes basic steps, variations and styling techniques for the fox-trot, swing, waltz, cha-cha, tango, rumba, samba, mambo, polka and selected novelty dances. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

DANC M30B Ballroom II _____ 1.50 Units

PREREQUISITES: *DANC M30A*

This course is designed to further students' knowledge of and expertise in ballroom dancing. Students will review basic steps and increase their repertoire of variations and styling techniques for the foxtrot, swing, waltz, chacha, tango, rumba, samba, mambo, polka and selected novelty dances. Students will be expected to attend at least one out of class dance.

DANC M32 Swing Dance _____ 1.50 Units

Introduces American Swing Dance in the 20th century, exploring dance vocabulary, dance courtesy, fundamentals of music related to dance and dance history. Includes vintage dance forms as well as current trends. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

DANC M43 Jazz Dance Roots _____ 2.00 Units

PREREQUISITES: *DANC M11C*

This course will explore the development of jazz dance from its outgrowth of early theater and modern dance, the influences of African/Tribal, Hindu/Indian, Cuban and South American Latin dances and their effect on the styles and trends of the day. The course will explore the development of Jazz Dance through the works of early dance pioneers, e.g. Martha Graham, Jack Cole and Kathryn Dunham, Broadway choreographers Bob Fosse, Agnes DeMille and Jerome Robbins, and inter-national dance companies such as Dance Theater of Harlem and Joffrey Ballet. May be taken four (4) times for credit.

DANC M51A Dance Performance/Production I _____ 1.50 Units

PREREQUISITES: *Beginning dance class*

RECOMMENDED PREPARATION: *Concurrent enrollment in dance class*

Introduces and then applies basic elements of production (staging, lighting, publicity, makeup, costumes, set design and construction) through participation in a staged event/dance. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

DANC M51B Dance Performance/Production II _____ 1.50 Units

PREREQUISITES: *DANC M51A*

RECOMMENDED PREPARATION: *Concurrent enrollment in dance class*

Requires practical involvement in the elements of dance production behind the scenes as well as on stage. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

DANC M51C Dance Performance/Production III _____ 1.50 Units

PREREQUISITES: *Beginning dance class*

RECOMMENDED PREPARATION: *Concurrent enrollment in another dance class*

Emphasizes practical experience of dance productions, concerts and demonstrations, emphasizing dance as a performing art. Reviews choreography, staging and the production elements of dance. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

DANC M51D Dance Performance/Production IV _____ 2.00 Units

PREREQUISITES: *Intermediate dance class*

RECOMMENDED PREPARATION: *Concurrent enrollment in dance class*

Offers practical experience in the many phases of dance productions, concerts and demonstrations. Focuses on dance performance with some review of choreography and staging. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

DANC M55 Dance Ensemble _____ 3.00 Units

Focuses on learning repertory choreographed by students, faculty and/or guest artists. Culminates in rehearsal and performance in a formal concert environment. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

DRAFTING

DRFT M01 Introduction to Drafting _____ 3.00 Units

Introduces use and care of drafting equipment and instruments, lettering, theory of orthographic projection, pictorial drawings, sketches, and working drawings. Applies to the Associate Degree. Transfer credit: CSU

DRFT M02A Computer Aided Drafting I _____ 3.00 Units

PREREQUISITES: *DRFT M01*

RECOMMENDED PREPARATION: *CIS M17 or experience using Microsoft Windows or NT*

Introduces AutoCAD (Computer-Aided Design software). Explores CAD drawing and editing concepts, principles, and commands while preparing technical drawings. May be taken two (2) times for credit. Applies to the Associate Degree. Transfer credit: CSU; UC (DRFT M02A and DRFT M02B combined: maximum credit, one course).

DRFT M02B Computer Aided Drafting II _____ 3.00 Units

PREREQUISITES: *DRFT M02A*

Introduces two-dimensional and three-dimensional drawings through exploration of intermediate and advanced functions. May be taken two (2) times for credit. Applies to the Associate Degree. Transfer credit: CSU; UC (DRFT M02B and DRFT M02A combined: maximum credit, one course).

DRFT M03A Architectural Drafting I _____ 3.00 Units

Introduces fundamentals of preparing architectural drawings, emphasizing use and care of drafting equipment and instruments, lettering, line work and dimensioning. Focuses on preparing various plan, elevation and sectional views as well as details, sketches, working drawings, orthographic and isometric drawings. Presents basic elements of building requirements and codes. May be taken two (2) times for credit. Applies to the Associate Degree. Transfer credit: CSU

DRFT M04 Architectural CAD _____ 3.00 Units

PREREQUISITES: DRFT M02B and DRFT M03

Introduces development of architectural drawings, using computer aided drafting and three-dimensions for a walk-through effect. May be taken two (2) times for credit. Applies to the Associate Degree. Transfer credit: CSU

DRFT M08 Energy Conservation Code _____ 3.00 Units

Introduces requirements and necessary forms regarding Title 24 of the State Energy Code. Applies to Associate Degree.

DRFT M11 Building Codes _____ 3.00 Units

Introduces building codes related to structural, plumbing, heating, air conditioning, and electrical components of buildings constructed in Southern California. Applies to Associate Degree.

DRFT M20 3D Modeling (Computer Animation) _____ 3.00 Units

Introduces 3D Studio Max Software, exploring 3D modeling and animation with spatial three-dimensional effects in a Windows NT networked environment. Explores creation, modeling, and modification of a fully mapped and rendered scene complete with lights, cameras, and backgrounds. Requires creation of a basic animation. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

DRFT M21 Technical Animation (Computer Animation) _____ 3.00 Units

PREREQUISITES: DRFT M20

Introduces advanced materials and environmental effects of advanced technical animations. Explores the use of motion controllers and track views for editing key frames, pivot points to link objects, Inverse Kinematics to create character animations, and special effects such as space warps, ripples, waves, wind and bombs. Requires creation of a fully mapped and rendered animation complete with lights, cameras, backgrounds, and special effects. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

ECONOMICS

ECON M01 Principles of Micro Economics _____ 3.00 Units

RECOMMENDED PREPARATION: MATH M01

Examines the function of the market mechanism and its strengths and weaknesses in allocating scarce resources in the economy. Develops a method of thinking by investigating and applying the principles of economic inquiry to the behavior of individual consumers, producers and industries. The structure of industries and the distribution of resources are examined. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4B. CAN: ECON 4.

ECON M02 Principles of Macro Economics _____ 3.00 Units

Introduces issues of economic policy, related to levels of employment as well as prices and rate of economic growth. Expands application of principles of economic inquiry. Focuses on economic institutions, national income accounting, and policies that influence aggregate economic activity. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4B. CAN: ECON 2

ECON M30 Introduction to Business and Economics _____ 3.00 Units

RECOMMENDED PREPARATION: BUS M28 or ENGL M02

Examines the basic concepts of business and the application of economic principles to the operation of business. Explores economic systems, global markets, ethics, entrepreneurship, management, human resources, marketing, accounting, finance, securities markets, money supply, the impact of information technology on business, and personal financial planning. (Same course as BUS M30.) Applies to Associate Degree. Transfer credit: CSU; UC

EDUCATION

EDU M01 Introduction to Education _____ 3.00 Units

PREREQUISITES: None

COREQUISITE: Internship

Invites the student to explore teaching as a profession, exploring classroom management issues, learning styles, student diversity, peer tutoring, and educational philosophy. Field exploration will be a key component of the class. Applies to Associate Degree. Transfer credit: CSU

EDU M02 Introduction to Teaching _____ 3.00 Units

RECOMMENDED PREPARATION: ENGL M01A

Designed to provide students with the fundamental knowledge of the understanding of the American educational enterprise, especially problems in urban multicultural schools. Concepts and methods from the fields of sociology, philosophy, and the politics of education are used to gain knowledge of, understand, and analyze the current conditions of American schools and to evaluate selected proposals/models for reform. A minimum of 20 hours of observation and participation in a multicultural school and community setting is required. Applies to Associate Degree. Transfer credit: CSU; UC

EDU M03 Teaching Field Experience _____ 2.00 Units

COREQUISITE: Completion of or concurrent enrollment in EDU M02

RECOMMENDED PREPARATION: ENGL M01A

Provides the pre-service teacher with an opportunity to apply classroom theory in a public school setting with an assigned Field Experience Supervisor/Mentor Teacher (public school teacher). Provides early, supervised field experience to pre-service teachers in order that they begin to develop fluency with the fundamental skills of literacy development, classroom management, and other routine teaching skills required in the public schools. Students must meet safety and health clearance standards for public school field experience placement. Students will complete at least 48 hours in the classroom. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

ENGINEERING

ENGR M04 Engineering and Design/CAD _____ 3.00 Units

PREREQUISITES: DRFT M01 or one year of high school drafting

Introduces engineering as a profession by exploring systematic design techniques, written communication, and makeup of the various engineering programs. Requires extensive use of computer-aided drafting software and completion of a design project. Applies to the Associate Degree. Transfer credit: CSU; UC. CAN: ENGR 2

ENGR M12 Engineering Materials _____ 3.00 Units

PREREQUISITES: CHEM M01A and PHYS M20A/M20AL

Introduces engineering properties of materials, applying basic principles of the atomic and crystal structure of solids to the study of properties as well as to the selection and use of engineering materials. Applies to the Associate Degree. Transfer credit: CSU; UC. CAN: ENGR 4

ENGR M16 Engineering Statics and Strength of Materials _____ 4.00 Units

PREREQUISITES: PHYS M20A/M20AL

Covers vector algebra, equivalent force systems, free body diagrams and equilibrium, structural mechanics, behavior of deformable solids, stress and strain tension, compression, flexure, torsion, beams, columns, statically indeterminate problems, multiaxial stresses, and theories of strength. Applies to the Associate Degree. Transfer credit: CSU; UC. CAN: ENGR 8

ENGLISH AS A SECOND LANGUAGE

ESL M01 Beginning ESL _____ 4.00 Units

Focus on listening, speaking, reading, and writing skills of beginning English language learners, using daily activities and topics of general interest. Activities include group and class discussions and oral presentations. Includes vocabulary acquisition; accurate pronunciation; and grammar review of parts of speech, parts of the sentence, sentence structure and patterns, and verb tenses; reading comprehension of brief paragraphs and essays; and writing paragraphs. Does not apply to the Associate Degree.

ESL M02 Intermediate ESL _____ 4.00 Units

RECOMMENDED PREPARATION: ESL M01, or demonstrated ability for this level

Focus on listening, speaking, reading, and writing skills of intermediate English language learners using general interest and academic subjects. Activities include group and class discussions of text material, TV/video segments and lectures and oral presentations. Includes vocabulary acquisition; accurate pronunciation, and intonation; grammar study of sentence structure, compound and complex sentences, and reduction of grammar errors; reading comprehension and critical thinking; and writing multi-paragraph essays. Does not apply to the Associate Degree.

ESL M03 Advanced ESL _____ 4.00 Units

RECOMMENDED PREPARATION: ESL M02, or demonstrated ability for this level.

Focus on listening, speaking, reading, and writing skills of advanced English language learners, using cross-curricular and current events subjects. Activities include discussions of text and selected materials, TV shows/videos, news programs, lectures, and one complete feature film and multiple 5-minute oral presentations. Includes emphasis on vocabulary acquisition, accurate pronunciation, and intonation in class discussions; grammar study of sentence correctness and style; reading interpretation, analysis, and application; and writing 5-paragraph essays developed by a combination of rhetorical modes. Does not apply to the Associate Degree.

ENGLISH

ENGL M01A English Composition _____ 4.00 Units

PREREQUISITES: ENGL M02 or completion of the assessment process.

Emphasizes expository writing and research, demonstrating rhetorical organization, range of diction, clear sentence and paragraph construction, and command of the conventions of English usage. Develops analytical and interpretive reading skills. Applies to the Associate Degree. Transfer credit: CSU; UC (ENGL M01A and ENGL M01AH combined: maximum credit, one course). IGETC AREA 1A. CAN: ENGL 2.

ENGL M01AH ★ ★ ★ Honors: English Composition _____ 4.00 Units

PREREQUISITES: ENGL M02 with a grade of B or better or completion of the assessment process.

Emphasizes expository writing and research, demonstrating rhetorical organization, range of diction, clear sentence and paragraph construction, and command of the conventions of English usage. Develops analytical and interpretive reading skills. Honors work challenges students to be more analytical and creative through expanded assignments, real-world applications and enrichment opportunities. Applies to the Associate Degree. Transfer credit: CSU; UC. (ENGL M01AH and ENGL M01A combined: maximum credit, one course). IGETC AREA 1A

ENGL M01B Literature: Critical Thinking and Composition _____ 3.00 Units

PREREQUISITES: ENGL M01A

Critical thinking and writing skills in close textual analysis of issues and themes in fiction, poetry, and drama as well as in non-fictional literature and literary criticism. Review deductive and inductive reasoning, recognition and avoidance of logical fallacies, and relationships between language and meaning. Emphasizes detailed critical analysis. Applies to the Associate Degree. Transfer credit: CSU; UC (ENGL M01B and ENGL M01BH combined: maximum credit, one course). IGETC AREAS 1B or 3B. CAN: ENGL 4; ENGL SEQ A (ENGL M01A+M01B).

ENGL M01BH ★ ★ ★ Honors Literature: Critical Thinking and Composition _____ 3.00 Units

PREREQUISITES: ENGL M01A with grade of B or better

Honors work in critical thinking and writing skills in close textual analysis of issues and themes in fiction, poetry, and drama as well as in non-fictional literature and literary criticism. Reviews deductive and inductive reasoning, recognition and avoidance of logical fallacies, and relationships between language and meaning. Emphasizes detailed critical analysis. Applies to the Associate Degree. Transfer credit: CSU; UC (ENGL M01BH and ENGL M01B combined: maximum credit, one course). IGETC AREA 1B or 3B

ENGL M01C Critical Thinking and Composition _____ 3.00 Units

PREREQUISITES: ENGL M01A

Develops work in advanced levels of critical thinking, reading, and writing. Focuses on the development of logical reasoning as well as analytical and argumentative writing skills. Applies to the Associate Degree. Transfer credit: CSU; UC (ENGL M01C and ENGL M01CH combined: maximum credit, one course). IGETC AREA 1B

ENGL M01CH ★ ★ ★ Honors: Critical Thinking and Composition _____ 3.00 Units

PREREQUISITES: ENGL M01A with a grade of B or better

Develops work in advanced levels of critical thinking, reading, and writing. Focuses on the development of logical reasoning as well as analytical and argumentative writing skills. Honors work challenges students to be more analytical and creative through expanded assignments, real-world applications and enrichment opportunities. Applies to the Associate Degree. Transfer credit: CSU; UC (ENGL M01CH and ENGL M01C combined: maximum credit, one course). IGETC AREA 1B

ENGL M02 Introduction to College Writing _____ 3.00 Units

Introduces college-level writing, focusing on composing clear, organized paragraphs and short essays. Stresses development and support of coherent central ideas with relevant reasoning and examples. Offers instruction in the writing process (preparation, organization, development, revision, editing) as well as grammar, punctuation and sentence structure. Includes college-level reading and real-world applications. Applies to Associate Degree.

- ENGL M03 Writing Skills _____ 3.00 Units
Involves intensive practice in developing ideas, making clear statements and organizing information at the level of the paragraph. Emphasizes grammar, spelling, vocabulary building, sentence structure and composing strategies for short writings. Requires word processing in a computer lab. May be taken two (2) times for credit. Does not apply toward a degree.
- ENGL M05 Radio/Television Script Writing _____ 3.00 Units
PREREQUISITES: ENGL M01A
Develops skills in the analysis and preparation of news, commercials, program formats, public service announcements, and dramatic scripts including situation comedy, made-for-television movie, continuing dramatic series, and theatrically released motion picture. (Same course as RT M05.) Applies to the Associate Degree. Transfer credit: CSU
- ENGL M10A Creative Writing _____ 3.00 Units
PREREQUISITES: ENGL M01A
Workshop format. Concentrates on the techniques of writing fiction and poetry through the production of original works followed by discussion and analysis. Applies to the Associate Degree. Transfer credit: CSU; UC. CAN: ENGL 6
- ENGL M13A Major American Writers I _____ 3.00 Units
PREREQUISITES: ENGL M01A
Introduces American writing from the colonial era to the end of the Civil War, emphasizing works of major writers in their literary, historical and cultural contexts. Includes such authors as Bradstreet, Taylor, Franklin, Poe, Melville and Whitman. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3B. CAN: ENGL 14; ENGL SEQ C (ENGL M13A+M13B).
- ENGL M15A Survey of English Literature I _____ 3.00 Units
PREREQUISITES: ENGL M01A
Surveys major works of British literature from the Romantic period to the present in their literary, historical, and cultural contexts. Includes lectures, discussions, examinations, and critical papers. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3B. CAN: ENGL 8; ENGL SEQ B (ENGL M15A+M15B)
- ENGL M17 Shakespeare _____ 3.00 Units
PREREQUISITES: ENGL M01A
Surveys several plays, including romantic comedies, histories, tragedies, and problem plays. Discusses works of Shakespeare in their social context. Introduces the sonnets. Includes lectures, discussions, and critical papers. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3B
- ENGL M29A The Bible as Literature (Old Testament) _____ 3.00 Units
Introduces the 39 books of the Old Testament and the Old Testament Apocrypha through lecture, reading, and discussion. Emphasizes literary qualities such as characters, recurrent themes, motifs, images and symbols, as well as major genres and representative forms of Biblical writings. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3B
- ENGL M31 Masterpieces of World Literature II _____ 3.00 Units
PREREQUISITES: ENGL M01A
Surveys representative authors from the 18th century to the Modern period, with intensive study of selected masterpieces from the 18th, 19th, and 20th centuries. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3B
- ENGL M48 Word Power _____ 3.00 Units
RECOMMENDED PREP: ENGL M01A
College-level vocabulary in all areas of language usage: listening, speaking, reading, and writing. It covers word analysis skills, including Greek and Latin roots, prefixes, and suffixes. Vocabulary is expanded through a study of pronunciation, synonyms and antonyms, etymologies, contextual clues, specialized vocabulary lists, parts of speech, denotations, connotations, dictionaries, and a thesaurus.
- ENGL M70 Grammar/Punctuation Review _____ 1.00 Unit
Reviews the rules and conventions of standard English grammar and punctuation. Develops students' ability to write concise, clear, correct sentences and to join them into unified, coherent paragraphs. (Formerly ES M33). Does not apply to Associate Degree.
- ENGL M72 Vocabulary Level I _____ 1.00 Unit
Introduces principles and practices of vocabulary acquisition to improve reading, speaking, and writing in preparation for college-level courses. Does not apply toward a degree.

ENVIRONMENTAL SCIENCE

- ENSC M01 Environmental Science _____ 3.00 Units
Introduces the fundamental laws of physics and chemistry controlling the natural processes operating in the world. Emphasizes the interrelationships between humans, their environment and the impact of technology on the global environment. Discusses the existence, measurement and control of energy, air, water and noise pollution. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A
- ENSC M01L Environmental Science Lab _____ 1.00 Unit
PREREQUISITES: Completion of or concurrent enrollment in ENSC M01
Clarifies environmental concepts presented in ENSC M01. Requires four field trips: utility plant, waste-water treatment facility, recycling/recovery center and college nature center. Stresses scientific method, elements of statistics and sampling, and the completion of a research-based oral presentation. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A
- ENSC M02 Environment and Human Interactions _____ 4.00 Units
Introduces biological principles governing ecosystems. Analysis of environmental problems as they relate to world demography and human activities are covered. Topics include: population dynamics, major world biotic communities, the urban environment and environmental health and basic toxicology. Field study of California's major plant communities and study of the local environment. Required field trips. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5B

Some class offerings and room assignments may have changed since printing this schedule.

EXOTIC ANIMAL TRAINING AND MANAGEMENT

EATM M01A Animal Care and Handling I _____ 1.00 Unit

PREREQUISITES: Admission to EATM Program

COREQUISITE: EATM M01AL

Introduces basic zookeeping practices used in the husbandry of domestic and non-domestic animals. Includes safety, emergency, sanitation, and handling procedures as well as environmental enrichment, teamwork concepts, zoo handling, and record keeping. Applies to the Associate Degree.

EATM M01AL Animal Care and Handling I Lab _____ 4.00 Units

PREREQUISITES: Admission to EATM Program

COREQUISITE: EATM M01A

Provides application of the theory and principles from EATM M01A to the care and handling of the America's Teaching Zoo animal collection. Develops essential zoo keeping skills through this hands-on approach. May be taken a maximum of two (2) times for credit. Applies to Associate Degree.

EATM M02A Zoo Work Skills First Year #1 _____ 1.00 Unit

COREQUISITE: EATM M01A

Provides the first year/first semester student an on-campus zoo laboratory for supervised on-the-job zookeeping work experience and additional skill practice in animal care and handling. Work assignments include participating as a zoo operations team member, holiday zoo keeping, weekend area, assisting with daily zoo operations, zoo maintenance and improvement projects, day watch with safety rounds, leading tours, and assisting with educational presentations. Applies to Associate Degree.

EATM M02B Zoo Work Skills First Year WI _____ 0.50 Unit

PREREQUISITES: EATM M02A

During the winter intersession, provides the first year student an on-campus zoo laboratory for supervised on-the-job zoo keeping work experience and additional skill practice in animal care and handling. Work assignments include participating as a zoo operations team member, holiday/winter intersession zoo keeping, weekend area, assisting with daily zoo operations, zoo maintenance and improvement projects, day watch with safety rounds, leading tours with holiday theme, and assisting with holiday educational presentations. Applies to Associate Degree.

EATM M02D Zoo Work Skills Second Year SS _____ 3.00 Units

PREREQUISITES: EATM M02C

Provides the second year summer session student an on-campus zoo laboratory for supervised on-the-job intermediate zoo keeping work experience and skill practice in animal care, handling and training. Work assignments include conducting training sessions with assigned animals, participating as a zoo operations team member and leader, holiday/weekend zoo keeping, intermediate zoo daily operations, maintenance and improvement projects, day watch with safety rounds and conducting tours. Applies to Associate Degree.

EATM M02E Zoo Work Skills Second Year SS _____ 3.00 Units

PREREQUISITES: EATM M02D

Provides the second year fall semester student an on-campus zoo laboratory for supervised on-the-job intermediate to advanced zoo keeping work experience and skill practice in animal care, handling and training. Work assignments include weekday and weekend area, serving as a mentor to first year students conducting training sessions with assigned animals, exhibiting assigned animals at weekend shows, participating as a zoo operations team member and leader, intermediate-advanced zoo daily operations, maintenance and improvement projects, day watch with safety rounds and conducting tours. Applies to Associate Degree.

EATM M15A Wildlife Education I _____ 1.00 Unit

PREREQUISITES: Enrollment in EATM Program

COREQUISITE: EATM M15AL

Instructs the student in the use of live animals for educational presentations in zoos and other situations. Includes public speaking, environmental education, interpretation techniques, and the handling of animals for presentations. Applies to Associate Degree.

EATM M15AL Wildlife Education I Lab _____ 1.00 Unit

PREREQUISITES: Enrollment in the EATM Program

COREQUISITE: EATM M15A

Provides the student with the opportunity to develop public speaking skills, interpretation techniques, and animal handling skills appropriate for educational presentations in zoos and other situations. The student will perform presentations to both large and small audiences and conduct tours of the teaching zoo.. May be taken for a maximum of two (2) times for credit. Applies to Associate Degree.

EATM M15B Wildlife Education II _____ 1.00 Unit

PREREQUISITES: EATM M15A

COREQUISITE: EATM M15BL

Instructs the student in the use of live animals for educational presentations in zoos and other situations. Topics covered include adapting presentations to different audiences, production techniques, public relations issues, and the use of trained animals for presentations. Working in small groups to successfully serve a yearly community event will also be included. Applies to Associate Degree.

EATM M15CL Wildlife Education III Lab _____ 2.00 Units

PREREQUISITES: EATM M15B and EATM M15BL

Provides a range of supervised wildlife education production and performance activities involving presentations with live animals. Performance rehearsing and animal handling in preparation for a public performance is stressed. Students will have opportunities to conduct presentations to a variety of audiences in a variety of settings. Applies the basic elements of production (staging, publicity, script development, set design and construction) and performance (safety considerations, animal handling, and voice techniques). May be taken four (4) times for credit. (Formerly EATM M16). Applies to Associate Degree.

EATM M15D Wildlife Education IV _____ 1.00 Unit

PREREQUISITES: EATM M15B

COREQUISITE: EATM M15DL

Requires design, development and implementation of wildlife education outreach programs for audiences of various ages, cultural orientations, and developmental levels. The student will gather information on environmental and conservation issues and incorporate this material into educational presentations. (Formerly EATM M46) Applies to Associate Degree.

EATM M15DL Wildlife Education IV Lab _____ 2.00 Units

PREREQUISITES: EATM M15CL

COREQUISITE: Completion of or concurrent enrollment in EATM M15D

Provides the second year EATM student with the opportunity to develop and implement wildlife education programs in the community to audiences of various ages, cultural orientations and developmental levels. Applies to Associate Degree.

New, easy on-line payment plan - eCASHIER

See page 149 for more information or visit WebSTAR at www.vccd.edu/webstar

EATM M21A Animal Training I _____ 1.00 Unit

PREREQUISITES: EATM M01B, ANSC M04 or PSY M12

COREQUISITE: EATM M21AL

Introduces the student to basic techniques of animal training, including applying operant conditioning theory, record keeping, and controlling behavior. Topics include the history of animal training, reasons for training animals, factors affecting training success, and shaping of new behaviors. Applies to Associate Degree.

EATM M21AL Animal Training I Lab _____ 2.00 Units

PREREQUISITES: EATM M01BL, ANSC M04L or PSY M12L

COREQUISITE: Completion of or concurrent enrollment in EATM M21A

Provides the student with the opportunity to develop basic animal training techniques through hands-on work with animals at the teaching zoo. The student will perform behavioral observations, develop training plans, maintain training records, and shape the behavior of one or more animals. Applies to Associate Degree.

EATM M21B Animal Training II _____ 1.00 Unit

PREREQUISITES: EATM M21A

COREQUISITE: EATM M21BL

Presents techniques of animal training, including husbandry training, training groups of animals, and dealing with aggression. Topics also include developing training plans, protected contact training and problem-solving. Applies to Associate Degree.

EATM M21BL Animal Training II Lab _____ 2.00 Units

PREREQUISITES: EATM M21AL

COREQUISITE: Completion of or concurrent enrollment in EATM M21B

Provides the student with the opportunity to develop the skills needed to train husbandry behaviors through hands-on work with animals at the teaching zoo. Applies problem-solving techniques to behavioral problems. May be taken two (2) times for credit. Applies to Associate Degree.

EATM M23A Elementary Veterinary Procedures I _____ 4.00 Units

PREREQUISITES: EATM M01B, ANSC M03, ANSC M06

COREQUISITE: EATM M23AL

An introduction to the science of domestic and non-domestic animals. The student will learn a practical organ system-by-organ system approach to the recognition, diagnosis, treatment and nursing care as related to the various disease processes involved with these systems. Applies to the Associate Degree. Transfer credit: CSU

EATM M23AL Elementary Veterinary Procedures Laboratory _____ 1.00 Unit

COREQUISITE: EATM M23A

An introduction to the science of veterinary medicine as it applies to domestic and non-domestic animals. Veterinary procedures are practiced that are relative to a practical organ system by organ system approach to the diagnosis, treatment and nursing care as related to the various disease processes. Applies to Associate Degree. Transfer Credit: CSU

EATM M30A Zoo Days I _____ 0.50 Unit

PREREQUISITES: Successful completion of a previous EATM course

An independent project in zoo keeping with three days at the Los Angeles Zoo and one day at the Santa Barbara Zoo. Applies to Associate Degree.

EATM M30B Zoo Days II _____ 0.50 Unit

PREREQUISITES: Successful completion of a previous EATM course

An independent project in zoo keeping with three days at the Los Angeles Zoo and two days at the Santa Barbara Zoo. Applies to Associate Degree.

FRENCH

FREN M01 Elementary French I _____ 4.00 Units

Introduces French language, culture, history and people of the Francophone world, emphasizing speaking, understanding, reading, and writing skills. The course requires individualized work in the language lab each week. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 60 contact hours. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 6A. CAN: FREN 2, FREN SEQ A (FREN M01+M02)

FREN M02 Elementary French II _____ 4.00 Units

PREREQUISITES: FREN M01 or 2 years of high school French

Further explores French language, culture, history and people of the Francophone world as well as speaking, reading, and writing proficiency. Requires individualized work in the language lab each week. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 60 contact hours. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3B (Beginning Spring 2006), 6A. CAN: FREN 4, FREN SEQ A (FREN M01+M02)

FREN M31A Beginning Practical French I _____ 3.00 Units

Reviews and expands elaborate grammatical structures and vocabulary. Emphasizes practical competence and communicative skills through the study of French culture and selected literary works - short essays, articles and poetry. Requires individualized work in the language lab each week. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 60 contact hours. May be taken two (2) times for credit. Applies to Associate Degree.

GEOGRAPHIC INFORMATION SYSTEMS

GIS M01 Introduction to Mapping and GIS _____ 3.00 Units

Introduces basic cartographic principles, including map types, scales, projections, coordinate systems as well as Geographic Information Systems (GIS) technology and software. Provides hands-on experience with the retrieval and application of data in business or academic areas. Covers GIS concepts of raster/vector conversions, thematic mapping, geocoding and data acquisition as well as various applications (resource management, business marketing, site selection and crime analysis). Applies to Associate Degree. Transfer credit: CSU; UC

Some class offerings and room assignments may have changed since printing this schedule.

122 *Please see the web for the most up to date class - www.moorparkcollege.edu/htdocs/schedule*

GEOGRAPHY

GEOG M01 Physical Geography _____ 3.00 Units
Physical geography brings together several branches of the natural sciences to provide students with an understanding of the processes responsible for the physical patterns of climate, water, soils, vegetation, and landforms found over the earth. Emphasis is also placed on gaining an understanding of human-induced agents of change within the physical world and human/environmental relationships. Required field trips. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A. CAN: GEOG 2; GEOG 6 (GEOG M01+M01L).

GEOG M01L Physical Environment Lab _____ 1.00 Unit
PREREQUISITES: Completion of or concurrent enrollment in GEOG M01
Introduces earth-sun relations as well as map and air photo reading and interpretation. Provides hands-on practice in landscape description, measurement and analysis. Requires written reports. Requires local field trips. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A. CAN: GEOG 6 (GEOG M01 + M01L).

GEOG M02 Cultural Geography _____ 3.00 Units
Concerns the significance and distribution of various cultural elements and the impact of human activities on the natural environment. An issue-based, or topical approach is taken to understanding and explaining spatial patterns of the key components of culture such as population, migrations, settlements, development, agriculture, geopolitics, land-use, globalization, language and religion. Emphasis is on the analysis of current world events. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4E . CAN: GEOG 4.

GEOG M03 World Regional Geography _____ 3.00 Units
Surveys world geography, emphasizing the regions, people, and economic activities characteristic of the major political areas of the world. Explores how world affairs are affected by the way humans occupy the earth. Applies to the Associate Degree. Transfer credit: CSU; UC (GEOG M03 and GEOG M03H combined: maximum credit, one course). IGETC AREA 4E

GEOG M03H ★ ★ ★ Honors: World Regional Geography _____ 3.00 Units
Provides an honors-level survey of world geography, emphasizing the regions, people, and economic activities characteristic of the major political areas of the world. Explores how world affairs are affected by the way humans occupy the earth. Honors work challenges students to be more analytical and creative through expanded assignments, real-world applications and enrichment opportunities. Applies to the Associate Degree. Transfer credit: CSU; UC (GEOG M03H and GEOG M03 combined: maximum credit, one course). IGETC AREA 4E

GEOG M05 Introduction to Meteorology _____ 3.00 Units
Introduces meteorological phenomena, including atmospheric circulation and behavior, clouds, precipitation, wind systems, storms, and air pollution. Focuses on interrelationships between land, ocean, and atmosphere as well as weather instruments and their roles in reporting general and aviation weather conditions. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A. CAN: GEOG 12.

GEOG M10 Geography of California _____ 3.00 Units
Study of California's diverse bio-physical and human geography. Topics examined include the Golden State's climate, landforms, natural vegetation, and mineral and water resources. The influence the environment has on human geography is also examined with respect to ethnic diversity, our Native American past, settlement, population growth, urban and agricultural regions and the economic challenges of the future. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4E

GEOLOGY

GEOL M02 Physical Geology _____ 3.00 Units
Introduces materials and structure of the earth, origin and development of land forms as well as the principles and processes of geology including erosion and sedimentation, volcanic, glacial and earthquake activity. Focuses on global tectonics. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A. CAN: GEOL 2 (GEOL M02+M02L); CAN GEOL 6 (GEOL M02 only).

GEOL M02L Physical Geology Lab _____ 1.00 Unit
PREREQUISITES: Completion of or concurrent enrollment in GEOL M02
Provides hands-on experience in direct observation and scientific analysis of geologic data. Emphasizes mineral and rock formation and identification; topographic and geologic map interpretation; and laboratory and field observation and identification. Requires field trips. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A. CAN: GEOL 2 (GEOL M02+M02L).

GEOL M03 Earth History _____ 3.00 Units
Introduces geologic history of the earth and evolution of life revealed by fossil records. Reviews elementary problems in paleontology, stratigraphy, and structure and geologic mapping. Applies to the Associate Degree. Transfer credit: CSU; UC. . IGETC AREA 5A. CAN: GEOL 8.

GEOL M05 The World Ocean _____ 3.00 Units
Introduces the geological, physical and chemical characteristics of the ocean. Reviews formation of the ocean basins, ocean currents, waves, tides, beaches, chemistry and marine pollution. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A

GERMAN

GERM M01 Elementary German I _____ 4.00 Units
Introduces the German language and cultures of the major German-speaking areas of Europe (Germany, Austria, Switzerland) and emphasizes speaking, understanding, reading and writing skills. Requires individualized work in language lab each week. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 60 contact hours. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 6A. CAN: GERM 2; GERM SEQ A (GERM M01+M02)

GERM M31A Beginning Practical German 1 _____ 3.00 Units
Provides basic understanding and use of German practical situations, emphasizing elementary grammar and principles of usage for non-native speakers. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. May be taken two (2) times for credit. Applies to Associate Degree.

GRAPHICS

- GR M10 Introduction to Graphics _____ 3.00 Units
Introduces advertising, printing, and the history of graphics. Provides practical applications in design, desktop publishing, camera, and various printing processes. Reviews employment trends and opportunities. Field trips will be required. Applies to Associate Degree. Transfer credit: CSU
- GR M20 Macintosh and IBM Operating Systems for Graphic Design _____ 2.00 Units
Introduces basic theory and entry-level skills on multiple computer publishing platforms. Emphasizes operating systems, typography, True Type/Postscript Levels, and printing to Postscript. Provides practical applications in creating text and bitmapped graphics using applets of each operating system. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU
- GR M23 Introduction to Computer Graphics (Macintosh) _____ 3.00 Units
Surveys computer graphics applications on the Macintosh Computer and introduces basic web design issues. Provides hands-on experience with Adobe Photoshop, Adobe Illustrator and QuarkXpress. Applies to Associate Degree. Transfer Credit: CSU
- GR M24A Desktop Publishing I _____ 3.00 Units
PREREQUISITES: GR M20
Introduces fundamentals and basic operating procedures of Adobe InDesign page layout and graphic software. Emphasizes practical application of InDesign on the PC platform including layout, typography and publication design. Requires creation of digital files for film output and camera-ready artwork for the reproduction process. Includes scanning graphic images for the printing process and PowerPoint presentations. Applies to Associate Degree. Transfer Credit: CSU
- GR M24B Desktop Publishing II _____ 3.00 Units
PREREQUISITES: GR M24A
Introduces advanced techniques in the production of commercial publications such as business packages, business forms, newsletters, and product sheets. Emphasizes production variations and professional problem-solving skills. Includes basics of scanning, imaging to film, digital and off-press color proofing techniques, and special requirements for the printing processes. Applies to Associate Degree.
- GR M26 Computer Assisted Illustration (Macintosh): Illustrator _____ 3.00 Units
PREREQUISITES: GR M23
Introduces principles of design and computer illustration using Macintosh Computer and appropriate software. Emphasizes organization of visual material, including design concepts, typography, space, shape, line, and texture. Stresses creativity. Applies to Associate Degree.
- GR M27 Electronic and Digital Photography _____ 3.00 Units
PREREQUISITES: A course in the discipline
Focuses on Adobe Photoshop for photography, computer graphics, illustration and graphic design. Includes appropriate techniques for scanning negatives, transparencies, reflective materials, type effects, color correction, selection techniques, special effects, channel calculations, adjustment layers, output devices and clipping paths/groups. Clarifies relationship between traditional film-based photography and digital techniques. May be taken two (2) times for credit. Applies to Associate Degree. Transfer Credit: CSU
- GR M30 Design Fundamentals _____ 3.00 Units
Provides a solid foundation for the student's expanding abilities as designers. Develops visual and technical skills through problem-solving and analytical thinking. Craftsmanship and use of design tools are emphasized through compositional and color exercises. Applies to Associate Degree. Transfer credit: CSU
- GR M31 Graphic Design I _____ 2.00 Units
Introduces conceptual, production, and visual design methods, emphasizing commercial art. Provides hands-on production experience. Applies to Associate Degree. Transfer credit: CSU
- GR M32 Graphic Design II _____ 3.00 Units
PREREQUISITES: completion of or concurrent enrollment in GR M31
Introduces basics of advertising and graphic design, reviewing trademark, ad, package, cover and poster design. Requires production projects. Applies to Associate Degree. Transfer credit: CSU
- GR M33 Advertising Design _____ 2.00 Units
PREREQUISITES: GR M32
Introduces advertising layouts and their translation into camera-ready artwork, including rendering, type specifications and figure indication. Includes developing and executing comprehensive presentations, flat ads, packaging, posters and point of sale displays. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU
- GR M34 Lettering and Typography _____ 2.00 Units
PREREQUISITES: completion of or concurrent enrollment in GR M31
Introduces basic lettering with pen and brush. Includes construction of letters in Gothic, Roman, Italic, Script, Text and Modern type, emphasizing character form and distribution essential for page layouts. Applies to Associate Degree. Transfer credit: CSU
- GR M40 Beginning Illustration _____ 3.00 Units
PREREQUISITES: Completion of or concurrent enrollment in ART M30
Introduces pen and ink, watercolor, collage and colored pencil techniques as principle means of self-expression. Analyzes topical themes and individual story lines as potential subject matter for weekly drawings. (Same course as ART M40). Applies to Associate Degree. Transfer credit: CSU
- GR M41 Intermediate Illustration _____ 3.00 Units
PREREQUISITES: GR M40 or ART M40
Introduces advanced studies in pen and ink, watercolor washes and mixed media, exploring individual style appropriate to magazine, newspaper and book illustration. (Same course as ART M41). Applies to Associate Degree. Transfer credit: CSU
- GR M42 Advanced Illustration _____ 3.00 Units
PREREQUISITES: GR M41 or ART M41
Emphasizes development of individual style through advanced illustration techniques. Requires individual projects. (Same course as ART M42). May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU
- GR M50 Airbrush Techniques I _____ 3.00 Units
Covers the use of the airbrush including the basics of illustration and photo retouching for advertising, commercial and industrial applications. Emphasis is placed upon masking, paints, tip selections, air controls and care and preventative maintenance of equipment. (Same course as ART M96) Applies to Associate Degree. Transfer Credit: CSU

Some class offerings and room assignments may have changed since printing this schedule.

124 Please see the web for the most up to date class - www.moorparkcollege.edu/htdocs/schedule

GR M51	Airbrush Techniques II _____	3.00 Units
<i>PREREQUISITES: GR M50</i>		
Advanced course introduces various color applications and techniques, such as transparent dyes, transparent and opaque designer color. Techniques and treatments are presented along with various tricks of the trade. (Same course as ART M97) Applies to Associate Degree. Transfer Credit: CSU		
GR M60A	Airbrush Practice Lab _____	1.00 Unit
<i>PREREQUISITE: Previous airbrush class</i>		
Refine skills with airbrush and cover topics which are not covered in detail in other airbrush courses. May be taken four (4) times for credit. Applies to Associate Degree		
GR M60B	Computer Graphics Practice _____	1 to 3.00 Units
<i>PREREQUISITES: GR M30 and GR M31 or GR M32</i>		
Designed for the student who needs to refine skills in a variety of software packages. Students will work on the Macintosh computer and have access to the Macintosh lab by appointment. May be taken four (4) times for credit. Applies to Associate Degree.		
GR M60G	Creating Background Illustration Scenes for Animation _____	3.00 Units
Introduces special techniques and use of color to produce final background scenes, using various subjects, effects, and media. Emphasizes special effects for television, movies and commercials. May be taken three (3) times for credit. Applies to Associate Degree.		
GR M73	Silk Screen Serigraphy I _____	3.00 Units
<i>RECOMMENDED PREPARATION: ART M20</i>		
Introduces serigraphy printing and its artistic and commercial application. Includes preparation of various screen printing stencil methods, preparation and care of screens, and use of transparent and opaque inks. Provides group and individual critiques. (Formerly ART M14A) (Same course as Art M98). Applies to Associate Degree. Transfer Credit: CSU;UC.		
GR M74	Silk Screen Serigraphy II _____	3.00 Units
<i>PREREQUISITES: ART M73 or ART M99</i>		
Introduces advanced techniques for utilizing photo screen printing singly or in combination with other stencil methods. Includes instruction and practice of the process camera and its application to serigraphy printing; basic line photography and contact printing; and single and multi-color printing and posterization techniques. Explores special printing on various surfaces. May be taken two (2) times for credit (Formerly ART M14A). Applies to Associate Degree. Transfer Credit: CSU;UC.		

HEALTH EDUCATION

HED M01	Health and Society _____	2.00 Units
Focus is on the nature and function of health in our society. Overview of major health concepts designed to contribute to the students understanding of healthy living. Concepts included are: personal fitness; nutrition; mental health; personal relationships; harmful substances; environmental health; communicable diseases; chronic and degenerative disease; reproduction and contraception; and consumer health. Applies to Associate Degree. Transfer credit: CSU; UC (HED M01, M02 and M07 combined: maximum credit, one course).		
HED M02	Health and Society _____	2.00 Units
Focuses on nature and function of women's health in our society. Introduces major female health problems, emphasizing both the individual's and the community's role in understanding medical advances and implementing their effects. Applies to Associate Degree. Transfer credit: CSU; UC (HED M02, M01, M07 combined: maximum credit, one course)		
HED M03	Nutrition, Fitness and Stress Management _____	3.00 Units
Offers an integrated approach to good health and physical fitness through the study of basic principles of exercise, nutrition and human behavior. Applies specific topics of current concern such as maintaining healthy weight, prevention of heart disease and stress management. Stresses incorporating healthful habits and techniques into ones' daily life. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU		
HED M05	First Aid and CPR _____	3.00 Units
Introduces procedures for rendering assistance in emergency first aid situations. Successful course completion qualifies student for the American Red Cross Standard First Aid certificate and the Adult Cardiopulmonary Resuscitation card (Adult CPR, AED card). Applies to Associate Degree. Transfer credit: CSU; UC. CAN: KINE/PE 8.		
HED M07	Personal Health _____	3.00 Units
Introduces components and skills of health and wellness, reviewing positive behavioral changes and their effect on life. Emphasizes self-responsibility based on self-analysis and assessment. Applies to Associate Degree. Transfer credit: CSU; UC (HED M07, M01 and M02 combined: maximum credit, one course)		
HED M10E	Athletic Injuries Seminar _____	0.50 Unit
Examines medical aspects of athletic injury management, including prevention, first-aid, treatment, evaluation and reconditioning. Applies to Associate Degree. Transfer credit: CSU		
HED M10F	Stress Management _____	0.50 Unit
Examines physical, emotional, cognitive, and behavioral aspects of stress, including sources, symptoms, physiology of the stress response, burnout, and effective coping strategies such as induction of the relaxation response. Applies to Associate Degree. Transfer credit: CSU		
HED M10J	Date Rape/Self Defense _____	0.50 Unit
The focus of this course is on recognizing the sexual, physical, and psychological abuse that may occur in dating relationships. Topics to be included are elements of a healthy relationship, appropriate communication strategies, risks and vulnerabilities in dating relationships, and self-defense tactics. Applies to Associate Degree. Transfer credit: CSU		
HED M10K	Smoking and Your Health _____	0.50 Unit
Examines the primary and secondary effects of tobacco use (smoking and chewing) and reviews ways to stop its use. Applies to Associate Degree. Transfer credit: CSU		
HED M10M	Healthful Eating _____	0.50 Unit
Examines basic elements of nutrition and offers techniques and strategies for healthy eating. Includes cooking demonstrations. (Same course as NTS M10M). Applies to Associate Degree. Transfer credit: CSU		
HED M10N	Men's Health _____	0.50 Unit
Explores connections between the way men live their lives (exercise, nutrition, stress) and the quality of their health. Emphasizes need for men to participate in own health care, since present decisions affect future health and wellness. Applies to Associate Degree. Transfer credit: CSU		

HED M10Q Health and Sexuality _____ 0.50 Unit
Introduces health and human sexuality, including review of basic sexual anatomy, physiology of sexual response, sexually transmitted diseases, common impediments to healthy sexual functioning, sexual enhancement, and communication skills for achieving greater intimacy. Applies to Associate Degree. Transfer credit: CSU

HED M10R Nutrition and Diabetes Management _____ 0.50 Unit
Overview of various aspects of diabetes, with an emphasis on diabetes nutrition. Will increase the understanding of diabetes and recognize and remove the roadblocks that prevent better control and provide skills to cope with everyday life. (Same course as NTS M10R). Applies to Associate Degree. Transfer credit: CSU

HED M10S Sports and Exercise Nutrition _____ 0.50 Unit
Basic overview of sports nutrition for athletes and non-athletes. Designed to introduce student to various aspects of nutrition which may include proper hydration, ergogenic aids, ideal body composition and fueling for optimal performance. Current trends in sports nutrition for both the individual and the coach will be covered. (Same course as NTS M10S). Applies to Associate Degree. Transfer credit: CSU

HED M10T Nutrition and Cancer Prevention _____ 0.50 Unit
Provides an overview of various aspects of cancer prevention through nutrition. Increases the understanding of the role that healthy food choices and physical activity play in reducing the risk of cancer. (Same course as NTS M10T). Applies to Associate Degree. Transfer credit: CSU

HEALTH INFORMATION MANAGEMENT

HIM M01 Health Information Management _____ 3.00 Units
Fundamental theories and practices of health information management, including healthcare systems, content and analysis of clinical records, application of data collection standards and regulations for accreditation, certification and licensure, forms design, integration of uniform data sets, use of manual and computerized indices and registries, and medical office procedures. Applies to Associate Degree. Transfer Credit: CSU

HIM M02 Clinical Classification Systems _____ 3.00 Units
Overview of nomenclature and classification systems, focusing on coding inpatient clinical information from medical records; the International Classification of Diseases-9-CM coding; clinical modification, with instruction in coding diagnoses and procedures, sequencing and coding conventions; review of complications and co-morbidities; and coding software applications. Applies to Associate Degree. Transfer Credit: CSU

HIM M03 Clinical Classifications Systems CPT Codes _____ 3.00 Units
Beginning coding for alternative classification systems, focusing on HCPCS/CPT ambulatory care coding, ambulatory patient classifications, and resource-based relative value scales. Applies to Associate Degree. Transfer Credit: CSU

HEALTH SCIENCES

HS M15 Pharmacology _____ 3.00 Units
Introduces mechanisms and uses of currently available drugs, establishing foundation for understanding future developments in drug therapy and for administering drugs more efficiently and safely. Applies drug information and mathematical calculations in clinical setting. May be repeated to monitor constantly changing pharmaceutical approaches and resultant practical implications. May be taken four (4) times for credit. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU

HS M16N Basic Skills for the Nurse _____ 0.50 Unit
Provides basic client care skills to those preparing for a career in the nursing profession. The focus is on the essential principles and practices of safe, effective care in the multifaceted multicultural nursing field. Caring, safety, and basic documentation associated with providing client care are integrated throughout the course. It is recommended that this course be taken the semester before acceptance into the nursing program. Applies to Associate Degree.

HS M16R Basic Skills for the Radiologic Technologist _____ 0.50 Unit
Provides basic knowledge of client care skills to those preparing for a career as a Radiographer. The focus is on the essential principles and practices of safe effective care in this constantly changing medical field. Safety, communications, documentation and cultural diversity are integrated throughout the course. It is recommended that this course be taken the semester before acceptance into the Radiologic Technology Program. Applies to Associate Degree.

HS M17 Health Care Ethics _____ 3.00 Units
Introduces theoretical and applied ethics relating to problems in medicine, health care and the human life sciences. Includes examination of foundational moral principles and the main moral theories. Provides an introduction to ethics in general, a foundation for understanding legal implications in healthcare, and a framework for analyzing and resolving ethical problems through the application of ethical principles and critical thinking. (Same course as PHIL M17.) Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. This is a required course for Radiologic Technology students. Applies to Associate Degree. Transfer credit: CSU

HS M19 Medical Terminology _____ 3.00 Units
Assists those preparing for a career in the health care industry to understand and communicate medical information, focusing on the language of medicine and the building of medical words via a study of word components. Emphasizes many of the basic words, prefixes, and suffixes upon which medical words are built. Includes medical terms related to anatomy, physiology, diseases, diagnoses, pharmacology, therapeutics and common abbreviations. This is a required course for Radiologic Technology students. Applies to Associate Degree. Transfer credit: CSU

HS M23 Pharmacology for Allied Health Professional _____ 2.00 Units
Introduces pharmacology, providing the knowledge of basic pharmacological terminology and concepts, administration, and common generic and trade name medications. Applies to Associate Degree. Transfer credit: CSU

HS M24 Emergency Medical Technician I (Basic) _____ 4.00 Units
PREREQUISITES: HS M18 or American Heart Association Basic Life Support (BLS) CPR or American Red Cross CPR for the Professional Rescuer or American Safety and Health Institute CPR for the Professional Rescuer with current card.

COREQUISITE: HS M24L taken concurrently.

RECOMMENDED PREPARATION: HS M19

Prepares the student to render pre-hospital basic life support at the scene of an emergency, during transport of the sick and injured or during inter-facility transfer. Selected topics in anatomy, physiology, patient assessment, and emergency will be presented. Successful completion of this course and HS M24L will allow the student to take the state and national certificate examinations for EMT-1 (Basic). Applies to Associate Degree.

Some class offerings and room assignments may have changed since printing this schedule.

126 Please see the web for the most up to date class - www.moorparkcollege.edu/htdocs/schedule

HS M24L Emergency Medical Technician Basic Laboratory _____ 1.00 Unit

PREREQUISITES: *HS M18 or American Heart Association Basic Life Support (BLS) CPR or American Red Cross CPR for the Professional Rescuer or American Safety and Health Institute CPR for the Professional Rescuer with current card.*

COREQUISITE: *HS M24*

Prepares the student to render pre-hospital basic life support at the scene of an emergency, during transport of the sick and injured or during inter-facility transfer. Applies the theory of patient assessment and emergency care presented in HS M24. Provides skills training and clinical experience in an emergency room and on an emergency vehicle. Successful completion of this course and HS M24 will allow taking the state certification for EMT-1 Basic (providing all other state requirements are met and the student is at least 18 years of age at the time of examination). Applies to Associate Degree.

HS M24R EMT-1 (Basic) Recertification _____ 2.00 Units

PREREQUISITES: *Current EMT-B Certification from the State of California*

Designed to update the emergency medical technician and meet state requirements for recertification. Reviews life support assessment, emergency interventions, and the use of emergency equipment and supplies. May be taken a maximum of 4 times for credit. Applies to Associate Degree.

HS M25 Introduction to Pathophysiology _____ 3.00 Units

PREREQUISITES: *ANPH M01 or ANAT M01 and PHSO M01 and High School Chemistry or CHEM M12 or CHEM M01A or equivalent*

Introduces fundamentals of pathophysiology, focusing on physiologic changes and altered functions resulting from disease processes. Reviews principles from anatomy, physiology, and chemistry as foundation for study of basic disease process concepts, body systems, etiology, and pathogenesis of various disorders. Explores diagnostic procedures, preventative measures, and current therapeutic regimens. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU

HS M30 Basic Cardiac Dysrhythmia Interpretation _____ 1.50 Units

Introduces the skills necessary to interpret basic cardiac dysrhythmias and to intervene in their treatment. The focus is on a systematic approach for the identification and classification of dysrhythmias according to site of origin and prognosis. Applies to Associate Degree. Transfer credit: CSU

HEBREW

HEB M01 Elementary Hebrew I _____ 4.00 Units

Introduces Hebrew language, culture, history and people, emphasizing speaking, understanding, reading and writing skills. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 60 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 6A

HISTORY

HIST M01A An Introduction to Western Civilization _____ 3.00 Units

Introduces important events and developments in Western civilization from prehistory through the sixteenth century. Focuses on ideas, institutions, and contributions. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3B, 4F. CAN: HIST 2; HIST SEQ A (HIST M01A+M01B)

HIST M01B An Introduction to Western Civilization _____ 3.00 Units

Introduces important events and developments in Western civilization from the seventeenth century to modern times. Focuses on ideas and institutions. (Hits M01A not prerequisite). Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3B, 4F. CAN: HIST 4; HIST SEQ A (HIST M01A + M01B)

HIST M03A African American History to 1877 _____ 3.00 Units

A survey of United State history with an emphasis on the African American experience from 15th century Africa to the era of Reconstruction. Focuses on the political, social, economic, cultural and intellectual trials of African Americans and their contributions to the growth of the United States. Partially satisfies the Title V United States History, Constitution, and American Ideals requirement. (Formerly a portion of HIST M03) Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA4C, 4F.

HIST M04 History of Mexican Americans in the United States _____ 3.00 Units

A survey of the American experience from colonial beginnings to the present. Emphasizing the history of Mexican Americans. Examines the changing roles and contributions of Mexican Americans in the context of the social, political, and economic history of the United States. (Same course as CHST M04.) Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4C, 4F.

HIST M06 History of the American Indian _____ 3.00 Units

Introduces indigenous peoples of the Western Hemisphere from Pre-Columbian times to present. Reviews places and cultures of North America, emphasizing association of those with mixed ancestry to mainstream Anglo-America. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4F.

HIST M07A Social and Political History of the United States _____ 3.00 Units

Introduces creation and development of American Society to 1865, analyzing impact of individuals and groups. Explores colonial foundation of American cultural heritage; growth of U.S. political party system; women and social reform; the institution of and movement to abolish slavery; and the Civil War, including its causes and repercussions. Applies to Associate Degree. Transfer credit: CSU; UC (HIST M07A, M07B, M25, and M25H: maximum credit, two courses). IGETC AREA 4F. CAN: HIST 8; HIST SEQ B (HIST M01A + M01B).

HIST M07B Social and Political History of the United States _____ 3.00 Units

Evaluates social and political adjustment from 1865 to the present, emphasizing effect on contemporary Americans. Reviews individual and group contributions surrounding such issues as westward expansion, industrial development, ethnic confrontations, religious tolerance, and social and political reform movements. Applies to Associate Degree. Transfer credit: CSU; UC (HIST M07A, M07B, M25, and M25H: maximum credit, two courses). IGETC AREA 4F. CAN: HIST 10; HIST SEQ B (HIST M01A + M01B).

HIST M08 History of California _____ 3.00 Units

Introduces the political and social development of California from early Native California cultures to the present. Applies to Associate Degree. Transfer credit: CSU; UC; IGETC AREA 4F.

HIST M12 History of American Women _____ 3.00 Units

The history of the United States from the 17th century to the present, tracing the changing roles of women. Evaluates the contributions made by famous and iaverage women and the boundaries they faced. Contrasts myth and reality for Euro-American and ethnic minority women. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4D, 4F.

- HIST M14 Ethnicity and Gender in American History _____ 3.00 Units
Surveys the experience of Native Americans, Latinos, Asian Americans, African-Americans, and women throughout American history, assessing their accomplishments, the persistence of stereotypes, and the continuity and change in the position of these different groups. Analyzes historical documents, films, and literature. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4F
- HIST M15 Asian Civilization I _____ 3.00 Units
Provides overview of civilizations and individuals that provided key contributions to the history of Asia. Covers the earliest written records to 1600, including selected topics from the ancient, classical, medieval and early modern periods. Emphasizes India and China but references all areas of monsoon Asia, including Japan, Korea, South East Asia and the Central steppes. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4F
- HIST M20A World History I _____ 3.00 Units
Introduces major civilizations of Asia, Europe, Africa and the Americas from pre-history through 1500, covering each civilization 's religions and cultural achievements, as well as its political, economic and social structures. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3B, 4F. CAN: HIST 14; HIST SEQ C (HIST M20A & HIST M20B)
- HIST M20B World History II _____ 3.00 Units
Introduces major civilizations of Asia, Europe, Africa and the Americas from 1500 to the present, covering each civilization 's religions and cultural achievements, as well as its political, economic and social structures. (HIST M20A not prerequisite). Applies to Associate Degree. Transfer credit: CSU; UC (IGETC AREA 3B or 4). IGETC AREA 3, 4F. CAN: HIST 16; HIST SEQ C (HIST M20A & HIST M20B).
- HIST M25 History of the United States _____ 3.00 Units
RECOMMENDED PREPARATION: ENGL M01A
Surveys the political, economic, and social development of the United States. Traces the constant and changing values that shaped American institutions. Analyzes the diversity of the American people the heroes Americans have treasured and the significant choices Americans have made. Partially satisfies the Title V United States History, constitution, and American Ideals requirement. Applies to Associate Degree. Transfer credit: CSU, UC (HIST M07A, M07B, M25 and M25H combined: maximum credit, two courses). IGETC AREA 4F
- HIST M25H ★ ★ ★ Honors: History of the United States _____ 3.00 Units
RECOMMENDED PREPARATION: ENGL M01A
Provides honors work in a survey of the political, economic, and social development of the United States. Traces the constant and changing values that shaped American intuitions. Analyzes the diversity of the American people ñ the heroes Americans have treasured and the significant choices Americans have made. Partially satisfies the Title V United States History, constitution, and American Ideals requirement. Honors work challenges students to be more analytical and creative through expanded assignments, real-world applications and enrichment opportunities. Applies to Associate Degree. Transfer credit: CSU, UC (HIST M07A, M07B, M25 and M25H combined: maximum credit, two courses). IGETC AREA 4F
- HIST M60C World War II The World at War _____ 3.00 Units
PREREQUISITES: A previous course in History
Analyzes World War II as the most cataclysmic and important event in our time, noting its continuing effect on contemporary society. Applies to Associate Degree. Transfer credit: CSU; UC

HUMANITIES

- HUM M01 The Individual and Society _____ 6.00 Units
Team-taught interdisciplinary course is designed to increase students' knowledge and understanding of the world in which they live. Through an analysis of history and social issues, students will learn about the accomplishments of people who have shaped civilization and its institutions. In the process, students will develop an awareness of the responsibility each of us has to preserve and, as needed, to improve our society. Places special emphasis on developing writing skills. Applies to Associate Degree. Transfer credit: CSU
- HUM M07 Humanities through the Arts _____ 3.00 Units
Examines the humanities as seen through various art forms: music, literature, painting, sculpture, photography, architecture, and film, with an emphasis on the history, techniques, meaning, and evaluation of individual works of Western art. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3A, 3B.
- HUM M10A Ethics, Culture and the Arts: The Roots of the Humanities _____ 3.00 Units
Introduces human cultural heritage from earliest times to approximately 1000 CE, emphasizing major ideas of several periods of Western civilization. Examines literature, philosophy, music, painting, and sculpture of each era. Highlights ethical choices and aesthetic responses possible within each period. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3B

INTERIOR DESIGN

- ID M11 Beginning Interior Design _____ 3.00 Units
Introduces students to an extensive range of products and services available through the field of Interior Design. Applies design theories including the principles and elements of design, light and color. Students begin to develop skills in effective space planning, business organization, and meeting the challenges of individual requirements through the design process. (Formerly ID M05). Applies to Associate Degree. Transfer credit: CSU
- ID M12 Materials and Installations _____ 3.00 Units
RECOMMENDED PREPARATION: SPCH M01 and ID M11
Explores various products and materials common to the field of Interior Design and methods of installation. Students employ skills in coordinating a presentation in public speaking related to a specific product and/or material. Emphasis placed on developing a trade resource file and utilizing it in the procurement, specification, and pricing for a design project. (Formerly ID M06). Applies to Associate Degree. Transfer credit: CSU
- ID M13 Textiles _____ 3.00 Units
Introductory analysis of the various stages of textile manufacturing and production. Students identify textiles according to fiber content, construction, coloration and finishing processes, and end uses. It is designed to employ techniques that will aide in the selection and care of textiles. (Formerly ID M31). Applies to Associate Degree. Transfer credit: CSU; UC
- ID M14 Intermediate Interior Design _____ 3.00 Units
RECOMMENDED PREPARATION: ID M11, ID M12, ART M20, SPCH M01
Intermediate course refines students ' skills in applying the principles and elements of Interior Design. Students explore diverse interior environments and develop design solutions that meet function, aesthetics, psychological, and emotional requirements of the inhabitants. (Formerly ID M08). Applies to Associate Degree. Transfer credit: CSU

Some class offerings and room assignments may have changed since printing this schedule.

128 *Please see the web for the most up to date class - www.moorparkcollege.edu/htdocs/schedule*

ID M15 Space Planning _____ 3.00 Units

RECOMMENDED PREPARATION: ID M11, DRFT M03A

Application and analysis of design concepts in space planning. Explores techniques enabling students to creatively resolve challenges relative to function and quality of human environments. Integrates limitations set by barrier-free design. Topics of discussion also include task management as well as technical considerations such as lighting and code requirements. (Formerly ID M07) Applies to Associate Degree. Transfer credit: CSU

ID M16 History of Furniture _____ 3.00 Units

RECOMMENDED PREPARATION: ID M15, Internet Computer Skills

Explores the dominant characteristics of historical styles for home furnishings, decorative arts, and architecture from antiquity to the present. Emphasis is placed on style development as it relates to social, economic, and political influences. (Formerly ID M10). Applies to Associate Degree. Transfer credit: CSU

ID M17 Advanced Interior Design _____ 3.00 Units

RECOMMENDED PREPARATION: ID M11, ID M12, ID M14, SPCH M01, MATH M09

Examines the administration of an Interior Design business through the development of a portfolio, instruction in verbal and visual presentation, and exercise proficiency in the application of Interior Design business practices. Students also refine skills in using the design process to solve problems. (Formerly ID M09) Applies to Associate Degree. Transfer credit: CSU

ID M60B Faux Finishes _____ 1.50 Units

Provides hands-on learning using Faux Finishing techniques, including how to simulate wood, marble, stone, brick and fabric. Requires creation of sample boards for all techniques. Applies to Associate Degree. Transfer Credit: CSU

ID M60C Lighting for Interior Spaces _____ 1.50 Units

Includes lighting basics, illumination requirements, sources of light, symbol requirements for floor plans and lighting as a source of art. Focuses on lighting design specifications. Applies to Associate Degree. Transfer Credit: CSU

ID M60D Feng Shui _____ 0.50 Unit

Introduces Feng Shui, traditional Chinese technique that ensures harmony between design and surroundings. Applies to both residential and commercial settings. Requires practical application of Feng Shui guidelines in class projects. Applies to Associate Degree. Transfer Credit: CSU

ID M60E Window Treatment Design _____ 1.50 Units

Introduces window treatment design, including fabric requirements, window function, hardware requirements, window measuring, and proper window treatment specification. Emphasizes proper workroom procedure and professional expectations. May be taken for a total of two (2) times for credit. Applies to Associate Degree. Transfer Credit: CSU

ITALIAN

ITAL M01 Elementary Italian I _____ 4.00 Units

Introduces Italian language, culture, history and people, emphasizing speaking, understanding, reading and writing skills. Requires individualized work in lab each week. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 60 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 6A. CAN: ITAL 2; ITAL SEQ A (ITAL M01+M02)

ITAL M31A Beginning Practical Italian I _____ 3.00 Units

Provides basic understanding and use of Italian in practical situations, emphasizing elementary grammar and principles of usage for non-native speakers. Provider approved by the California Board of Registered Nursing. Provider number CEP2881 for 45 contact hours. May be taken two (2) times for credit. Applies to Associate Degree.

JAPANESE

JAPN M01 Elementary Japanese I _____ 4.00 Units

Introduces Japanese language, culture, history and people, emphasizing speaking, understanding, reading and writing skills. Requires individualized work in lab each week. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 60 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 6A. CAN: JAPN 2, SEQ A (JAPN M01 + M02)

JAPN M31A Beginning Practical Japanese I _____ 3.00 Units

Provides basic understanding and use of Japanese in practical situations, emphasizing grammar and principles of usage for non-native speakers. Provider approved by the California Board Registered Nursing. Provider number CEP2811 for 45 contact hours. May be taken two (2) times for credit. Applies to Associate Degree.

JOURNALISM

JOUR M01 Media and Society _____ 3.00 Units

Surveys history and nature of print and electronic media in America, examining social, political and cultural implications. (Same course as RT M01). Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4G. CAN: JOUR 4.

JOUR M02 Writing and Reporting for the Media _____ 3.00 Units

Introduces reporting and writing for the media. Focuses on information gathering, interviewing and writing for print and broadcast media. Emphasizes news reporting, including the basics of feature writing, journalism law and ethics. Applies to Associate Degree. Transfer credit: CSU. UC (under review). CAN: JOUR 2

JOUR M03 Advanced News/Feature Writing _____ 3.00 Units

Focuses on writing feature articles used in magazines and newspapers. Emphasizes techniques for gathering material. Provides practical experience through writing for school newspaper. Applies to Associate Degree. Transfer credit: CSU

JOUR M04 Magazine Article Writing _____ 3.00 Units

Introduces writing feature articles, reviews, and editorials suitable for magazine publication. Includes editing practice and use of illustrative materials. Applies to Associate Degree. Transfer credit: CSU

JOUR M08	Basic Photo Journalism _____	3.00 Units
PREREQUISITES: PHOT M01A or suitable portfolio		
Introduces aspects of photography applicable to mass communication, broadcast and print journalism. Concentrates on translating ideas to images for reproduction in magazines and newspapers and as book illustrations. Includes special effects, use of camera and light as creative tools, and basic motion picture techniques. May be taken two (2) times for credit. (Same course as PHOT M08). Applies to Associate Degree. Transfer credit: CSU		
JOUR M10A	Newspaper Staff _____	3.00 Units
Emphasizes content and presentation of the college newspaper, including news, features, opinion articles, photos, graphics and advertising. Refines investigative and multi-source writing skills. Applies to Associate Degree. Transfer credit: CSU		
JOUR M10B	Newspaper Editorial Staff _____	3.00 Units
Emphasizes writing, copy editing, headline writing, and page layout for pre-production of the college newspaper. Explores various aspects of editorial roles and responsibilities. Applies to Associate Degree. Transfer credit: CSU		
JOUR M10C	Newspaper Production _____	3.00 Units
RECOMMENDED PREPARATION: GR 20 and GR 23		
Provides hands-on experience in the pagination and production of the college newspaper. Provides hands-on learning through electronic assembly of the newspaper using computers, scanners and other related equipment. Includes techniques in electronic assembly for both print and web production. May be taken two (2) times for credit. Applies to Associate Degree. Transfer Credit: CSU		
JOUR M12	Broadcast Journalism _____	3.00 Units
Provides advanced practice in preparation of radio and television newscasts. Develops interviewing skills. Includes writing original news copy as well as editing and rewriting wire service copy for on-air purposes. Requires use of remote recording equipment. (Same course as RT M12). Applies to Associate Degree. Transfer credit: CSU		
JOUR M13	Broadcast News Production _____	3.00 Units
RECOMMENDED PREPARATION: RT M02A or RT M02B or concurrent enrollment in JOUR M12/RT M12		
Training in producing news for television and multimedia applications with an emphasis on the use of digital newsgathering equipment, producing newscasts and on-air presentation of completed stories. Provides operational skills and techniques through practical hands-on experiences in: studio directing, location shooting, and editing. Students will form a crew and create news productions to air on the Moorpark College website. (Same course as RT M13). Applies to Associate Degree. Transfer credit: CSU.		
JOUR M14	Introduction to Public Relations _____	3.00 Units
Introduces origins of public relations including key definitions, processes, and audiences. Reviews public relations in business, associations, volunteer agencies and educational institutions. Includes how to write, prepare and submit release to video/audio and print media. Applies to Associate Degree. Transfer Credit: CSU		

LATIN

LAT M01	Latin _____	4.00 Units
Focuses on gaining fluency and accuracy in reading Latin while learning Roman culture, history and the lasting influence of the Romans on the modern world. Designed for students with no previous Latin. May be taken a maximum of one (1) time. Applies to the Associate Degree. Transfer credit: CSU; UC. IGETC AREA 6A.		

LEARNING SKILLS

LS M02	Basic Writing Skills _____	3.00 Units
COREQUISITE: LS M02L		
Develops basic writing skills including grammar, usage, and correct sentence structure. Enables students to write sentences, paragraphs, and short essays. May be taken two (2) times for credit. Does not apply toward a degree.		
LS M02L	Writing Skills Laboratory _____	0.50 Unit
COREQUISITE: LS M02		
Class Hours: 1.5 lab		
Introduces computer word processing, proofreading tools, and assistive technology to enhance the writing process. Offers practice and reinforcement of concepts and strategies taught in LS M02. Offered on a credit/no-credit basis only. May be taken two (2) times for credit. Does not apply toward a degree.		
LS M03	Study Strategies _____	3.00 Units
Introduces fundamental principles of study strategies and the creation of a Learning Profile to develop educational, career and life goals. Includes time management, reading and study strategies, memory improvement, test-taking, note-taking, and research strategies. Emphasizes independent critical thinking skills and appropriate use of available resources on the campus and in the community. Small class setting provides opportunity to address individual learning differences and diversity. Instruction is designed to meet the educational needs of students with or without disabilities. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC.		
LS M04	Reading and Reasoning _____	3.00 Units
COREQUISITE: LS M04L		
Develops essential reading skills for students with learning disabilities or reading comprehension difficulties. Includes critical thinking skills, inferential comprehension, problem-solving activities and vocabulary development. May be taken two (2) times for credit. Does not apply toward a degree.		
LS M04L	Reading Skills Laboratory _____	0.50 Unit
COREQUISITE: LS M04		
Class Hours: 1.5 lab		
Develops reading comprehension skills and vocabulary through the use of computer-based instruction. Provides practice and reinforcement of reading strategies taught in LS M04, Reading and Reasoning. Offered on a credit/no-credit basis only. May be taken two (2) times for credit. Does not apply toward a degree.		
LS M07A	Basic Math Skills I _____	3.00 Units
Foundational math course designed for students with math anxiety, who have difficulty understanding and applying mathematical concepts. Covers basic operation with whole numbers, decimals, and fractions. Teaches math test-taking strategies and mnemonic skills for learning and recalling math operations, which can be used in subsequent math courses. May be taken two (2) times for credit. Does not apply toward a degree.		

Some class offerings and room assignments may have changed since printing this schedule.

130 *Please see the web for the most up to date class - www.moorparkcollege.edu/htdocs/schedule*

- LS M07B Basic Math Skills II _____ 3.00 Units
 Foundational math course designed for students with math anxiety, who have difficulty understanding and applying mathematical concepts. Covers percents, proportions, measurement and basic algebra. Teaches math test-taking strategies and mnemonic skills for learning and recalling math operations, which can be used in subsequent math courses. May be taken two (2) times for credit. Does not apply toward a degree.
- LS M09 Strategies for Personal Success _____ 3.00 Units
 Develops personal management skills in a small group setting. Explores issues relevant to the disabled population, such as coping with disabilities, learning advocacy techniques, building interpersonal skills through acquiring appropriate communication techniques, developing strategies for setting and following through on goals, time management, wellness issues and career exploration. Stress management, assertiveness training and risk taking skills are emphasized. May be taken two (2) times for credit. Does not apply toward a degree.
- LS M11 Memory Improvement Strategies _____ 3.00 Units
 Introduces a variety of memory techniques and strategies to improve the ability to organize and remember information for school and general life activities. May be taken two (2) times for credit. Does not apply to a degree.
- LS M13 Strategies for Positive Self Esteem _____ 3.00 Units
 Introduces a ten-step model designed to help students become self-empowered individuals with positive self-esteem. Topics include: letting go of negative past experiences; developing appreciation of self and others; clarifying purpose and vision; setting new goals and objectives; visualization; affirmations; finding success in college, the workplace, the home environment, and in interpersonal relationships; maintaining self-esteem. Does not apply toward a degree.
- LS M14 Computer and Tutorial Instruction _____ 0.50 to 1.50 Units
 Provides students with the opportunity to develop academic skills through the use of computer-based or small group instruction. Individualized, self-paced instruction is determined by student's identified learning needs. Areas of instruction may include assistive technology training, computer skills development, reading, writing, mathematics, job skills, and study strategies. Offered on a credit/no credit basis only. May be taken four (4) times for credit. Does not apply toward a degree.
- LS M30 Identification and Management of Learning Differences _____ 0.50 to 1.00 Unit**
COREQUISITE: *Must be enrolled in at least one, 2 unit or more, academic or vocational class. Student must obtain approval from an ACCESS specialist to enroll in this course.*
 Introduces and develops learning strategies and self-advocacy skills for students with special needs. Content may include, but is not limited to: assessment for learning differences by a specially trained staff member, review of related literature, audiovisual materials, and assistive technology as appropriate. Student will produce an individual learning profile at the conclusion of the course. Does not apply toward a degree.

MATHEMATICS

- MATH M01 Elementary Algebra _____ 5.00 Units
RECOMMENDED PREPARATION: MATH M09
 Briefly reviews arithmetic, including integers, fractions and decimals. Covers linear equations and inequalities, graphing, systems of linear equations, polynomials, rational expressions, integer exponents, square roots and radical expressions, and quadratic equations and the quadratic formula. Applies to Associate Degree.
- MATH M01A Elementary Algebra Part A _____ 3.00 Units
RECOMMENDED PREPARATION: MATH M09
 Briefly reviews arithmetic, including integers, fractions, and decimals. Covers linear equations and inequalities, graphing, and systems of linear equations. Both MATH M01A and M1B must be taken for credit to be given for MATH M01.
- MATH M02 Fundamentals of Geometry _____ 3.00 Units
RECOMMENDED PREPARATION: MATH M01; MATH M03 may be taken concurrently.
 Concentrates on definitions and properties of lines, segments, planes, rays, angles, triangles, circles and polygons, congruence and similarity of triangles, coordinate systems, areas, volumes, space geometry, triangle trigonometry and methods of proof. Does not apply toward a degree.
- MATH M03 Intermediate Algebra _____ 5.00 Units
RECOMMENDED PREPARATION: MATH M01
 Reviews elementary algebra, including factoring, rational expressions, linear equations and inequalities. Covers determinants and Cramer's Rule, exponents and radicals, complex numbers, functions and graphs, quadratic equations, and exponential and logarithmic functions. Applies to Associate Degree.
- MATH M03A Intermediate Algebra Part A _____ 3.00 Units
RECOMMENDED PREPARATION: MATH M01 or MATH M01B
 Reviews elementary algebra and covers equations, inequalities, problems solving, graphs and functions, systems of equations, polynomials, and rational polynomial expressions. The first part of a two-semester course. Reviews elementary algebra and covers equations, inequalities, problems solving, graphs and functions, systems of equations, polynomials, and rational polynomial expressions. The first part of a two-semester course. MATH M03A and MATH M03B are equivalent to MATH M03. A student may receive unit credit for either MATH M03 or MATH M03A and MATH M03B, not both. A student may receive unit credit for either MATH M03 or MATH M03A and MATH M03B, not both.
- MATH M04A Technical Mathematics I _____ 5.00 Units
PREREQUISITES: MATH M01 or equivalent college course, or equivalent skills which may be measured by the college assessment process.
 Reviews integer and fraction computations. Covers linear equations and inequalities, graphing, linear functions, systems of linear equations, integer exponents, polynomials, factoring, rational expressions and equations. The first part of a two-semester course. A passing grade in both MATH M04A and MATH M04B must be obtained in order to receive unit credit for Elementary and Intermediate Algebra. Students receiving credit in both MATH M04A and MATH M04B will not receive credit for MATH M01 or MATH M03.
- MATH M05 College Algebra _____ 3.00 Units
PREREQUISITES: MATH M03
 Covers polynomial functions, rational functions, theory of equations, logarithmic and exponential functions, complex numbers, mathematical induction, sequences and series, binomial theorem, and matrices and determinants. Completing MATH M05 and MATH M06 is same as completing MATH M07. Applies to Associate Degree. Transfer credit: CSU; UC (MATH M05 and MATH M07 combined: maximum credit, one course). IGETC AREA 2A. CAN: MATH 10.

MATH M06 Trigonometry _____ 3.00 Units

PREREQUISITES: MATH M05.

Covers functions, trigonometric functions, solutions of triangles, radian measure, analytic trigonometry, trigonometric identities and equations, composite angle identities, inverse trigonometric functions, complex numbers and polar equations. Completing MATH M05 and MATH M06 is same as completing MATH M07. Applies to Associate Degree. Transfer credit: CSU. CAN: MATH 8

MATH M07 College Algebra and Trigonometry _____ 5.00 Units

PREREQUISITES: MATH M03

Integrates college algebra and trigonometry. Recommended if entering MATH M25ABC sequence. Includes basic algebraic concepts, equations and inequalities of the first and second degree, functions and graphs, linear and quadratic functions, polynomial functions of higher degree, rational functions, exponential and logarithmic functions, trigonometric functions, analytical trigonometry, systems of equations and inequalities, and sequences and series. Taking MATH M05, M06, M07 receives maximum credit of 6 units. Completing MATH M07 is same as completing both MATH M05 and MATH M06. Applies to Associate Degree. Transfer credit: CSU; UC (MATH M05 and MATH M07 combined: maximum credit, one course). IGETC AREA 2A. CAN: MATH 16

MATH M09 PreAlgebra _____ 3.00 Units

Prepares students for algebra, emphasizes basic arithmetic operations on fractions, decimals, and signed numbers. Provides drills to reinforce operations. Emphasizes problem solving and practical applications on topics such as percent, proportion, and measurement. Includes introduction to basic algebra. Does not apply toward a degree.

MATH M10 Mathematics for Elementary Teachers _____ 3.00 Units

PREREQUISITES: MATH M03 or equivalent skills

Covers language of sets; systems of numeration; nature of numbers and the fundamentals of operations; domain of integers; and fields of rational and real numbers. Satisfies credential requirements for elementary and junior high teachers and/or general education option under basic studies. Not recommended for majors in physical sciences or mathematics. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: MATH 4

MATH M13 Mathematical Ideas _____ 3.00 Units

PREREQUISITES: MATH M03

Introduces liberal arts students to the nature of mathematics, the character and origin of different subject fields in mathematics and the application of mathematics to several disciplines. Includes topics in logic, voting theory, management science including circuits, probability, statistics, growth and geometry and related applications such as the traveling salesman problem, fair division, symmetry in nature, and population growth. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: MATH 2

MATH M15 Introductory Statistics _____ 5.00 Units

PREREQUISITES: MATH M03

Explores nature of statistical methods, including the description of sample data, probability, theoretical frequency distributions, sampling, estimation, testing hypotheses, and special topics. Provides problem solving techniques. Applies to Associate Degree. Transfer credit: CSU; UC (MATH M15 and M15H combined: maximum credit, one course). IGETC AREA 2A. CAN: STAT 2

MATH M15H ★ ★ ★ Honors: Introductory Statistics _____ 5.00 Units

PREREQUISITES: MATH M03 with a grade of B or better.

Provides honors work in the nature of statistical methods, including the description of sample data, probability, theoretical frequency distributions, sampling, estimation, testing hypothesis, and special topics. Provides problem-solving techniques. Honors work challenges students to be more analytical and creative through expanded assignments, real-world applications and enrichment opportunities. Applies to Associate Degree. Transfer credit: CSU; UC (MATH M15H and MATH M15 combined: maximum credit, one course). IGETC AREA 2A

MATH M16A Applied Calculus I _____ 3.00 Units

PREREQUISITES: MATH M05 or MATH M07

Covers limits, continuity, and differentiation. Applies differential calculus to problems in business, economics, social and biological sciences. Introduces anti-differentiation. Applies to Associate Degree. Transfer credit: CSU; UC (MATH M16A, M25A, and M25AH combined: maximum credit, one course). IGETC AREA 2A. CAN: MATH 30, MATH SEQ D (MATH M16A+M16B).

MATH M16B Applied Calculus II _____ 3.00 Units

PREREQUISITES: MATH M16A or MATH M25A

Includes integration, elementary and separable differential equations, functions of several variables, partial derivatives, relative maxima and minima, Lagrange multipliers, method of least squares, double integrals, infinite series, Taylor Approximation, and Newton's method. Applies calculus to problems in business, economics, and social and biological sciences. Applies to Associate Degree. Transfer credit: CSU; UC (MATH M16B and MATH M25B combined: maximum credit, one course). IGETC AREA 2A. CAN: MATH 32, MATH SEQ D (MATH M16A+M16B).

MATH M25A Applied Calculus II _____ 5.00 Units

PREREQUISITES: MATH M05 and MATH M06 or MATH M07

Covers limits, continuity, differentiation and integration of algebraic functions with applications, differentiation and integration of elementary transcendental functions with applications, and solutions of first order, separable differential equations with applications. Applies to Associate Degree. Transfer credit: CSU; UC (MATH M16A, M25A, and M25AH combined: maximum credit, one course). ; IGETC AREA 2A. CAN: MATH 18, MATH SEQ A (MATH 25A+25B); SEQ B (MATH M25A + M25B + M25C)

MATH M25AH ★ ★ ★ Honors: Calculus with Analytic Geometry I _____ 5.00 Units

PREREQUISITE: MATH M05 and MATH M06, or MATH M07

RECOMMENDED PREPARATION: MATH M02

Provides Honors work covering limits, continuity, differentiation of algebraic functions with applications, differentiation and integration of elementary transcendental functions with applications, and solutions of first order, separable differential equations with applications. Emphasizes mathematical rigor and in depth analysis of real-world applications. Honors work challenges students to be more analytical and creative through expanded assignments and enrichment opportunities. Applies to Associate Degree. Transfer credit: CSU, UC (MATH M16A, M25A, and M25AH combined: maximum credit, one course). IGETC AREA 2A.

MATH M25B Calculus with Analytic Geometry II _____ 5.00 Units

PREREQUISITES: MATH M25A or MATH M16B

Reviews differentiation and integration of logarithmic and exponential functions, then covers inverse trigonometric and hyperbolic functions, techniques of integration, improper integrals and L'Hospital's Rule, sequences, series, and Taylor's Theorem, and analytical geometry including conic sections, translations, rotations, and applications of integration and differentiation. Applies to Associate Degree. Transfer credit: CSU; UC (MATH M25B and MATH M16B combined: maximum credit, one course). IGETC AREA 2A. CAN: MATH 20, MATH SEQ A (MATH M25A + M25B), SEQ B (MATH M25A + M25B + M25C).

Some class offerings and room assignments may have changed since printing this schedule.

132 Please see the web for the most up to date class - www.moorparkcollege.edu/htdocs/schedule

MATH M25C Calculus with Analytic Geometry III _____ 5.00 Units

PREREQUISITES: MATH M25B

Covers vectors in plane and in three dimensional space, dot and cross products, spherical and cylindrical coordinates of several variables, partial derivatives, gradients, Lagrange multipliers, multiple integrals and their applications, vector calculus with line and surface integrals, Green's Stokes', and Divergence Theorems and applications. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: MATH 22, MATH SEQ B (MATH M25A + M25B + M25C)

MATH M31 Introduction to Linear Algebra _____ 3.00 Units

PREREQUISITES: MATH M25B

Covers linear systems, matrices, vector spaces, linear transformations, eigenvectors and eigenvalues, proofs, and applications. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: MATH 26

MATH M35 Applied Differential Equations _____ 3.00 Units

PREREQUISITES: MATH M25B

Covers ordinary differential equations, equations with constant coefficients, variation of parameters, Laplace transforms, systems of linear equations, first order differential equations, series solutions, and existence and uniqueness of solutions. Emphasizes applications to physics and engineering as well as an introduction to numerical solutions. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: MATH 24

MICROBIOLOGY

MICR M01 General Microbiology _____ 5.00 Units

PREREQUISITES: BIOL M02A or equivalent and CHEM M01A or CHEM M12 or high school chemistry all with a grade of C or better

Microbiological principles and lab techniques related to the morphology, metabolism, genetics, classification, and ecology of bacteria are emphasized. Characterization of viruses and eukaryotic microorganisms is also covered. Content on human disease includes characteristics of pathogens, immunology, and epidemiology. Laboratory exercises include aseptic technique, staining, the determination of bacterial growth conditions and requirements, and the identification of an unknown bacterium. In addition, clinical applications are included in lab exercises, as well as the examination of the bacteriology of water, soil, and food. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5B. CAN: BIOL 14.

MULTIMEDIA

MM M10 Introduction to Digital Media _____ 3.00 Units

RECOMMENDED PREPARATION: Eligibility for English M01A

Introduction to the technology, concepts and principles of production used in the New Media industry. Beginning with 2D and 3D presentations, students will look at integration of graphics, text, sound and video for platforms such as the World Wide Web, CD-ROM, DVD, and interactive television. Students will learn to think critically about design for multimedia, while considering the practical, technical, production, and budgetary constraints. Students will also study the history of Multimedia, and gain hands-on experience in the basics of multimedia design and production using Adobe Photoshop and Macromedia Flash. (Previously MM M01.) Applies to Associate Degree. Transfer credit: CSU

MM M20 Web Design _____ 3.00 Units

RECOMMENDED PREPARATION: Eligibility for English M01A. Computer fundamentals including operating systems, file management, word processing, MM M10 and CIS M30.

Introduction to the fundamental aspects of web design, including information architecture, interface design, usability, color theory, web graphics, file formats and hosting. Still images, simple animation, type, desktop video and sound, and basic interactivity will be used in the design process. Students will produce projects from concepts to completion using Macromedia Fireworks, Flash, Dreamweaver. (Previously MM M02.) Applies to Associate Degree. Transfer credit: CSU

MM M30 Motion Graphics _____ 3.00 Units

RECOMMENDED PREPARATION: Eligibility for English M01A. Computer fundamentals including operating systems, file management, word processing and MM M10 and RT M02A

Develops the concepts, skills and techniques used in creating and editing motion graphics through hands-on digital video production exercises. Fundamental principles of time-based design, including forms of narrative, storyboarding, composition, visual design and sound and motion will be explored. Using video editing software and Adobe After Effects, students will produce projects from concept to completion. (Previously MM M03.) Applies to Associate Degree. Transfer credit: CSU

MM M40 Introduction to 3D Modeling and Animation _____ 3.00 Units

RECOMMENDED PREPARATION: MM M10 and Eligibility for English M01A

Introduces the fundamental concepts of 3D computer design, including: modeling, texture mapping and animation. Students create character animation, construct set designs, and complete an independent animated project. Emphasis is upon the conceptual issues and strategies in project development, as well as a working knowledge of Cinema 3D software. (Previously MM M04.) Applies to Associate Degree. Transfer credit: CSU

MM M50 Interactive Design _____ 3.00 Units

RECOMMENDED PREPARATION: MM M20 and Eligibility for English M01A. Web Design Fundamentals.

Focuses on the total design of web and interactive media application. Topics include design issues and methodology, design and implementation of audio, video, and 3D elements, production processes, teamwork, compatibility issues, optimization, and testing. Working in teams, students will participate in a directed design and implementation of an interactive media application using Cinema 4D, Adobe After Effects, and Macromedia Flash. (Previously MM M05.) Applies to Associate Degree. Transfer credit: CSU

COLLEGE PHOTO I.D.

Now available for just \$10 per semester or \$15 per year! Card holders receive free admission to all home Moorpark College athletic events, reduced cost to college events & activities, AND discounts at local movie theaters and local businesses.

New, easy on-line payment plan - **eCASHIER**

MUSIC

- MUS M01** Fundamentals of Music _____ 3.00 Units
Introduces music theory, notation, intervals, scales, triads, sight singing, and dictation for those with little or no musical experience. Applies to Associate Degree. Transfer credit: CSU; UC (no credit if taken after MUS M02A). IGETC AREA 3A
- MUS M02A** Diatonic Harmony _____ 3.00 Units
PREREQUISITES: MUS M01
COREQUISITE: MUS M02AL
Studies diatonic harmonic vocabulary, four-part chorale writing and voice leading, figured bass, harmonic progression, melodic invention and harmonization and nonharmonic tones. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: MUS 2
- MUS M02AL** Aural Skills I _____ 2.00 Units
COREQUISITE: MUS M02A
Includes sight-singing, as well as rhythmic, melodic, and diatonic harmonic dictation to correlate to harmonic vocabulary of MUS M02A. Makes extensive use of Music Learning Center. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: MUS 2
- MUS M02B** Chromatic Harmony _____ 3.00 Units
PREREQUISITES: MUS M02A
COREQUISITE: MUS M02BL
Emphasizes pivot chord modulation. Studies chromatic harmonic vocabulary, foreign key modulation, keyboard and instrumental styles, and composition. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: MUS 4
- MUS M02BL** Aural Skills II _____ 2.00 Units
PREREQUISITES: MUS M02AL
COREQUISITE: MUS M02B
Develops aural skills introduced in MUS M02B: sight-singing in solfege, rhythmic clapping, and dictation (rhythmic, melodic, and harmonic), which use the diatonic harmonic vocabulary. Gradually adds chromatic harmonic vocabulary to all aspects of aural skills as the theoretical concept is clarified. Emphasizes computer-aided instruction in the Music Learning Center. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M02C** Musical Analysis _____ 3.00 Units
PREREQUISITES: MUS M02B
COREQUISITE: MUS M02CL
Analyzes musical form and harmonic problems while surveying musical literature from the Baroque to the 20th century. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M02CL** Aural Skills III _____ 2.00 Units
PREREQUISITES: MUS M02BL
COREQUISITE: MUS M02C
Emphasizes individualized work in Music Learning Center. Includes complex drill in all areas of musicianship. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M04** Survey of World Music _____ 3.00 Units
Surveys selected world music traditions, examining style, performance practice, and cultural context. Reviews the range and diversity of musical expression in a variety of world cultures, Western and Non-Western, expanding appreciation. Requires field trips and concert attendance. Applies to Associate Degree. Transfer credit: CSU; UC (MUS M04 and M04H combined: maximum credit, one course). IGETC AREA 3A
- MUS M04H** ★ ★ ★ Honors: Survey of World Music _____ 3.00 Units
Provides honors work that surveys selected world music traditions, examining style, performance practice, and cultural context. Reviews the range and diversity of musical expression in a variety of world cultures, Western and Non-Western, expanding appreciation. Honors work challenges students to be more analytical and creative through expanded assignments, real-world applications and enrichment opportunities. Requires field trips and concert attendance. Applies to Associate Degree. Transfer credit: CSU; UC (MUS M04H and MUS M04 combined: maximum credit, one course). IGETC AREA 3A
- MUS M08** Music Appreciation _____ 3.00 Units
Introduces history of music, emphasizing understanding and enjoyment. Investigates basic elements of music, including structure of musical compositions as well as orchestral instrumentation. Focuses on styles, characteristics and composers representative of (but not limited to) Western classical tradition, with directed listening of major musical examples. Not recommended for Music majors. Applies to Associate Degree. Transfer Credit: CSU; UC. IGETC AREA 3A
- MUS M09A** Music History and Literature _____ 3.00 Units
Explores musical activity, influences, and contributions of Greek and Roman civilizations. Traces development of music of Western world from Romanesque period to Baroque, including major composers as well as instrumental and vocal forms of each period. Requires listening to , identifying, and analyzing representative works of each period. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: MUS 8. IGETC AREA 3A
- MUS M10** Concert Choir _____ 2.00 Units
Singing organization. Teaches choral music selected from the Renaissance, Baroque, Classical, Romantic, and Modern Periods. Includes performing in on-campus concerts, high school assembly programs, community college choral festivals, and other community events. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M12** Vocal Ensemble _____ 2.00 Units
PREREQUISITES: Audition
Select group of singers known as Renaissance Singers. Studies and performs suitable choral music from all periods. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M13A** Fundamentals of Vocal Technique I _____ 2.00 Units
Begins development of vocal potential to correct faulty singing and to lay foundation for proper vocal production. Emphasizes vocal exercises as well as material sung in Italian, English and German. Designed for both majors and non-majors. Applies to Associate Degree. Transfer credit: CSU; UC

Some class offerings and room assignments may have changed since printing this schedule.

- MUS M13B Fundamentals of Vocal Technique II _____ 2.00 Units
PREREQUISITES: MUS M13A
 Expands vocal development through advanced vocal exercises and the introduction of advanced material, including art songs, opera and oratorio literature. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M13C Advanced Vocal Development I _____ 2.00 Units
PREREQUISITES: MUS M13B
 Continues development of a proper vocal production. Includes English, Italian, German, French art songs and more demanding opera and oratorio literature. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M13D Advanced Vocal Development II _____ 2.00 Units
PREREQUISITES: MUS M13C
 Further expands vocal development through study and performance. Includes more challenging material, emphasizing operatic and oratorio literature as well as more difficult art songs. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M15 Moorpark Community Orchestra _____ 1 to 2.00 Units
PREREQUISITES: Ability to read music and proficiency on orchestral instrument
Class Hours: 0.5 to 1 lecture; 1.5 to 3 lab
 Provides rehearsals and public performances for instrumentalists. Focuses on standard orchestral repertoire, ranging from chamber music to symphonies covering Renaissance to modern periods. Requires performances. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M16 Opera Theatre _____ 2.00 Units
PREREQUISITES: MUS M13C
 Introduces song literature from musical theatre, focusing on the study and performance of operas and musicals in excerpt or as complete productions. Designed for singers with proven ability and interest in drama. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M17 Summer Music Theatre _____ 3.00 Units
PREREQUISITES: Audition
 Prepares complete musical theatre work from rehearsal to community performance. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M18 Studio Jazz Ensemble _____ 2.00 Units
RECOMMENDED PREPARATION: Ability to read music and play a standard jazz musical instrument
 Students will learn the basics of participation and performance in small and large jazz ensembles, including sight-reading, jazz chord theory, and improvisation. Participation in concert is required. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M19 Chamber Ensembles _____ 2.00 Units
RECOMMENDED PREPARATION: Ability to read music and play a standard jazz musical instrument
 Requires study, rehearsal and performance of chamber music literature from Renaissance to the 20th century. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M20 Piano Ensemble _____ 2.00 Units
PREREQUISITES: MUS M25B
 Covers piano literature for one piano/four hands and for two pianos/four hands. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M21 Wind Ensemble _____ 2.00 Units
PREREQUISITES: Ability to perform on a standard band instrument
 Provides rehearsals and public performances for wind and percussion instrumentalists, focusing on a standard wind ensemble and symphonic band repertoire. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M25A Class Piano Beginning I _____ 2.00 Units
 Designed for students with little or no prior piano experience. Includes the fundamentals of piano playing, music reading, technique, improvisation, scales, chords, and simple piano literature. Applies to Associate Degree. Transfer credit: CSU; UC. CAN MUS 22
- MUS M25B Class Piano Beginning II _____ 2.00 Units
RECOMMENDED PREPARATION: MUS M25A
 Designed for students with basic music reading ability and keyboard coordination. Includes the further development of greater independence of hands and reinforces the fundamentals of piano playing, including music reading, technique, improvisation, scales, chords, and simple piano literature. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: MUS 24
- MUS M25C Class Piano Intermediate I _____ 2.00 Units
PREREQUISITES: MUS M25B
 Provides further development of greater independence of hands and reinforces the fundamentals of piano playing, including music reading, technique, improvisation, scales, and chords. Includes an overview and study of the teaching pieces of the major important composers. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M25D Class Piano Intermediate II _____ 2.00 Units
PREREQUISITES: MUS M25C
 Provides further development of greater independence of hands and reinforces the fundamentals of piano playing, including music reading, technique, improvisation, scales, and chords. Includes an overview and study of intermediate-advanced pieces of the major important composers. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M29 Repertoire Class _____ 1.00 Unit
PREREQUISITES: Acceptance into MUS M30
COREQUISITE: MUS M30
 Requires performance of musical literature studied in MUS M30. Provides critique by instructor and class. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

- MUS M30A-G Applied Music Instruction -
Woodwind/Brass/Strings/Piano/Classical Guitar/Percussion/Voice _____ 1.00 Unit
PREREQUISITES: AUDITION REQUIRED (Audition based on repertoire standards published by Music Dept.) Performance at college level to be accepted into MUS 30 Applied Music Program.
COREQUISITE: MUS M02A/M02AL, M02B/M02BL, M02C/M02CL or MUS M02D/M02DL; MUS M10, M15, M18, M19, M20, M21, M60D, M60G, M60P or M60V; MUS M29, 6 lab
Offers individual instruction by approved instructors in performance of literature for the individual instrument. Provides a one-hour private lesson and requires six hours of practice on campus per week. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M32 Class Guitar _____ 2.00 Units
Introduces basic skills required to play simple melodies and first position chords on both acoustic and electric guitars. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M60A Intermediate Orchestral Techniques _____ 1.00 to 2.00 Units
PREREQUISITES: MUS M15
Emphasizes rehearsal disciplines and responsibilities (bowing, fingering, and dynamics). May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M60F Advanced Orchestral Techniques _____ 2.00 Units
PREREQUISITES: MUS M60A
Emphasizes interpretation of rhythm and phrasing. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M60G Advanced Chamber Music _____ 2.00 Units
PREREQUISITES: MUS M19
Continues instruction in the performance of small ensemble instrumental music. Studies graded literature for various instrumental combinations for rehearsal and performance. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M60J Intermediate Jazz Performance _____ 2.00 Units
PREREQUISITES: MUS M18
Emphasizes improvisational techniques as well as rehearsal disciplines and responsibilities (i.e., fingerings, dynamics, ensemble techniques, various jazz styles, etc.). Requires rehearsal for and performance at scheduled concerts. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- MUS M60K Advanced Jazz Performance _____ 2.00 Units
PREREQUISITES: MUS M60J
Further emphasizes jazz performance styles as well as rehearsal disciplines and responsibilities. Requires rehearsal for and performance at scheduled concerts. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC

NURSING SCIENCE

- NS M01 Beginning Nursing Science _____ 4.00 Units
PREREQUISITES: Admission to Moorpark College Nursing Program
COREQUISITE: NS M01L
Introduces the nursing process as the foundation for nursing practice, the nursing skills and principles necessary to implement for process, and the roles of nurse as a care provider, manager and contributor to the profession. Nursing values of caring, integrity, ethical practice, diversity, education, service and quality are emphasized. Based on the concepts of Orem's Self-Care Model, the focus is on assessment, identifying the client's universal self-care requisites: air, water, food, elimination, activity, social, safety and normalcy in the adult and elder. Assessment of the integumentary, musculoskeletal, respiratory, gastrointestinal, genitourinary and neurological system including sleep, comfort and pain will be covered. Nursing actions related to health promotion and deviations: endocrine, cardiac, and respiratory will be addressed. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU
- NS M01L Beginning Nursing Science Clinical Laboratory I _____ 4.50 Units
PREREQUISITES: Admission to Moorpark College ADN Program
COREQUISITE: NS M01
Provides application of the nursing process to 1-2 selected adult and geriatric populations with nursing actions related to health promotion and deviations in: endocrine, cardiac, and respiratory in the acute and extended care settings. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU
- NS M02 Intermediate Nursing Science I _____ 5.00 Units
PREREQUISITES: NS M01/M01L **COREQUISITE:** NS M02L
Focuses on Orem's Self-Care Model and critical thinking in the application of the nursing process in selected adult, geriatric, and pediatric populations with nursing actions related to health promotion and deviations: pregnancy/complications, fetal development, labor and delivery, postpartum and newborn periods, pediatrics, women's health, gastrointestinal, fluid/electrolyte, peripheral vascular, musculoskeletal, sensory, skin integrity, and hematology. Diagnostic measures, medical therapeutic modalities, pharmacology and medication administration, nutrition, cultural and bio-psycho-social-spiritual concepts with preventive, supportive, and rehabilitative nursing are incorporated. Also, legal and ethical considerations, growth and development as related to the client's therapeutic self-care demands are addressed. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU
- NS M02L Intermediate Nursing Science Clinical Laboratory I _____ 4.50 Units
COREQUISITE: NS M02
Provides application of the nursing process to 2-3 selected adult, geriatric, maternal and pediatric populations with nursing actions related to health promotion and deviations in the acute and ambulatory care settings. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU
- NS M03 Intermediate Nursing Science II _____ 5.00 Units
PREREQUISITES: NS M02
COREQUISITE: NS M03L
Focuses on Orem's Self Care Model and critical thinking in the application of the nursing process in selected adult, geriatric, pediatric, family and group/care-giver populations with nursing actions related to health promotion and deviations: psycho-social, mental illness, neurologic, genital urinary, hepatic, and endocrine. Diagnostic measures, medical therapeutic modalities, pharmacology and medication administration, nutrition, cultural and bio-psycho-social-spiritual concepts with preventive, supportive, and rehabilitative nursing are incorporated. Also, legal and ethical considerations, growth and development as related to the client's therapeutic self-care demands are addressed. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

Some class offerings and room assignments may have changed since printing this schedule.

136 Please see the web for the most up to date class - www.moorparkcollege.edu/htdocs/schedule

NS M03L Intermediate Nursing Science Clinical Laboratory II _____ 5.00 Units

COREQUISITE: NS M03

Provides application of the nursing process to 2-4 selected adult, adolescent, geriatric, and mental health patient populations with nursing actions related to health promotion and deviations in the acute and community health settings. Applies critical thinking and problem solving skills and refines communication and interpersonal relationship skills. Focuses on patient care management. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

NS M04 Advanced Nursing Science _____ 4.00 Units

PREREQUISITES: NS M03

COREQUISITE: NS M04L

This advanced course of nursing practice focuses on the application of the nursing process to the client with complex health deviations involving multiple organ systems. A holistic approach of viewing the clients health functions (organic, psychological, and social) throughout the life cycle is utilized, within the professional nursing practice, importance is placed on three systems: compensatory, partially compensatory, and educative supportive. Additional emphasis is placed on nursing judgment reflecting critical thinking, decision-making, leadership, collaboration, and teaching based on application of theory. Designed to ease the transition from student to staff nurse. A portion of the course focus is on the health care delivery systems and the practice of nursing including: legal and ethical issues, professional organizations, reality shock, conflict resolution and current issues that confront nurses today. Principles concerning delivery of nursing care, leadership and professionalism relevant to current nursing practice will be presented. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

NS M04L Advanced Nursing Science Clinical Laboratory _____ 5.00 Units

PREREQUISITES: NS M03/M03L

COREQUISITE: NS M04

Applies organizational, leadership and management skills in providing care to a group of patients in the intensive care, acute and ambulatory care settings. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

NS M11 Nursing Skills Laboratory _____ 1.00 Unit

RECOMMENDED PREPARATION: NS M02

Provides application of theory from NS M01 through simulated clinical experience, computer-assisted instruction, audio-visual aids, case study discussions, and individualized instruction. Open-lab structure allows individually arranged lab hours. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU

NS M12 Nursing Skills Laboratory _____ 1.00 Unit

RECOMMENDED PREPARATION: NS M02

Provides application of theory from NS M02 through simulated clinical experience, computer-assisted instruction, audio-visual aids, case study discussions, and individualized instruction. Open-lab structure allows individually arranged lab hours. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU

NS M13 Nursing Skills Laboratory _____ 1.00 Unit

RECOMMENDED PREPARATION: NS M03

Provides application of theory from NS M03 through simulated clinical experience, computer-assisted instruction, audio-visual aids, case study discussions, and individualized instruction. Open-lab structure allows individually arranged lab hours. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU

NS M14 Nursing Skills Laboratory _____ 1.00 Unit

RECOMMENDED PREPARATION: NS M04

Provides application of theory from NS M04 through simulated clinical experience, computer-assisted instruction, audio-visual aids, case study discussions, and individualized instruction. Open-lab structure allows individually arranged lab hours. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU

NS M49 Nursing Practicum _____ 2.00 to 5.00 Units

PREREQUISITES: Successful completion of first year of an Associate Degree Nursing Program

Provides intermediate nursing student a paid practicum cooperatively planned by employing agency and nursing faculty. Provides the student nurse with a supportive educational program to assist in practicing learned technical skills, organizational skills and critical thinking strategies. May be taken four (4) times for credit, or until a maximum number of units is earned. Only offered credit/no-credit. Applies to Associate Degree. Transfer Credit: CSU

NS M60C Labor and Delivery Room Nursing _____ 2.00 Units

PREREQUISITES: Registered Nurse or Licensed Vocational Nurse

Provides program of study for Registered Nurses and Licensed Vocational Nurses interested in advanced nursing practice in Labor and Delivery. Focuses on application of the nursing process using a systematic approach and critical thinking skills necessary to ensure a safe labor and delivery. Provider approved by the California Board of Registered Nursing. Provider number CEP 2811 for 30 contact hours. May be taken one (1) time for credit. Applies to Associate Degree.

NUTRITIONAL SCIENCE

NTS M01 Nutrition _____ 3.00 Units

Examines nutrition science as it relates to human physiology, microbiology, biochemistry and the psychology of wellness. Explores nutrient requirements throughout the lifecycle as influenced by social, cultural, economic and environmental conditions. Applies to Associate Degree. Transfer credit: CSU; UC* (NTS M01 and NTS M03; maximum credit, one course). CAN: FCS 2

NTS M03 Advanced Nutritional Concepts _____ 3.00 Units

PREREQUISITES: NTS M01

Applies knowledge of the nutritional impact on human physiology and metabolic events and regulation to current issues in the field of nutritional science. Includes the human stress response, nutrient absorption and transport, carbohydrate function and fermentation, protein formation and deficiency diseases, vitamins and minerals, lipid absorption, hormonal regulation, medical nutrition therapy, microbiology of food poisoning, nutrient needs during pregnancy and early childhood, and nutritional goals in various health specialties. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC* (NTS M03 and NTS M01; maximum credit, one course).

NTS M05 Nutrition for the Health Professions _____ 3.00 Units

Provides an evaluation of nutritional status, promotion of optimal nutrition, and application of nutrition principles to common medical disorders. Applies to Associate Degree. Transfer credit: CSU; UC (under review)

NTS M07	Cultural Foods _____	3.00 Units
Evaluates the historical and cultural aspects of traditional and contemporary food habits of Native Americans, European Americans, African Americans, Asian Americans, and Hispanic Americans. Examines the influence of industry, technology, politics, the economy, and religion on food patterns. Reviews the role of ethnic families, their therapeutic uses of food, and their nutrition education practices. Applies to Associate Degree. Transfer credit: CSU,		
NTS M09	Introduction to Food Science _____	3.00 Units
RECOMMENDED PREPARATION: CHEM M12 Introduces the field of food science and food technology. Explores food chemistry and the effects of food processing on the quality of food products. Identifies chemical, physical, and microbiological properties of foods. Core components: scientific method; objective and sensory evaluation; food processing technologies at state and national levels; packaging; food additives; food-borne pathogens; and government regulation of processing and labeling. Applies to Associate Degree. Transfer Credit: CSU;UC.		
NTS M10M	Healthful Eating _____	0.50 Unit
Examines basic elements of nutrition and offers techniques and strategies for healthy eating. Includes cooking demonstrations. (Same course as NTS M10M). Applies to Associate Degree. Transfer credit: CSU		
NTS M10R	Nutrition and Diabetes Management _____	0.50 Unit
Overview of various aspects of diabetes, with and emphasize on diabetes nutrition. Will increase the understanding of diabetes and recognize and remove the roadblocks that prevent better control and provide skills to cope with everyday life. (Same course as NTS M10R). Applies to Associate Degree. Transfer credit: CSU		
NTS M10S	Sports and Nutrition Exercise _____	0.50 Unit
Basic overview of sports nutrition for athletes and non-athletes. Designed to introduce student to various aspects of nutrition which may include proper hydration, ergogenic aids, ideal body composition and fueling for optimal performance. Current trends in sports nutrition for both the individual and the coach will be covered. (Same course as NTS M10S). Applies to Associate Degree. Transfer credit: CSU		
NTS M10T	Nutrition and Cancer Prevention _____	0.50 Unit
Provides an overview of various aspects of cancer prevention through nutrition. Increases the understanding of the role that healthy food choices and physical activity play in reducing the risk of cancer. (Same course as NTS M10T). Applies to Associate Degree. Transfer credit: CSU		

PHILOSOPHY

PHIL M01	Introduction to Philosophy _____	3.00 Units
Systematically explores the concepts of knowledge, reality, and value, including review of epistemology, metaphysics, ethics, aesthetics, political philosophy, and philosophy of religion. Introduces idealism, realism, skepticism, materialism, and relativism. Applies to Associate Degree. Transfer credit: CSU; UC (PHIL M01 and M01H combined: maximum credit, one course). IGETC AREA 3B. CAN: PHIL 2.		
PHIL M01H	★ ★ ★ Honors: Introduction to Philosophy _____	3.00 Units
Honors work in the systematic exploration of the concepts of knowledge, reality, and value, including review of epistemology, metaphysics, ethics, aesthetics, political philosophy, and philosophy of religion. Introduces idealism, realism, skepticism, materialism, and relativism. Honors work challenges students to be more analytical and creative through expanded assignments, real-world applications and enrichment opportunities. Applies to Associate Degree. Transfer credit: CSU, UC (PHIL M01 and M01H combined: maximum credit, one course). IGETC AREA 3B. CAN: PHIL 2.		
PHIL M02	Introduction to Ethics _____	3.00 Units
Serves as an introduction to moral philosophy as the nature of ethical theory. Includes analysis of different major moral theories: consequentialist and non-consequentialist. Includes the construction and evaluation of moral arguments. Consideration is given to classical, modern, and contemporary authors. Explores various ways of developing an overall satisfactory ethical theory for contemporary society. Contemporary moral problems are examined. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. (PHIL M02 and M02H combined: maximum credit, one course). IGETC AREA 3B. CAN: PHIL 4.		
PHIL M03	Social and Political Philosophy _____	3.00 Units
Explains the organization of societies, the formation of governments, and the concept of justice, equality, rights and duties, classes and power structures.		
PHIL M07	Introduction to Logic _____	3.00 Units
Explores deductive and inductive thought processes, emphasizing definition, verification, validity, forms of argument and of fallacious reasoning, and application of various areas of inquiry. Provider approved by the California Board of Registered Nursing. Provider number CEP 2811 for 45 contact hours. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3B. CAN: PHIL 6.		
PHIL M09	Symbolic Logic _____	3.00 Units
Introduces symbolic logic, including the logic of connectives and quantifiers. Includes truth functional composition, consistency trees, derivations, and quantifications. Applies to Associate Degree. Transfer credit: CSU; UC.		
PHIL M11	Survey of World Religions: West _____	3.00 Units
Systematically introduces major ideas of the world 's western religious traditions, including Judaism, Christianity and Islam. Explores cultural and historical contexts in which each religion arose as well as recent offshoots of these traditions. Views each religion from the standpoint of its proponents. Emphasizes main similarities and differences exhibited within these traditions. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC; IGETC AREA 3B		
PHIL M12	Survey of World Religions: East _____	3.00 Units
Systematically introduces major ideas of the world 's eastern religious traditions, including Hinduism, Zoroastrianism, Buddhism, Jainism, Sikhism, Taoism, Confucianism and Shinto. Explores cultural and historical contexts in which these religions arose. Views each religion from the standpoint of its proponents. Emphasizes main similarities and differences exhibited within these traditions. Provider approved by the California Board of Registered Nursing. Provider number CEP 2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3B		
PHIL M13	The Classical Mind _____	3.00 Units
RECOMMENDED PREPARATION: ENGL M01A Surveys ancient and medieval philosophy up to the Renaissance, emphasizing the development of central philosophical themes. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3B		

Some class offerings and room assignments may have changed since printing this schedule.

138 *Please see the web for the most up to date class - www.moorparkcollege.edu/htdocs/schedule*

PHOTOGRAPHY

- PHOT M01A Beginning Photography _____ 3.00 Units
Explores photography as a means of creative expression. Introduces photographic theory, including camera operation, exposure, developing and printing. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: ART 18
- PHOT M01B Intermediate Photography _____ 3.00 Units
PREREQUISITES: *PHOT M01A or suitable portfolio*
Explores variety of traditional techniques in black and white, including high contrast images, solarization, posterization, gum bichromate printing and cyanotypes. Reviews film sensitivity testing, developer density parameters, paper and paper developer characteristics, archival processing, the use of medium format cameras, and introduction to the view camera. Emphasizes creativity. Applies to Associate Degree. Transfer credit: CSU; UC
- PHOT M02 History of Photography _____ 3.00 Units
Surveys history of photography from Aguirre to contemporary images. Explores genres and theories begun in past but which intensify and clarify current work. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3A
- PHOT M03 Basic Color _____ 3.00 Units
Introduces principles of color photography. Develops expressive visual statement. Reviews processing of transparency materials, emphasizing creative special effects achieved through unique lighting, films and camera techniques. Encourages experimentation. may be taken for a total of two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU
- PHOT M04 Advanced Photography _____ 3.00 Units
PREREQUISITES: *PHOT M03 or suitable portfolio*
Refines technical and aesthetic understanding in black and white and/or color photography. Includes zone system, basic densitometry, expansion and compaction development, the view camera, artificial light technique, and portfolio development. Intensifies personal statement through major individual projects. Applies to Associate Degree. Transfer credit: CSU
- PHOT M06 Electronic and Digital Photography _____ 3.00 Units
PREREQUISITES: *One course in the discipline*
Focuses on Adobe Photoshop for photography, computer graphics, illustration and graphic design. Includes appropriate techniques for scanning negatives, transparencies, reflective materials, type effects, color correction, selection techniques, special effects, channel calculations, adjustment layers, output devices and clipping paths/groups. Clarifies relationship between traditional film-based photography and digital techniques. May be taken two (2) times for credit. (Same course as GR M27.) Applies to Associate Degree. Transfer credit: CSU
- PHOT M08 Basic Photo Journalism _____ 3.00 Units
PREREQUISITES: *PHOT M01A or suitable portfolio*
Introduces aspects of photography applicable to mass communication, broadcast and print journalism. Concentrates on translating ideas to images for reproduction in magazines and newspapers and as book illustrations. Includes special effects, use of camera and light as creative tools, and basic motion picture techniques. May be taken two (2) times for credit. (Same course as JOUR M08). Applies to Associate Degree. Transfer credit: CSU
- PHOT M60D Laboratory Practice _____ 1.00 Unit
Offers instructor supervised lab work for beginning, intermediate and advanced students. May be taken four (4) times for credit. Applies to Associate Degree.
- PHOT M60E Laboratory Practice _____ 2.00 Units
Offers instructor-supervised lab work for beginning, intermediate and advanced students. May be taken four (4) times for credit. Applies to Associate Degree.

PHYSICAL EDUCATION

- PE M01A Walking for Fitness _____ 1.00 to 1.50 Units
Provides exercise and fitness training, emphasizing cardiovascular conditioning to improve muscle tone. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M02A Body Conditioning/Fitness Lab _____ 0.50 to 1.50 Units
Designed to develop and encourage positive attitude and habits with regard to cardiovascular efficiency, muscular strength and endurance, flexibility and body composition. Allows individual scheduling of required lab hours. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M02B Body Conditioning/Free Weights _____ 1.00 to 1.50 Units
Introduces overall body conditioning. Emphasizes improving the cardiovascular system, enhancing flexibility, and increasing muscular strength. Includes jogging, stretching, and specific free weight exercises. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M03A Running for Fitness and Conditioning _____ 1.00 to 1.50 Units
Emphasizes improved physical health and cardiovascular fitness through running and overall conditioning. Includes endurance training with a gradual increase in distance. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M05 Bowling _____ 1.50 Units
Introduces rules, etiquette, safety and techniques of bowling. Meets off campus. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M06A Beginning Golf _____ 1.00 to 1.50 Units
Introduces basic rules and skills needed for playing golf. Includes development of skills and analysis of technique. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M06C Intermediate Golf _____ 1.00 to 1.50 Units
PREREQUISITE: *PE M06A*
Expands golfing skills through more extensive review of techniques and increased practice. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU, UC*.
- PE M08 Power Lifting/Free Weights _____ 1.00 to 1.50 Units
Introduces weight training and conditioning to build strength, power, and bulk. Focuses on the development of upper body strength, rehabilitation and strengthening of knee joints, and refinement of power lifting for the lower body. Emphasizes quickness, coordination, balance and speed through competitive drills and routines. May be taken a maximum of 4 times. Applies to Associate Degree. Transfer credit: CSU; UC*

- PE M11A Beginning Tennis I _____ 1.00 to 1.50 Units
Introduces beginning tennis skills, including etiquette, rules, and basic techniques. May be taken a maximum of 4 times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M11C Intermediate Tennis _____ 1.00 to 1.50 Units
PREREQUISITES: PE M11A
Expands strategies, rules and techniques of tennis, emphasizing both singles and doubles play. May be taken a maximum of 4 times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M11D Advanced Tennis _____ 1.00 to 1.50 Units
PREREQUISITES: PE M11C
Expands experienced players individual techniques. Reviews rules and strategies for both singles and doubles play. Emphasizes tournament play. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M12 Extreme Aerobic Mix _____ 1.00 to 1.50 Units
Develops a high level of cardiovascular efficiency. Promotes strength and flexibility through a variety of high-energy activities. Utilizes aerobic dance, funk, hip-hop, step, cardio kickboxing, and plyometrics to achieve a high level of conditioning and coordination. May be taken for a maximum of 4 times. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M13 Hiking and Backpacking _____ 2.00 Units
Uses lecture, field study and experience to introduce sport of hiking and backpacking. Covers conditioning, skills, information and resources. Emphasizes safety procedures. Requires field trips. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M14 Pep Squad _____ 3.00 Units
Provides training and practice techniques necessary to be a cheerleader. Requires field trips. Applies to Associate Degree. Transfer credit: CSU.
- PE M15 Cardio Kick Boxing _____ 1.00 to 1.50 Units
Offers a comprehensive and balanced program that develops proficiency in cardio kick boxing skills as well as physical and general health. Works every major muscle group in the upper and lower body, varying movements and speed to accommodate the fitness level of all students. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M16 Flexible Strength/Pilates Mat _____ 1.00 to 1.50 Units
A training technique designed to strengthen and tone muscles, improve posture, provide flexibility and balance, and create a more streamlined shape. Designed to emphasize the core muscles in the abdominal area, lower back, hips, and buttocks in thereby providing a strong foundation for any activity. Applies to Associate Degree. Transfer Credit: CSU; UC*
- PE M17 Conditioning for Athletic Competition _____ 1.50 Units
Designed to properly prepare and condition prospective athletes for competition. Athletics require an advanced degree of skill and preparation. Athletes engaged in competition need specific conditioning to insure optimal opportunity to perform at peak levels and have a more injury-free experience. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M18 Core Stability and Stretch _____ 1.00 to 1.50 Units
Implements a variety of core (abdominal/trunk) training techniques including functional integrated resistance exercise, stability balls, yoga, and Pilates, this class will focus on concepts and practices that develop core stability and overall flexibility for healthier living. May be taken four times for credit. Applies to Associate Degree. Transfer Credit: CSU; UC*
- PE M23C Intermediate Baseball _____ 1.00 to 1.50 Units
Develops intermediate techniques and strategies for baseball. Emphasizes skills levels for use in games. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M23D Advanced Baseball _____ 1.00 to 1.50 Units
PREREQUISITES: PE M23C
Develops advanced skills in baseball, emphasizing methods and styles of play. Requires participation in fall baseball program. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M24C Intermediate Basketball _____ 1.00 to 1.50 Units
Develops intermediate techniques and strategies in basketball. May be taken a maximum of 4 times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M24D Advanced Basketball _____ 1.00 to 2.00 Units
PREREQUISITES: PE M24C or varsity high school experience
Introduces advanced skills and techniques in basketball. Uses game experience to develop different styles and formats of play. Develops cardiovascular fitness. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M25D Advanced Football _____ 1.00 to 1.50 Units
Develops intermediate skills in football. Introduces theory behind different styles of play. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M27A Beginning Soccer _____ 1.00 to 1.50 Units
Develops skills, rules, techniques and strategies of soccer. Requires participation. Co-educational. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M27C Intermediate Soccer _____ 1.00 to 1.50 Units
Develops intermediate skills and strategies of soccer. Requires participation. Co-educational. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M28D Advanced Softball _____ 1.00 to 1.50 Units
Develops advanced skills and strategies. Requires participation. Co-educational. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M29C Intermediate Track _____ 1.00 to 1.50 Units
Introduces intermediate techniques and strategies in track and field. Prepares for a competitive season, emphasizing skills needed for proficiency. Required of varsity track candidates. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M29D Advanced Track _____ 1.00 to 1.50 Units
PREREQUISITES: PE M29C
Practices advanced skills and strategies of track and field for a competitive season. Required of all varsity track candidates. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M30A Beginning Volleyball I _____ 1.00 to 1.50 Units
Introduces basic rules and techniques of power volleyball. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M30C Intermediate Volleyball _____ 1.00 to 1.50 Units
PREREQUISITES: PE M30A
Provides practice of the fundamental skills and strategies of volleyball, allowing two and three-player games. Requires participation. Applies to Associate Degree. Transfer credit: CSU; UC*

Some class offerings and room assignments may have changed since printing this schedule.

140 *Please see the web for the most up to date class - www.moorparkcollege.edu/htdocs/schedule*

- PE M30D Advanced Volleyball _____ 1.00 to 1.50 Units
PREREQUISITES: PE M30C
 Continues skills development for the advanced player, allowing two and three-player volleyball. Requires participation. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M35 T'ai Chi Ch'uan _____ 1.00 to 1.50 Units
 An introduction to the history and philosophy of T'ai Chi Ch'uan and its relationship to exercise, health, self-awareness, relaxation, balance and harmony. The Yang Simplified Form of 24 movement patterns (known for improving body awareness, efficiency of daily activity and its relationship to self-defense techniques) will be taught.
- PE M36A Analysis of Sexual Assault and Self-Defense _____ 2.00 Units
 Reviews issues of personal assault and rape, reviewing readings and physical responses. Introduces self-defense techniques. May be taken a maximum of 4 times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M37A Beginning Martial Arts _____ 1.00 to 1.50 Units
 Introduces the basic skills of martial arts, including punching, kicking, blocking, and grappling. Participation in the class will require the development of flexibility, endurance, strength, coordination, and concentration. May be taken four (4) times for credit. (Formerly PE M37). Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M37C Intermediate Martial Arts _____ 1.00 to 1.50 Units
PREREQUISITES: PE M37A
 Introduces the intermediate skills of martial arts, including punching, kicking, blocking, katas, sparring and grappling. Participation in the class will require the development of flexibility, endurance, strength, coordination and concentration. May be taken four (4) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M38 Wrestling _____ 1.00 to 1.50 Units
 Introduces the basic skills of wrestling, including takedowns, rides, escapes and falls. May be taken a maximum of 4 times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M39 Nia Fusion Fitness _____ 1.00 to 1.50 Units
 Nia is a whole body conditioning practice that includes cardiovascular, strength, flexibility, and mind-body components. Nia combines concepts and movements from Jazz, and Modern dance, Tae Kwon Do, Tai Chi, Aikido, Yoga, and other movement forms, resulting in a creative and energizing workout. Movements are non-impact, and like the martial arts Nia is practiced barefoot. Focusing on the joy of movement, Nia is easy to learn, is adaptable to all levels of ability, and is performed to a variety of motivating music. Students of Nia can expect to improve overall conditioning, enhance the mind-body connection, develop an understanding of how the body is designed to move, and experience the joy of movement. May be taken 4 times for credit. Applies to Associate Degree. Transfer credit: CSU; UC
- PE M62 Golf - Women _____ 3.00 Units
 Highly competitive. Requires advanced skills, travel, and competition against other institutions. Demands time beyond normal load. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M63B Off Season Volleyball - Men _____ 1.00 Unit
RECOMMENDED PREPARATION: Understanding of volleyball skills, rules and strategies and the ability to work with other students.
 Highly competitive, requires advanced skills, for students who are interested in intercollegiate volleyball. May be taken four (4) times for credit. Applies to the Associate Degree. Transfer credit: CSU; UC*
- PE M64A Soccer - Men _____ 3.00 Units
RECOMMENDED PREPARATION: Understanding of soccer skills, rules, and strategies.
 Highly competitive. Requires advanced skills, travel, and competition against other institutions. Demands time beyond normal load. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M64B Off Season Soccer - Men _____ 1.00 Unit
RECOMMENDED PREPARATION: Understanding of volleyball skills, rules and strategies and the ability to work with other students.
 Highly competitive, requires advanced skills, for students who are interested in intercollegiate soccer. May be taken four (4) times for credit. Applies to the Associate Degree. Transfer credit: CSU; UC*
- PE M65A Soccer - Women _____ 3.00 Units
RECOMMENDED PREPARATION: Understanding of soccer skills, rules, and strategies.
 Highly competitive. Requires advanced skills, travel, and competition against other institutions. Demands time beyond normal load. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M65B Off Season Soccer - Women _____ 1.00 Unit
RECOMMENDED PREPARATION: Understanding of volleyball skills, rules and strategies and the ability to work with other students.
 Highly competitive, requires advanced skills, for students who are interested in intercollegiate soccer. May be taken four (4) times for credit. Applies to the Associate Degree. Transfer credit: CSU; UC*
- PE M67 Basketball - Men _____ 3.00 Units
RECOMMENDED PREPARATION: Understanding of basketball skills, rules, and strategies.
 Highly competitive. Requires advanced skills, travel, and competition against other institutions. Demands time beyond normal load. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M68 Basketball - Women _____ 3.00 Units
RECOMMENDED PREPARATION: Understanding of basketball skills, rules, and strategies.
 Highly competitive. Requires advanced skills, travel, and competition against other institutions. Demands time beyond normal load. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M69 Cross Country - Men _____ 3.00 Units
RECOMMENDED PREPARATION: Understanding of cross country skills, rules, and strategies.
 Highly competitive. Requires advanced skills, travel, and competition against other institutions. Demands time beyond normal load. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*
- PE M70 Cross Country - Women _____ 3.00 Units
RECOMMENDED PREPARATION: Understanding of cross country skills, rules, and strategies.
 Highly competitive. Requires advanced skills, travel, and competition against other institutions. Demands time beyond normal load. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*

PE M71	Football - Men _____	3.00 Units
RECOMMENDED PREPARATION: <i>Understanding of football skills, rules, and strategies.</i>		
Highly competitive. Requires advanced skills, travel, and competition against other institutions. Demands time beyond normal load. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*		
PE M78	Volleyball Women _____	3.00 Units
RECOMMENDED PREPARATION: <i>Understanding of volleyball skills, rules, and strategies.</i>		
Highly competitive. Requires advanced skills, travel, and competition against other institutions. Demands time beyond normal load. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*		
PE M79	Wrestling Men _____	3.00 Units
RECOMMENDED PREPARATION: <i>Understanding of wrestling skills, rules, and strategies.</i>		
Highly competitive. Requires advanced skills, travel, and competition against other institutions. Demands time beyond normal load. May be taken three (3) times for credit. Applies to Associate Degree. Transfer credit: CSU; UC*		
PE M91	Foundations of Fitness _____	3.00 Units
Introduces physiological principles and other factors for the development and maintenance of optimal physical fitness. Requires observation and assistance in campus Fitness Laboratory. Does NOT fulfill general education PE requirement. Applies to Associate Degree. Transfer credit: CSU, UC* ADAPTIVE		

PHYSICAL SCIENCE

PHSC M01	Principles of Physical Science _____	3.00 Units
PREREQUISITES: <i>MATH M03</i>		
Introduces facts, principles and laws from physics, chemistry, and astronomy. Includes motion, force, energy, wave motion, electricity and magnetism, light, atomic and nuclear structure, chemical bonding and chemical reactions, solutions, organic chemistry, the solar system and planet Earth. Applies to Associate Degree. Transfer credit: CSU; UC (no credit if taken after a college course in Astronomy, Chemistry, Geology or Physics). IGETC AREA 5A		
PHSC M01L	Principles of Physical Science Laboratory _____	1.00 Unit
PREREQUISITES: <i>Completion of or concurrent enrollment in PHSC M01</i>		
Provides hands-on experience with fundamental concepts from physics and chemistry. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A		

PHYSICS

PHYS M01	Descriptive Physics _____	3.00 Units
PREREQUISITES: <i>MATH M03</i>		
Introduces in a descriptive way the basic principles of the mechanics, thermodynamics, wave motion, electromagnetism, optics and modern physics. Applies to Associate Degree. Transfer credit: CSU; UC (no credit if taken after PHYS M10A or PHYS M20A). IGETC AREA 5A.		
PHYS M01L	Descriptive Physics Laboratory _____	1.00 Unit
PREREQUISITES: <i>MATH M03</i>		
RECOMMENDED PREPARATION: <i>Completion of or concurrent in enrollment in PHYS M01</i>		
Laboratory experiments examine some of the basic phenomena in mechanics, thermodynamics, wave motion, electromagnetism, optics, and modern physics. Use of common, modern laboratory instruments is practiced during the experiments. Elementary principles of data taking, data reduction, synthesis, and analysis, as well as the writing of scientific reports are included. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A		
PHYS M10A	General Physics I _____	4.00 Units
PREREQUISITES: <i>MATH M06 or MATH M07</i>		
Introduces mechanics of solids and fluids, heat, and wave motion. Designed for students who need a trigonometry based physics course. Applies to Associate Degree. Transfer credit: CSU; UC (PHYS M10A/B and M20A/B/C combined: maximum credit, one series. Deduct credit for duplication of topics). IGETC AREA 5A		
PHYS M10AL	General Physics I Laboratory _____	1.00 Unit
PREREQUISITES: <i>MATH M06 or MATH M07</i>		
The laboratory experiments examine some of the basic phenomena in mechanics, thermodynamics, and wave motion. The use of common, modern laboratory instruments is learned and practiced during the experiments. The principles of data taking, data reduction, synthesis, and analysis, as well as the writing of scientific reports are part of the course. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A. CAN: PHYS 2 (PHYS M10A + M10AL).		
PHYS M20A	Mechanics of Solids and Fluids _____	4.00 Units
PREREQUISITES: <i>MATH M25A</i>		
RECOMMENDED PREPARATION: <i>PHYS M10A or high school physics and MATH M25B should be completed, or taken concurrently.</i>		
Introduces the basic principles of the mechanics of solids and fluids. Calculus is used to develop the subject matter. The main topics are kinematics, Newtonian mechanics including rotational dynamics, work, energy, and fluid statics and dynamics. Applies to Associate Degree. Transfer credit: CSU; UC (PHYS M10A/B and M20A/B/C combined: maximum credit, one series. Deduct credit for duplication of topics). IGETC AREA 5A. CAN: PHYS 8 (PHYS M20A + M20AL), PHYS SEQ B (PHYS M20A, M20AL + M20B, M20BL + M20C, M20CL).		
PHYS M20AL	Mechanics of Solids and Fluids Laboratory _____	1.00 Unit
PREREQUISITES: <i>MATH M25A</i>		
COREQUISITE: <i>PHYS M20A should be completed or taken concurrently.</i>		
The experiments examine the basic laws of the mechanics of solids and fluids. The use of common measuring instruments and the principles of data taking and analysis, and the writing of scientific reports are learned. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A. CAN: PHYS 8 (PHYS M20A + M20AL).		

Some class offerings and room assignments may have changed since printing this schedule.

PHYS M20B Thermodynamics, Electricity and Magnetism _____ 4.00 Units

PREREQUISITES: MATH M25B and PHYS M20A

RECOMMENDED PREPARATION: Math M25C should be completed or be taken concurrently.

Introduces the basic principles of thermodynamics, and electromagnetism. Calculus is used to develop the subject matter. The main topics are temperature, heat, the laws of thermodynamics, electrostatics, capacitance, DC circuits, magnetic forces and fields, electromagnetic induction, AC circuits, Maxwell's equations, and electromagnetic waves. Applies to Associate Degree. Transfer credit: CSU; UC (PHYS M10A/B and M20A/B/C combined: maximum credit, one series. Deduct credit for duplication of topics). IGETC AREA 5A. CAN: PHYS 12 (PHYS M20B + M20BL), PHYS SEQ B (PHYS M20A, M20AL + M20B, M20BL + M20C, M20CL).

PHYS M20BL Thermodynamics, Electricity and Magnetism Laboratory _____ 1.00 Unit

PREREQUISITES: PHYS M20A, PHYS M20AL, and MATH M25B

RECOMMENDED PREPARATION: PHYS M20B should be completed or taken concurrently.

The laboratory experiments examine some of the basic phenomena in thermodynamics and electromagnetism. The use of common, modern instruments, e.g. digital and analog voltmeters, ammeters, the oscilloscope, is learned and practiced during the experiments. The principles of data taking, data reduction, synthesis, and analysis, as well as the writing of scientific reports are part of the course. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5A. CAN: PHYS 12 (PHYS M20B + M20BL).

PHYS M20C Wave Motion, Optics and Modern Physics _____ 4.00 Units

PREREQUISITES: PHYS M20B and MATH M25C

Introduces the basic principles of wave motion, optics and modern physics. Calculus is used to develop the subject matter. The main topics covered include: classical wave theory, wave-particle duality, reflection, refraction, interference, diffraction, optical elements and systems, applications of Schrodinger's equation, atomic structure, molecular structure, the quantum nature of solids, consequences of special and general relativity, nuclear physics, particle physics, and cosmology. Applies to Associate Degree. Transfer credit: CSU; UC (PHYS M10A/B and M20A/B/C combined: maximum credit, one series. Deduct credit for duplication of topics). CAN: PHYS 14 (PHYS M20C + M20CL), PHYS SEQ B (PHYS M20A, M20AL + M20B, M20BL + M20C, M20CL)

PHYS M20CL Wave Motion, Optics, and Modern Physics Laboratory _____ 1.00 Unit

PREREQUISITES: PHYS M20B, PHYS M20BL, and MATH M25C

RECOMMENDED PREPARATION: PHYS M20C should be completed or taken concurrently.

The laboratory experiments examine some of the basic phenomena in wave motion, optics, and modern physics. The use of common, modern instruments, e.g. digital and analog voltmeters, ammeters, digital storage oscilloscopes, frequency counters, lasers, spectrometers, optical energy and power meters, is learned and practiced during the experiments. The principles of data taking, data reduction, synthesis, and analysis, as well as the writing of scientific reports are part of the course. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: PHYS 8 (PHYS M20C + M20CL)

PHYSIOLOGY

PHSO M01 Human Physiology _____ 5.00 Units

PREREQUISITES: BIOL M01 or BIOL M02A and CHEM M01A or CHEM M12 or high school chemistry, 3 lab

A study of the functioning of human anatomical systems. Students will learn basic biochemical and biophysical principles inherent to the functioning of the various organ systems and integrate this knowledge into an understanding of the functioning of the organism as a whole. Laboratory computer simulations and experiments will demonstrate basic principles and introduce physiological techniques and instruments. Emphasis in both lecture and lab is on student understanding of systems integration and co-dependence. Applies to Associate Degree. Transfer credit: CSU; UC (PHSO M01, ANPH M01 and ANAT M01 combined: maximum credit, one course). IGETC AREA 5B. CAN: BIOL 12, SEQ B (ANAT M01 + PHSO M01).

POLITICAL SCIENCE

POLS M01 Introduction to Government _____ 3.00 Units

Introduces and examines perennial questions about political and social life: who does, and should, govern; what is a just society; how do we accommodate change; what does political mean, how do we obtain political knowledge; and what is necessary in a democratic society. Ideology will be presented as a guide to analysis and action. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4

POLS M02 Comparative Government _____ 3.00 Units

Examines political culture, recruitment and articulation interests, political institutions, and sources/content of public policy for various governments. Draws examples from Eastern and Western Europe and Asia as well as from pre-industrial societies. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4H.

POLS M03 American Government and Politics _____ 3.00 Units

Introduces principles and problems of American Government and its political process, emphasizing national government. Satisfies Title V United States Constitution requirement as well as California state and local government requirement. Applies to Associate Degree. Transfer credit: CSU; UC (POLS M03 combined with POLS M03H: maximum credit, one course). IGETC AREA 4H. CAN: GOVT 2.

POLS M04 International Relations _____ 3.00 Units

Explores relationships between sovereign units, emphasizing international organization, theoretical proposals toward and possibilities for world peace, mechanics of politics among nations, and formation of American foreign policy. Focuses on relationship between domestic and foreign politics and the cultural origins of policy. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4H.

POLS M05 Contemporary Urban Issues _____ 3.00 Units

Introduces study of urban areas and politics, focusing on political responses to changes in social organizations occurring as a consequence of population concentration and subsequent political, social, and economic patterns and behaviors. Considers structural constraints (national-local and state-local relations) that limit local governments and the distribution of and response to political influence. Satisfies Title 5 United States Constitution requirement and the California state and local government requirement. (Formerly URBAN M01A) Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4H.

PROFESSIONAL DEVELOPMENT

- PDEV M01 Outcome Based Curriculum _____ 0.50 Unit
Design guidelines, instructional techniques and assessment tools for building an outcome-based curriculum. Use tools and activities to create an outcome-based syllabus. Design process addresses the question, "What will our students be able to do once they complete the course?" Applies to Associate Degree. Transfer Credit: CSU.
- PDEV M02 Collaborative Learning _____ 0.50 Unit
The theory of collaborative learning and its implementation. Explores teaching and learning paradigms past and present. Analyzes major aspects of teaching and learning theory (modeling, practice, evaluation) and their incorporation into collaborative learning. Practice selecting, applying, and evaluating collaborative learning techniques to foster multiple levels of learning (comprehension, application, analysis). Applies to Associate Degree. Transfer Credit: CSU
- PDEV M03 Leadership Styles _____ 0.50 Unit
Introduction to leadership styles that enhance effectiveness in the classroom and in the workplace. Practice interpersonal skills such as listening and empathy; explore leadership roles such as Coach and Visionary. Apply appropriate leadership styles to varying classroom and work situations. Analyze the importance of critical thinking skills in effective leadership. Applies to Associate Degree. Transfer Credit: CSU.

PSYCHOLOGY

- PSY M01 Introduction to Psychology _____ 3.00 Units
Introduces the areas of history and systems, research methodology, biological bases of behavior, sensation and perception, motivation and emotion, learning and memory, cognition and intelligence, personality, stress and health psychology, behavior disorders (psychopathology) and treatments, human sexuality, life span development, and social and environmental psychology. Applies to Associate Degree. Transfer credit: CSU; UC (PSY M01 and PSY M01H combined: maximum credit, one course). IGETC AREA 4I. CAN: PSY 2.
- PSY M01H ★ ★ ★ Honors: Introduction to Psychology _____ 3.00 Units
Provides honors work to introduce the areas of history and systems, research methodology, biological bases of behavior, sensation and perception, motivation and emotion, learning and memory, cognition and intelligence, personality, stress and health psychology, behavior disorders (psychopathology) and treatments, human sexuality, life span development, and social and environmental psychology. Honors work challenges students to be more analytical and creative through expanded assignments, real-world applications and enrichment opportunities. Applies to Associate Degree. Transfer credit: CSU; UC (PSY M01H and PSY M01 combined: maximum credit, one course). IGETC AREA 4I.
- PSY M02 Introduction to Behavioral Neuroscience _____ 3.00 Units
PREREQUISITE: PSY M01 or PSY M01H
Introduces the principle of inheritance-cell division and mitosis, meiosis, chromosomes and human genetics, DNA structure and function, and from DNA to proteins; evolution; and neuropsychological bases for basic brain-behavior concepts involving structure and function of the nervous system, neural conduction and synaptic transmission, psycho-pharmacology, structure of the nervous system, brain lateralization, neuroplasticity, sensation and perception, internal body states, sexual behavior, emotional behavior, sleep and biological rhythms, biology of learning and memory, and psychopathological disorders. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 5B. CAN: PSY M10.
- PSY M03 Psychology of Interpersonal Relationships _____ 3.00 Units
Introduces psychological principles involved in human relationships. Combines experiential and theoretical approaches to increase awareness, understanding, and decision-making. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU
- PSY M04 Child Psychology _____ 3.00 Units
Focuses on the basic principles of developmental psychology from conception through adolescence. For each stage of development, students will learn about the biological, physical, cognitive, emotional, social and linguistic aspects of development. Included are the influences of culture, family, society and the environment. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4I.
- PSY M05 Social Psychology _____ 3.00 Units
Introduces social relationships, emphasizing interpersonal attraction; person perception; long-term relationships; prosocial behavior; attitude formation and changes; and the nature of prejudice, aggression, and conformity. (Same course as SOC M05) Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4I, 4J.
- PSY M06 Introduction to Behavioral Research Methods _____ 3.00 Units
PREREQUISITES: PSY M01
Introduces basic research concepts and principles of behavioral science; descriptive and experimental research approaches; problem identification, hypothesis formation and testing; experimental variables and controls; validity and reliability; experimental, quasi-experimental and single-participant research designs; and research ethics. Requires research study and manuscript using APA guidelines and format. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4I. CAN: PSY 8.
- PSY M07 Developmental Psychology (Life Span) _____ 3.00 Units
Introduces physical, emotional, cognitive, social, and cultural aspects of development from conception to death. Emphasizes normative behaviors and developmental stages over the life span. Reviews developmental theories and contemporary issues. Applies to Associate Degree. Transfer credit: CSU; UC (PSY M07 and CD M02 combined: maximum credit, one course). IGETC AREA 4I.
- PSY M08 Abnormal Psychology _____ 3.00 Units
Surveys field of abnormal behavior by reviewing patterns, causes, and history of maladaptive behavior; clinical assessment using the current Diagnostic and Statistical Manual; therapies; and prevention of behavioral disorders. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4I.
- PSY M10 Dying and Death _____ 3.00 Units
Explores issues and decisions concerned with dying and death over the life span, including historical and cross-cultural perspectives, death socialization, medical ethics and the healthcare system, legal issues and afterlife concerns. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC; IGETC AREA 4I.

Some class offerings and room assignments may have changed since printing this schedule.

144 *Please see the web for the most up to date class - www.moorparkcollege.edu/htdocs/schedule*

- PSY M11 Psychology of Communication _____ 3.00 Units
Introduces open, honest, direct communication and behavior emphasizing perceptions and emotions, verbal and non-verbal communication, defense mechanisms, and conflict resolution. Examines problem areas and alternate behaviors; and explores how to express anger, change behavior, make requests, say *I/No, I* cope with criticism, and resolve conflicts. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4I.
- PSY M12 Animal Behavior _____ 3.00 Units
Introduction to the study of animal behavior with an emphasis on learning theory, especially classical and operant conditioning. It is designed to provide the student with an understanding of how to apply the concepts of ethology and behavior modification to the maintenance and training of animals in captivity. (Same course as ANSC M04) Applies to Associate Degree. Transfer credit: CSU
- PSY M12L Animal Behavior Lab _____ 0.50 Unit
COREQUISITE: PSY M12 or ANSC M04
Reinforces behavior modification and observational research through hands-on experience. Requires each student train a rat and conduct an observational research project on captive animals. (Same course as ANSC M04L) Applies to Associate Degree. Transfer credit: CSU
- PSY M13 Human Sexuality _____ 3.00 Units
Explores psychological, biological, and sociological aspects of human sexual behavior, including sexual values, roles and lifestyles. Includes contraception, pregnancy, sexually transmitted diseases, sexual dysfunctions and treatments. Presents course content in an explicit, open, scientific and thoughtful manner. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4I.
- PSY M20 Intimacy, Relationships, and Commitment _____ 3.00 Units
Explores theoretical, historical, cross-cultural, interdisciplinary, and personal perspectives of committed relationships, reviewing various perspectives on marriage and the family. Considers sex roles, socialization, sexuality, the single life, marriage, parenting, dual-career families, and conflicts in relationships, separation, divorce, remarriage, and alternative choices. (Same course as SOC M04.) Applies to Associate Degree. Transfer credit: CSU; UC. IGETC Area 4I, 4J.

RADIO/TELEVISION

- RT M01 Media and Society _____ 3.00 Units
Surveys history and nature of print and electronic media in America, examining social, political and cultural implications. (Same course as JOUR M01) Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4G. CAN: JOUR 4.
- RT M02A Television Studio Operation _____ 3.00 Units
Introduction to multiple camera production for television and multimedia applications. Provides basic operational skills and techniques through practical hands-on experiences in: directing, switching, scripting, lighting, sound and camera composition and operation. Applies to Associate Degree. Transfer credit: CSU
- RT M02B Digital Camera Production/Editing _____ 3.00 Units
RECOMMENDED PREPARATION: RT M02A
Introduces knowledge and skills for single camera production as well as aesthetics and technical techniques in video editing. Emphasis on shooting single camera, audio, lighting, editing and graphics as well as television product development. Provides extensive field production and pre- and post-production techniques. Applies to Associate Degree. Transfer credit: CSU
- RT M03A Television Production Workshop _____ 3.00 Units
PREREQUISITES: RT M02B
Introduces intermediate-level work in production, including camera work, technical direction and lighting. Emphasizes creation of new program concepts and types. Requires producing an experimental TV program. Applies to Associate Degree. Transfer credit: CSU
- RT M04 Digital Editing _____ 2.00 Units
PREREQUISITES: RT M02B
Introduces theory and application of editing techniques using digital non-linear editing systems. Critical analysis of the editing process, editing complex scenes and creating visual effects. Introduction to editing system troubleshooting. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU
- RT M05 Radio/Television Script Writing _____ 3.00 Units
PREREQUISITES: ENGL M01A
Develops skills in the analysis and preparation of news, commercials, program formats, public service announcements, and dramatic scripts including situation comedy, made-for-television movie, continuing dramatic series, and theatrically released motion picture. (Same course as ENGL M05) Applies to Associate Degree. Transfer credit: CSU
- RT M07A Audio Production _____ 3.00 Units
PREREQUISITES: Completion of or concurrent enrollment in RT M01
Provides a basic knowledge of audio equipment used in typical radio, television, multimedia and dramatic productions, including: audio consoles, various digital audio recording equipment and digital audio workstations. Develops skills in announcing, basic writing, disk jockeying program production and direction, commercial production, interviewing techniques, station operations and live and recorded audio production for new media and theater. Applies to Associate Degree. Transfer credit: CSU
- RT M07B Advanced Media Audio Production _____ 3.00 Units
PREREQUISITES: RT M07A
Provides an understanding of advanced audio equipment with focus upon digital audio workstations. Develops skills in the operation of digital audio equipment typically used in radio and television stations, multimedia, and theater applications. Prepares advanced students for entry-level positions in radio, television, multimedia and theater audio production. Applies to Associate Degree. Transfer credit: CSU
- RT M08 Voice and Diction _____ 3.00 Units
Introduces theory and practice of voice control, emphasizing correct pronunciation, breathing control techniques, and regional and foreign dialects. Especially useful for those in theatre, forensics and broadcasting. May be taken two (2) times for credit. (Same course as THA M03 and SPCH M03) Transfer credit: CSU; UC. CAN: DRAM 6
- RT M09 Acting for Film and TV _____ 3.00 Units
Introduces techniques pertinent to film and television acting, including blocking, movement, rapid line learning, and use of microphones. Includes performance in student-directed films and television shows. May be taken four (4) times for credit. (Same course as THA M09) Applies to Associate Degree. Transfer credit: CSU; UC.
- RT M10A Digital Filmmaking I _____ 3.00 Units
Advanced producing and writing in the development of narrative story telling. Includes the application of the principles and techniques of storyboarding, location scouting, budgeting and casting. Students will produce and write a short narrative digital film. Applies to Associate Degree. Transfer Credit: CSU.

New, easy on-line payment plan - **eCASHIER**

See page 149 for more information or visit WebSTAR at www.vccd.edu/webstar

RT M10B Digital Filmmaking II _____ 3.00 Units
Advanced directing and shooting in the development of narrative story telling. Includes the application of the principles and techniques of digital cameras, non-linear editing and aesthetic evaluations. Students will shoot and edit a short narrative digital film. Applies to Associate Degree. Transfer Credit: CSU.

RT M12 Broadcast Journalism _____ 3.00 Units
Provides advanced practice in preparation of radio and television newscasts. Develops interviewing skills. Includes writing original news copy and editing and rewriting wire service copy for on-air purposes. Requires use of remote recording equipment. (Same course as JOUR M12) Applies to Associate Degree. Transfer credit: CSU

RT M13 Broadcast News Production _____ 3.00 Units
Recommended Prep: RT M02A or RT M02B and in conjunction with JOUR M12
Provides specialized training in producing news for television and multimedia applications. Emphasis is on the use of digital newsgathering equipment, producing newscasts and on-air presentation of completed stories. Provides operational skills and techniques through practical hands-on experiences in: studio directing, locations shooting, and editing. Students will crew and create new productions that will air on the Moorpark college website. (Same course as JOUR M13). Applies to Associate Degree. Transfer credit: CSU

RADIOLOGIC TECHNOLOGY

RADT M01A Radiographic Practice I _____ 4.00 Units
PREREQUISITE: RADT M10A, RADT M10AL and RADT M10B

COREQUISITE: RADT M01AL and RADT M11

Focuses on routine and trauma radiographic anatomy, positioning and procedures of the upper and lower extremities, shoulder girdle, bony thorax, pelvic girdle and spinal column. The course also includes pathologic indications that radiographers should be familiar with for each of the above anatomical areas. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

RADT M01AL Radiographic Clinical Lab I _____ 2.50 Units
PREREQUISITE: RADT M10A, RADT M10AL and RADT M10B

COREQUISITE: RADT M01A and RADT M11

Introductory clinical laboratory that will provide an opportunity for practical application from RADT M10 and RADT M01A theory and skills lab content. This lab will take place in the radiology department of a pre-assigned clinical affiliate. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

RADT M01B Radiographic Technique I _____ 4.00 Units

PREREQUISITES: RADT M10A, RADT M10AL, RADT M10B

COREQUISITE: RADT M01A, RADT M01AL and RADT M01BL

Covers function and manipulation of radiographic equipment for conventional radiographic systems as well as digital systems. Image quality and the technical factors needed for optimum image quality in conventional and digital systems are covered. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

RADT M01BL Radiographic Technique Lab I _____ 1.00 Unit

PREREQUISITES: RADT M10A, RADT M10AL and RADT M10B

Corequisites: RADT M01A, RADT M01AL and RADT M01B

Provides basic knowledge in factors that govern and influence the production and recording of radiographic images. Class demonstrations and experiments are used to demonstrate application of theory learned in RADT M01B. Applies to Associate Degree. Transfer credit: CSU

RADT M03A Introduction to Image-intensified Fluoroscopy _____ 1.00 Units

PREREQUISITES: RADT M02A, RADT M02AL, RADT M02B and RADT M02BL

COREQUISITE: RADT M03AL, RADT M03B

Covers the principles of fluoroscopic equipment including image formation, image recording and display. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

RADT M03AL Radiographic Clinical Lab III _____ 10.50 Units

PREREQUISITES: RADT M02A, RADT M02AL and RADT M49

COREQUISITE: RADT M03A and RADT M03B

Intermediate clinical laboratory that will provide an opportunity for practical application from RADT M01A and RADT M02A theory and skills lab content. This lab will take place in an x-ray department of a pre-assigned clinical affiliate. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

RADT M03B Radiographic Pathology _____ 2.00 Units

PREREQUISITES: RADT M01A and RADT M02A

COREQUISITE: RADT M03A, RADT M03AL

Introduces the advanced radiography student to various types of disease processes seen radiographically. It covers the following systems: respiratory, digestive, genito-urinary, osseous, hepatobiliary, and nervous. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

RADT M10A Introduction to Radiologic Technology _____ 2.00 Units

PREREQUISITES: Admission to the Moorpark College Radiography Program and ANPH M01

COREQUISITE: RADT M10AL and RADT M10B

Provides the new radiography student with entry-level information to begin clinical practice to a diverse client population in a radiology department. Will emphasize radiation protection, equipment manipulation and safety, darkroom technique, anatomy and positioning for chest and abdomen procedures and career options in Radiology. Applies to Associate Degree. Transfer credit: CSU

RADT M10AL Introduction to Radiologic Technology Lab _____ 2.50 Units

PREREQUISITES: Admission to the Moorpark College Radiography Program and ANPH M01

COREQUISITE: RADT M10A and RADT M10B

Permits the new radiography student to participate in a simulated radiography department setting in the on-campus Radiography skills lab. Participation will include darkroom procedures, equipment manipulation, radiation protection procedure, basic radiographic positions and projections positions and chest and abdomen anatomy and procedures. Applies to Associate Degree. Transfer credit: CSU

RADT M10B Introduction to Radiographic Technique _____ 2.00 Units

PREREQUISITES: Admission to the Moorpark College Radiography Program

Corequisites: RADT M10A and RADT M10AL

Provides a basic knowledge for radiographic equipment and design. It will cover different types of radiographic equipment, x-ray circuits and generators. Also covers basic atomic structure, electromagnetic spectrum and properties of x-rays. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

Some class offerings and room assignments may have changed since printing this schedule.

146 *Please see the web for the most up to date class - www.moorparkcollege.edu/htdocs/schedule*

RADT M11 Radiographic Lab I _____ 1.00 Unit

PREREQUISITES: RADT M10A, RADT M10AL and RADT M10B

COREQUISITE: RADT M01A and RADT M01AL

Provides practical application of theory from RADT M01A through simulated clinical experiences in a radiography skills lab. Each student will practice positioning with a imock patient and make actual radiographs of an x-ray phantom. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

RADT M15 Venipuncture and ECG for Diagnostic Imaging _____ 1.00 Unit

PREREQUISITES: Certified Radiologic Technologist or RADT M02A

Provides the student with the basic techniques to practice venipuncture in an upper extremity for the sole administration of contrast materials. Upon completion, the student will need to perform ten (10) venipunctures at a clinical site under the direct supervision of a physician in order to comply with state regulations and earn certification to perform venipuncture. Also contains an introduction to ECG, including, but not limited to, preparation for ECG, monitoring, normal and abnormal rhythms. May be taken two (2) times for credit. Applies to Associate Degree. Transfer credit: CSU

RADT M49 Radiographic Practicum _____ 4.50 Unit

PREREQUISITES: RADT M02A/M02AL and RADT M02B

MATERIALS FEES: A \$39 materials fee will be required at registration.

Clinical experience in a pre-assigned clinical affiliate. The main focus will be on the improvement of clinical skills of all previously learned Radiological procedures in Level I courses. (May be taken a total of two (2) times. Applies to Associate Degree. Transfer Credit: CSU.

SIGN LANGUAGE

SL M01 American Sign Language I _____ 3.00 Units

An introductory course in the fundamentals of American Sign Language. Offers an introduction to the basic vocabulary and finger spelling systems necessary to facilitate communication in ASL and will focus on developing expressive and receptive signing skills. The technical aspect of Kinesthetic Linguistics includes an emphasis on syntactical structure and various linguistic components such as: grammatical features, semantics, lexical countenance and the psychosocial nuances of Deaf Culture. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 6A

SL M02 American Sign Language II _____ 3.00 Units

PREREQUISITES: SL M01

Introduces fundamentals of American Sign Language, including basic vocabulary and finger spelling. Emphasizes grammatical structure and comprehension. Explores deaf culture. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU, UC. IGETC AREA 6A.

SOCIAL SCIENCES

SOC M01 Introduction to Sociology _____ 3.00 Units

Analyzes major theoretical constructs involving human interactions, cultural origins, community organization, collective behavior, social change, institutional growth, and social movements. Applies to Associate Degree. Transfer credit: CSU; UC (SOC M01 and M01H combined: maximum credit, one course). IGETC AREA 4J. CAN: SOC 2;

SOC M01H ★ ★ ★ Honors: Introduction to Sociology _____ 3.00 Units

Honors work in sociology analyzes major theoretical constructs involving human interactions, cultural origins, community organizations, collective behavior, social change, institutional growth, and social movements. Honors work challenges students to be more analytical and creative through expanded assignments, real-world applications and enrichment opportunities. Applies to Associate Degree. Transfer credit: CSU; UC (SOC M01 and M01H combined: maximum credit, one course). IGETC AREA 4J.

SOC M02 Social Problems _____ 3.00 Units

Analyzes causes and consequences of social problems confronting contemporary U.S. society, including inter-group conflict, sexism, racism, ageism, sexual deviance, poverty, crime, delinquency, substance abuse, cults (religious, political, psychological), terrorism, health and environmental degradation by examining methodology, skills and resources applied to solving social problems. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4J. CAN: SOC 4;

SOC M03 Sociological Analysis _____ 3.00 Units

PREREQUISITES: SOC M01

Examines basic concepts supporting the scientific analysis of society and social institutions. Studies conceptualization, operationalization, hypothesis construction, sampling and sampling designs. Requires collection and analysis of field data. Applies to Associate Degree. Transfer credit: CSU; UC

SOC M04 Intimacy, Relationships and Commitment _____ 3.00 Units

Explores theoretical, historical, cross-cultural, sociological and personal perspectives of committed relationships, reviewing various perspectives on marriage and the family. Considers sex roles, socialization, sexuality, the single life, marriage, parenting, dual-career families; and conflict in relationships, separation, divorce, remarriage, and alternative choices. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. (Same course as PSY M20) Applies to Associate Degree. Transfer credit: CSU, UC. IGETC AREA 4I, 4J. CAN: FCS 12.

SOC M05 Social Psychology _____ 3.00 Units

Introduces social relationships, emphasizing interpersonal attraction; person perception; long-term relationships; prosocial behavior; attitude formation and changes; and the nature of prejudice, aggression, and conformity. (Same course as PSY M05). Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 4I, 4J.

SOC M10 Kaleidoscope of Gender _____ 3.00 Units

Investigates the diversity of men 's and women 's experiences in American society. Emphasizes the social and historical factors that shape relations between men and women. Explores feminine and masculine scholarship, American society 's treatment of women compared to men, and examines the position of women and men in the family and in the community. Applies to Associate Degree. Transfer credit: CSU; UC.

SOC M15 Introduction to Criminology _____ 3.00 Units

Introduces the factors, concepts and theories, and characteristics associated with criminal behavior, crime, and victimology. Applies to Associate Degree. Transfer credit: CSU; UC (SOC M15 and SOC M16 combined: maximum credit, one course). IGETC AREA 4I, 4J.

New, easy on-line payment plan - **eCASHIER**

See page 149 for more information or visit WebSTAR at www.vcccd.edu/webstar

SPANISH

SPAN M01 Elementary Spanish I _____ 5.00 Units
Introduces Spanish language, culture, history and people, emphasizing speaking, listening, reading and writing skills. Requires individualized work in the lab each week. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 75 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC (SPAN M01 or SPAN M01A/B combined: maximum credit, 5.00 Units). IGETC AREA 6A. CAN: SPAN 2, SPAN SEQ A (SPAN M01 + M02)

SPAN M02 Elementary Spanish II _____ 5.00 Units
PREREQUISITES: SPAN M01 or two years of high school Spanish (C or better)
Further explores Spanish language and culture, emphasizing people and history as well as speaking, reading and writing proficiency. Requires individualized work in the lab each week. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 75 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREAS 3B, 6A.. CAN: SPAN 4, SPAN SEQ A (SPAN M01 + M02).

SPAN M03 Intermediate Spanish I _____ 5.00 Units
PREREQUISITES: SPAN M02 or three years of high school Spanish
Offers intensive review of basic grammar, including extension and refinement of fundamentals and increased proficiency in reading, writing, and speaking skills. Focuses on culture through study of selected literature and contemporary society. Requires individualized work in the lab each week. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 75 contact hours. Applies to Associate Degree. Transfer credit: CSU; UC (SPAN M03 and SPAN M03H combined: maximum credit, one course). IGETC AREA 3B, 6A. CAN: SPAN 8, SPAN SEQ B (SPAN M03 + M04)..

SPAN M31A Beginning Practical Spanish I _____ 3.00 Units
Provides basic understanding and use of Spanish in practical situations, emphasizing elementary grammar and principles of usage for non-native speakers. Provider approved by the California Board of Registered Nursing. Provider number CEP2811 for 45 contact hours. May be taken two (2) times for credit. Applies to Associate Degree.

SPAN M41 Intermediate Conversational Spanish _____ 3.00 Units
PREREQUISITES: SPAN M02
Develops oral skills while reviewing grammar and building vocabulary for intermediate non-native speakers. Discusses a variety of topics in Spanish. may be taken concurrently with SPAN M03 or SPAN M04. Applies to Associate Degree. Transfer credit: CSU;UC.

SPEECH

SPCH M01 Introduction to Speech _____ 3.00 Units
Designed to prepare students to be effective oral communicators in a public speaking context through instruction in basic communication theory, appropriate delivery skills, common organizational patterns, and thorough research techniques. Also offers practical training in feedback and listening skills. Applies to Associate Degree. Transfer credit: CSU; UC (IGETC AREA 1C, CSU only). CAN: SPCH 4

SPCH M03 Voice and Diction _____ 3.00 Units
Introduces theory and practice of voice control, emphasizing correct pronunciation, breathing control techniques, and regional and foreign dialects. Especially useful for those in theatre, forensics and broadcasting. May be taken two (2) times for credit. (Same course as RT M08 and THA M03) Applies to Associate Degree. Transfer credit: CSU; UC. CAN: DRAM 6

SPCH M04 Interpersonal Communication _____ 3.00 Units
Provides an introduction to the dynamics of communication in one-to-one relationships, focusing on experience, behavior, and rules governing interpersonal contexts such as friendship, families, and employer-employee relations. Factors influencing communication are studied such as language, perception, non-verbal cues, listening, status and roles. Problems of communication are identified and explored through conflict resolution and problem solving techniques. Assertiveness and confidence in relating interpersonally through the communication process are studied. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: SPCH 8

SPCH M07 Argumentation and Debate _____ 3.00 Units
Introduces theory, methodology, and practice of critical listening, critical thinking and oral argument, including training in propositions, methods of analysis, stock issue policy analysis, evidence and proof, and cross-examination considerations. Examines types of debatable propositions, effective listening and note taking, research methodology, and delivery skills. Practices team and Lincoln/Douglas formats on class-selected topics and issues. Applies to Associate Degree. Transfer credit: CSU; UC. CAN: SPCH 6

SPCH M10A/B/C/D Forensics _____ 2.00 Units
Provides training, rehearsal, practice and performance necessary to succeed as a competitive speech team. Emphasizes argumentation and debate, informative and persuasive speaking, and impromptu and extemporaneous speaking. Involves research and one-on-one interactive training. Requires participation in interscholastic competition or community speaker 's bureau. Applies to Associate Degree. Transfer credit: CSU

SPCH M25 Introduction to Rhetorical Criticism _____ 3.00 Units
PREREQUISITES: ENGL M01A
Studies the principles of reasoning and rhetoric and their application to the analysis and evaluation of public discourse. Examines both the technique and the substance of discourse by exploring rhetorical strategies, quality of argument, quality of support for claims, use of language, fallacies, as well as the demands placed on the speaker by the audience. Emphasizes the integration of critical thinking principles with techniques of effective written and spoken discourse.

SPCH M26 Rhetoric of Popular Culture _____ 3.00 Units
RECOMMENDED PREPARATION: ENGL M01A
Studies U.S. popular culture. Examines the role of popular culture in the U.S. as a mediator of cultural values and attitudes. Specifically evaluates popular cultural in advertising, film, television, sports, and politics. Applies to Associate Degree. Transfer credit: CSU; UC. IGETC AREA 3B

148 *Please see the web for the most up to date class - www.moorparkcollege.edu/htdocs/schedule*

WORK EXPERIENCE

WEXP M10 General Work Experience _____ 1.00 to 6.00 Units
Provides on-the-job learning to develop effective work habits, attitudes, and career awareness in paid or unpaid jobs that need not be related to student's major or career goals. Both workplace supervisor and faculty advisor provide feedback and/or written evaluations. Requires orientation session, consultations with faculty supervisor, learning objectives that demonstrate new or expanded learning, and term paper or project. TITLE V Regulations: 1) Under the Parallel Plan the student must be taking a minimum of 7 units, which can include the work experience units, and can enroll in 1-3.00 Units per semester; 2) Under the Alternate Plan the student must enroll in no more than one other course and can enroll in up to 6 units for one semester; and 3) The student can earn a maximum of 6 units of General Work Experience. Offered on a credit/no credit basis only. May be taken four (4) times for credit or until a total of 16-work experience units are earned. Applies to Associate Degree. Transfer credit: CSU

WEXP M20 Occupational Work Experience (Internship) _____ 1.00 to 8.00 Units
Corequisites: Enrollment in at least 7 college units, inclusive of this course
Provides on-the-job learning related to a career interest or major, under the direct supervision of faculty and industry supervisors. Both supervisors provide feedback and written evaluations. Requires attending an orientation, developing three evaluated learning objectives, writing a summary report, and maintaining signed verification of worked hours. Also requires meeting at least twice with faculty advisor, who visits the work site, supervises the occupational work experience, and awards a grade. Requires 60 hours unpaid work or 75 hours paid work for each unit earned. May be taken a maximum of 4 times, not to exceed 16 units in combination with any other work experience/internship courses. (Same course as each disciplines M80.) Applies to Associate Degree. Transfer credit CSU, credit limitations. To take this course, contact the Career Services Center: Call (805) 378-1536.

WEXP M31 Job and Career Readiness _____ 0.50 Unit
Provides understanding of how to prepare for employment in order to achieve personal job or career goals, such as prioritizing goals, identifying key attributes that employers prize, developing an approach appropriate to goals, and self-management techniques that include building self-confidence, staying motivated, and managing stress. Will develop a professional action plan in a personalized, step-by-step employment preparation strategy. (Formerly WEXP M16) Applies to Associate Degree. Transfer credit: CSU

WEXP M32 Work and Career Trends _____ 0.50 Unit
Jobs and careers are changing daily, as new technologies, globalization, and the information economy change how and where we work. This seminar will look at these and other trends and forces, and determine what jobs and job skills are likely to be important in the future. Discussion of what skills to upgrade and learn. Also reviews labor data that anticipates the greatest job growth areas in the next few years. (Formerly WEXP M14) Applies to Associate Degree. Transfer credit: CSU

WEXP M33 Job Search Electronically _____ 0.50 Unit
Increasingly, companies are posting job openings and looking for employees online. Explore contemporary job searching techniques, including discovering the most effective job listing sites, how to narrow your search, how to research companies, where to post your resume, and how to submit your application and resume online. (Formerly WEXP M13) Applies to Associate Degree. Transfer credit: CSU

WEXP M34 Professional Resumes _____ 0.50 Unit
Provides resume and cover letter writing information and practice in specific and/or general career areas according to contemporary trends in hiring. Includes functional, chronological, and combination resume styles and resumes for electronic format. Student will develop and write personal resumes and cover letters using different formats. (Formerly WEXP M12) Applies to Associate Degree. Transfer credit: CSU

WEXP M35 Effective Interviews _____ 0.50 Unit
Provides job interviewing information and practice in specific and/or general career areas. Includes current interviewing styles, sample questions, legal parameters, and appropriate dress, demeanor, and response. (Formerly WEXP M11) Applies to Associate Degree. Transfer credit: CSU

WEXP M36 Strategies for Career Success _____ 0.50 Unit
Provides information on how to prepare for and achieve employment success, including understanding workplace culture and expectations, understanding and practicing workplace ethics, responding well to critical feedback, managing stress and conflict, and working within a team environment. (Formerly WEXP M15) Applies to Associate Degree. Transfer credit: CSU

ZOO

ZOO M01 General Zoology _____ 5.00 Units

Introduces the major phyla of animals. Examines the anatomy and physiology of the major phyla from an evolutionary perspective, relating structure, metabolism, genetics, reproduction, development, lifestyle, behavior, and habitat location to species success. Emphasizes the relationship between form and function at the level of cells, organ systems, and communities. In lab, students develop skill with the scientific method as they examine the anatomy and physiology of representative animals in each of the major animal groupings. Applies to Associate Degree. Transfer credit: CSU; UC.

New Easy Payment Plan with **eCashier**

- Easy on-line enrollment • Monthly payment plan • Flexible payment options • No interest

Just \$15 enrollment fee per semester (\$25 returned payment fee).

Pay using Automatic Bank Payment or with credit/debit card.

Payments are processed on the 5th or 20th of each month

and will continue until balance is paid in full.

Just log onto WebSTAR and register for your classes.

Then select the "exit registration & view fees" option.

Verify your payment amount and proceed to the **eCashier** site.

REGISTRATION INFORMATION

OPEN TO ENROLLMENT

Each course offered by the Ventura County Community College District and its colleges is open to enrollment and participation by any person who has been admitted to the college and who meets the prerequisites to the class or program, unless specifically exempted by statute.

HOW TO APPLY

New students: If you have never attended Moorpark College, an application for admission is required in order to register for classes. You are eligible to attend Moorpark College if you have graduated from high school or are 18 years of age. You may also be eligible to attend as a Special Admission student if you are still enrolled in high school.

New students and new Special Admission students are encouraged to apply on-line at www.moorparkcollege.edu/apply. New students may also apply by mail, fax, or in person.

Returning Students: If you last attended Moorpark College prior to Spring 2003, you are not required to re-apply for admission. However, to be eligible to register during New & Returning student priority registration beginning April 28th, returning students must contact the Registration & Records Office no later than April 18th to update their enrollment status.

Returning students may make changes to their e-mail address, phone number, or address on-line at www.moorparkcollege.edu/webstar. If your name has changed since you last attended, please visit the Records Office to make the change.

HOW TO REGISTER

ON-LINE: This is by far the easiest, most convenient, and most efficient way to register and we highly recommend it. Log-on to moorparkcollege.edu/webstar and follow the step-by-step instructions.

IN-PERSON: Held in the Office of Registration & Records located in the Administration Building.

HOW TO DETERMINE WHEN TO REGISTER

Continuing Students: If you attended Moorpark, Oxnard, or Ventura College in Spring 2008 or Fall 2007, you are a continuing student and are entitled to priority registration beginning April 14th. Starting April 1st, continuing students may log onto www.moorparkcollege.edu/webstar to view their priority registration date.

Priority for continuing students is based on the number of units completed within the Ventura County Community College District. Students with the highest number of units are assigned the earliest registration dates. Units from other institutions are not included for purposes of determining registration priority.

New & Returning Students: If you have never attended Moorpark, Oxnard, or Ventura College you are a new student. If you last attended any of these colleges before Fall 2007, you are a returning student.

Some class offerings and room assignments may have changed since printing this schedule.

150 *Please see the web for the most up to date class - www.moorparkcollege.edu/htdocs/schedule*

REGISTRATION INFORMATION

New students who apply by April 18th and returning students who update their enrollment status with the Office of Registration & Records by April 18th, are eligible to register beginning April 28th.

New and returning students who do not meet the November 18th deadline may register beginning May 5th. No appointment is needed.

Special Admission Students: A Special Admission student is a student in grades K-12 under the age of 18. Please refer to page 150 for Special Admission registration information.

If you last attended Moorpark College as a high school student and have now graduated, you must update your enrollment status by contacting the Office of Registration & Records before you will be allowed to register on-line.

REGISTRATION FEES

All fees are due and payable immediately. Students who do not pay their fees in a timely manner may:

- Be dropped from their classes and required to re-enroll.
- Have a financial hold placed against their records which until paid will prevent all enrollment and withdrawals, prohibit access to transcripts, grades, and limit access to certain campus services. Students dropped for nonpayment of fees may re-enroll in any open class.

HOW TO DROP A CLASS OR WITHDRAW FROM SCHOOL

On-line: moorparkcollege.edu/webstar

By Fax: (805) 378-1583

By Mail: 7075 Campus Road, Moorpark, California 93021

In Person: Office of Registration & Records, Administration Building. It is the students responsibility to drop classes. Students who do not drop using one of these methods will receive an "F".

WAIT LISTS

Waitlists are now available for both Summer and Fall. If you have an e-mail address on file with the college, you can add your name to a wait list for any Summer or Fall closed class. If space becomes available, you will automatically be moved into the class and be sent an e-mail confirmation. For more information and wait list criteria, visit www.students.vcccd.edu

COLLEGE PHOTO I.D.

Now available for just \$10 per semester or \$15 per year! Card holders receive free admission to all home Moorpark College athletic events, reduced cost to college events & activities, AND discounts at local movie theaters and local businesses.

New, easy on-line payment plan - eCASHIER

See page 149 for more information or visit WebSTAR at www.vcccd.edu/webstar

FEES

All fees are due and payable immediately. Students who do not pay their fees in a timely manner may have one or both of the following actions taken: Be dropped from their classes and required to re-enroll and/or have a financial hold placed against their records which until paid will prevent all enrollment, drops, and withdrawals, prohibit access to transcripts, grades, and limit access to certain campus services.

Students who drop classes after the refund deadline are held responsible for all fees owed. The refund deadline for semester-length courses for the FALL 2008 semester is August 29, 2008. The refund deadlines for all Summer 2008 classes and Fall 2008 short-term courses and are specific to each class and can be found online at www.moorparkcollege.edu/schedule.

Enrollment fees are set by the State and are subject to change without notice and may be retroactive; all other fees are set by the Ventura County Community College District Board of Trustees and are subject to change by Board action.

Students who register on-line will be quoted the amount of fees due as they complete their registration and may pay on-line by Visa, MasterCard, American Express, or Discover, or send a check or money order to the Student Business Office. Students who register in person pay their fees at the Student Business Office. Students eligible for financial aid should contact the Financial Aid Office at (805) 378-1462.

NEW FEE PAYMENT OPTION: Students may now choose the convenience of a payment plan to pay their registration fees. Details and more information is available at www.students.vcccd.net.

Enrollment Fee - Mandatory \$20.00 per unit, \$10.00 per 1/2 unit, \$5.00 per 1/4 unit.

Health Fee - Mandatory \$16.00 for regular semester and \$13.00 for summer session. This fee enables us to provide you with a variety of health care services. In accordance with the California Education Code and Board policy, students are required to pay a health fee, regardless of the units taken, unless they meet one of the exemptions listed below pursuant to Ed Code #76355.

- Any student who depends exclusively on prayer for healing in accordance with the teachings of a bona fide religious sect, denomination, or organization. Documentary evidence of such an affiliation is required.
- Students attending college under approved apprenticeship training program under Education Code Section #76355.

Remote Registration Fee - \$3.00 per semester. This nonrefundable fee is charged to any student registering on-line via WebSTAR

Parking Fee (Optional):

Automobile	*\$40	Second Vehicle Permit (must show registration).....	\$8
Motorcycle.....	\$28	Replacement Permit (must show original receipt).....	\$7
Classes meeting 6-11 weeks, Auto	\$28	Combination of two permits (not less than).....	\$26
Classes meeting 6-11 weeks, Motorcycle	\$16	**Carpools	\$30
Classes meeting 1-5 weeks, Auto	\$12		

** A student who certifies that he/she regularly has two or more passengers commuting to college, will pay \$30 per semester.

Students who receive financial assistance pursuant to any of the programs described in subsection (g) of Education Code Section #76355 shall be exempt from parking fees in excess of twenty dollars (\$20) per semester.

A parking permit is required at all times. Vehicles without permits must purchase a One-Day Use Permit for \$1.00. This permit must be displayed on the dash of the vehicle and parking is then permitted in all student lots. One-Day Permits can be obtained from any one of eight machines located in parking lots.
CITATIONS WILL BE ISSUED TO ALL VEHICLES (INCLUDING HANDICAP) WITHOUT A VALID PERMIT.

FEES

Instructional Materials Fee: Instructional material fees for certain selected credit or noncredit courses may be required at the time of registration, or the materials may be purchased on your own. If an Instructional Material Fee is required, the amount of the fee is listed beneath the course title in the schedule of classes. Authority for the charge is granted under Ventura County Community College District Board Policy 5030. These instructional and other materials include but are not limited to text books, tools, equipment and clothing if:

1. The instructional and other materials required for the course have a continuing value to the student outside of the classroom setting, or
2. The instructional and other materials are used in the production of an end product that has continuing value to the student outside the classroom setting. See course schedule for instructional material fee costs.

Nonresident Tuition for Non-California Residents - Summer 2008 - \$175.00, Fall 2008 - \$181.00. If you are a nonresident student, you are required to pay the mandatory enrollment and health fees in addition to nonresident tuition.

Foreign Student Capital Outlay Surcharge: \$14.00 per unit. Students are required to pay the mandatory enrollment, nonresident tuition, and health fees in addition to the foreign student capital outlay surcharge unless they meet one of the exemptions listed below pursuant to Ed Code #76142. Application Fee (International Students): The Ventura County Community College District has adopted a non-refundable \$50.00 fee to apply for admission to Moorpark College. This fee covers the cost of federally-mandated documentation. Students are required to pay the fee unless they meet one of the exemptions listed below pursuant to Ed code #76142.

- Students must demonstrate economic hardship.
- Be a victim of persecution in the country in which the student is a resident.

College Photo I.D./Associated Students (Optional): \$10.00 per semester fee, \$15.00 per year. Card holders receive reduced cost attendance at college events, discounts for certain theater tickets and other commercial businesses.

Student Center Fee: \$1.00 per credit unit, Maximum \$10.00 per year - Students receiving benefits under CalWorks, SSI/SSP, or General Assistance may be exempt from this fee. Contact the Financial Aid Office for further information.

Student Representation Fee: \$1.00. The fee funds student representatives who state positions and viewpoints before city, county and district governments, and before offices and agencies of the state and federal government. Authorized by Education Code Section #76060.5. May be waived for religious, political, financial, or moral reasons. Contact the Associated Students Office at (805) 378-1400, ext. 1635.

Refunds/Credits: (Enrollment fees will be refunded minus a \$10 Administration Fee.) In order to qualify for a refund or credit, a student must officially drop a class or withdraw from school by the appropriate refund deadline using one of the 4 methods described on page 151. The refund deadline for semester-length courses for the Fall 2008 semester is August 29, 2008. Short-term classes have different refund deadlines that are specific to each class. These deadline dates are available on-line at www.moorparkcollege.edu/schedule.

Students who officially drop classes by the appropriate refund deadline will have their Moorpark College account credited and may then request a refund by the original payment method, or use the credited amount toward future registration fees. Students who are dropped for nonattendance after the Refund/Credit deadline, you will be responsible for all fees owed. Refund request forms are available in the Student Business Office. **PLEASE NOTE:** Your parking sticker must be turned in to receive a parking refund. Contact the Student Business Office at (805) 378-1437 for questions regarding refunds.

Nonresident tuition and the Foreign Student Capital Outlay Surcharge refund are based on the following: For classes lasting the full semester: Week 1 and 2 - 100% refund; Week 3 and 4 - 50% refund. For classes shorter than the full semester: 10% of class meetings - 100% refund; 20% of class meetings -50% refund.

Enrollment fees are set by the State and are subject to change without notice and may be retroactive; all other fees are set by Ventura County Community College District Board of Trustees and are subject to change by Board action.

POLICIES

SELECTIVE SERVICE REGISTRATION

Moorpark College in accordance with AB 397 added by statutes 1997, c. 575, E.C.s 66500 & 69400 is alerting all male applicants for admission who are at least 18 years old and born after December 31, 1959, to be aware of their obligation to register with the Selective Service. In order to receive Federal student aid, you must be registered with the Selective Service. For more information go to the Website: www.sss.gov.

STATEMENT OF NONDISCRIMINATION

The Ventura County Community Colleges are committed to providing an equal opportunity for admissions, student financing, student support facilities and activities, and employment regardless of race, color, religion, sex, national origin, handicap, age, marital status or Vietnam veteran status, in accordance with the requirements of Title IX of the Education Amendments of 1972, Title VII of the Civil Rights Act of 1964 (as amended by the Equal Employment Opportunity Act of 1972), sections 503 and 504 of the Rehabilitation Act of 1973 and the Rehabilitation Act Amendments of 1974, Executive Order 11246 (as amended by Executive Order 11375), and the Federal Age Discrimination Employment Act of 1967 and the Age Discrimination Employment Act Amendments of 1978 and the Americans with Disabilities Act of 1992. The 504 coordinator is Dean Inajane Nicklas.

The Ventura County Community College District has a policy of non-discrimination regarding persons with disabilities and a process for resolving allegations of discrimination. If you feel that you have been discriminated against because of a disability, you should first contact the program coordinator at (805) 378-1461 or the dean at (805) 378-1408.

STUDENT IDENTIFICATION NUMBERS

In order to provide students with additional security and confidentiality, the colleges of the Ventura County Community College District now assign student ID numbers, replacing social security numbers as the primary student identifier. Students may now access their academic records using either their social security number or student ID. Only the student ID will appear on mailers, notices from the colleges, and all faculty rosters. Your social security number will still be collected for such purposes as statistical reporting, financial aid, and Hope Scholarship Tax Credit reporting, and it will appear on your official transcript.

VETERANS

In order to qualify for VA subsistence payments, veteran students must follow specific procedures. It is the responsibility of each veteran, including those continuing from one semester to the next, to report their enrollment every semester to the veteran's eligibility clerk in order for the certification process to begin. Contact the veteran's eligibility clerk in the Office of Registration & Records at (805) 378-1400 extension 1852 for additional information or to report your enrollment.

Some class offerings and room assignments may have changed since printing this schedule.

154 *Please see the web for the most up to date class - www.moorparkcollege.edu/htdocs/schedule*

INFORMATION FOR
SPECIAL ADMISSION STUDENTS
(Grades 9 – 12 and home schooled students)

All Special Admission students are encouraged to apply on-line at:
www.moorparkcollege.edu/apply

All Special Admission students must register in person and must submit the following for every semester of attendance as a Special Admission student:

- a Special Admission form signed by their school principal or counselor and a parent
- an unofficial copy of their most recent school transcript
- a completed application for admission (if they have not already applied on-line)

Registration Instructions for Special Admission Students
Enrolling in Grades 11 and 12

1. Register in-person during the dates and hours listed in the calendar.
2. Must have a Pre-Requisite Approval form signed by a Moorpark College counselor indicating they have completed the academic prerequisite in order to enroll for any Math class (except Math M09, Math M01, Math M02, and Math M03)
3. Must complete the on-line English Self-Assessment in order to enroll for Engl M01A: www.moorparkcollege.edu/assess.

Additional Registration Requirements for Special Admission Students
Currently Enrolled in Grades 9, 10 and below
(*Students below 9th grade are generally not admitted for official college enrollment*)

- Must meet requirements 1, 2 & 3 listed above.
- Must attend the first meeting of class for which they plan to enroll and obtain add authorization number from the instructor

Special Admission students are exempt from the \$20.00 per unit enrollment fee. All other fees apply.
See pages 152 and 153 for a listing of fees

**COMING
SOON**
to a **COMPUTER**
NEAR YOU !!!

**An Internet Portal
for Moorpark,
Oxnard and Ventura
colleges and the
Ventura County
Community
College District.**

**The new Portal
will improve
communication &
services - for students
and staff alike.**

**WHEN IS
It COMING?**

Set to launch sometime during the Fall 2008 semester with the most basic services first, the Portal will mature over time as services and links are added.

A full rollout is expected to be completed by the end of the 2008/2009 academic

WHAT CAN It DO?

With an easy login and password entry, students and staff will have access to the entire college experience, academic records, links to courses or work assignments, grades, employee benefit information and more.

**ENDLESS
CUSTOMIZABLE
OPTIONS**

To really make your college experience personal, you will be able to set up and link to the internet's most popular sites from your personal portal page

**NEW STUDENT
E-MAIL SYSTEM**

To better serve the needs of the student body, a new student e-mail system will provide a unique identity for each student to correspond with their teachers, classmates and friends.

**Watch the web for our
Internet Portal Launch Announcement**

Need Help Paying Your Enrollment Fees or other Expenses?

Here Are Two Options:

➔ **Fee Waiver:** The Board of Governors Enrollment Fee Waiver (BOGW) provides a waiver of enrollment fees to qualifying students who are California residents. For information regarding the methods for qualifying and verification required, please see "Criteria for Fee Waiver." This Fee Waiver (BOGW) is valid for an entire academic year, starting Fall 2008 and continuing through Summer 2009.

➔ **Financial Aid:** The Financial Aid Office has the Free Application for Federal Student Aid, "FAFSA," for students who wish to apply for financial assistance for the 2008-2009 academic year. This application covers both federal and state financial aid programs, including the following:

- Federal Pell Grant
- Federal Work-Study
- Federal Supplemental Educational Opportunity Grant
- Federal Family Education Loans (Stafford Loans)
- Academic Competitiveness Grant (ACG)
- CAL Grants B, C

Interested students should "apply now." A Financial Aid application is available on-line at www.fafsa.ed.gov or you may pick up a copy at the Financial Aid Office. Don't delay in applying. The process may take up to three months. Financial aid will be awarded to eligible students subject to availability of funds.

Criteria for Fee Waiver

You are eligible to receive a fee waiver if you are a California resident and you meet any ONE of the following criteria:

1. Are currently receiving benefits from TANF/CalWORKs, SSI/SSP or General Assistance.
2. Are a dependent student whose parent(s) are currently receiving TANF/CalWORKs or SSI/SSP.
3. Meet certain income standards (income standards available in the Financial Aid).

If you do not meet any of the criteria, you may still qualify for a waiver if you:

4. Have completed the FAFSA at Moorpark College and have demonstrated eligibility for a Board of Governor's Fee Waiver.

You must complete a BOGW application. Contact the Financial Aid Office or go on-line to apply at www.fafsa.ed.gov. Fee waivers are valid for the entire academic year starting Fall-Spring and ending Summer.

Get Started Guide Financial Aid

FIRST STEP -Think FAFSA...Before you can receive any financial aid, you must file the Free Application for Federal Student Aid (FAFSA) on-line at: www.FAFSA.ed.gov

TYPES OF FINANCIAL AID AVAILABLE THROUGH FAFSA

• Pell Grants (from \$400 to \$4,731 per year)

The Federal Pell Grant is free money for college and does not have to be repaid. It is offered to undergraduate students who meet financial need criteria. When you file the FAFSA form, the government determines what you and your family can afford to pay for college. They call this your Family Contribution. If your family qualifies (has a family income under a set amount per year), the Pell grant provides a "foundation" for your financial aid. The maximum amount of a Federal Pell Grant is adjusted annually to correlate with funding, so it varies from year to year. Pell Grants awards range from \$400 to \$4,731 a year.

• Community College Fee Waiver

The California Community College Board of Governors* Enrollment Fee Waiver, or BOG Fee Waiver, waives the enrollment fees at the California Community Colleges for students who are eligible for need-based financial aid, receive CalWORKs/TANF, SSI or General Assistance payments or whose family income falls below the ceilings. Student must be a California resident.

• SEOG Grants (from \$100 to \$4,000 per year)

Federal Supplemental Educational Opportunity Grants (FSEOG) are federal grants. Colleges award between \$100 and \$4,000 per year to undergraduate students with exceptional financial needs. Priority is given to Pell Grant recipients

• Cal Grants (from \$576 to \$1551 per year)

California offers Cal Grants for undergraduate students who meet the financial, academic and eligibility requirements and apply on time. The award for most first-year Cal Grant B students is \$1,551 and for Cal Grant C students is \$576, and may be used for books, living expenses, and transportation, as well as tuition and fees. Students must complete the FAFSA and Cal Grant GPA verification form by September 2, 2008.

• Student Loans

Federal Stafford Loans are for eligible students. There are two types: subsidized, for which the government pays the interest while students are in school; and unsubsidized, for which students are responsible for paying all the interest. Students can receive both types of loans at the same time.

• Parent Loans

Federal Plus Loans help parents and stepparents pay their dependent's college costs. To apply, parents must complete a AND loan application and pass a credit check, and students must file the FAFSA.

• Work Study

The Work Study Program lets eligible students earn money through a job on campus to help defray college costs.

Remember the First Step... Cal Grant deadline is March 2, 2008 (pertains to 2008-09 academic year and requires GPA verification form and FAFSA). Federal Student Aid (FAFSA) on-line at: www.FAFSA.ed.gov

HELPFUL HINTS

- Apply early in order to have the best chance for all available funds (Cal Grant deadline is March 2, 2008).
- Answer all questions on the application unless instructed to skip.
- Remember the student and/or parent signatures on the application.
- Keep a copy of your application for your records.
- When you file your tax return (1040, 1040EZ, etc.) remember to keep a copy.
- You must submit copies of all documents requested. (The Financial Aid Office will not duplicate or return original documents submitted.)
- Promptly respond to all requests from the Financial Aid Office. Incomplete files will delay your award processing.
- If you transfer within the VCCCD (Moorpark, Oxnard, Ventura) during the 2008 school year, your aid may be revised and/or delayed.
- In order to receive financial aid, you must be enrolled and attending the college that offers you aid.

MOORPARK COLLEGE FINANCIAL AID OFFICE

Open Monday through Thursday, from 8:30 am to 4:00 pm. • 7075 Campus Road, Moorpark, CA 93021 (805) 378-1462

www.moorparkcollege.edu/finaid

FINAL EXAM SCHEDULES

Summer Semester 2008

Final examinations will be given during the last scheduled class meeting.

Please verify with your instructor.

Fall Semester 2008

Classes meeting at the the following times:

Time of Final Exam

THURSDAY, DECEMBER 11

7-8:20am TTH; 7-9:50am TTH; 7:30-9:50am TTH; 8:00-9:50am TTH 7-9
7:30-11:20am TTH; 9-10:50 am TTH; 10-11:20am TTH; 10-12:20pm TTH..... 10-12

1-4:20pm MW; 4-6:20pm MW; 4-6:50pm MW..... 4-6

Laboratory Final Schedules

Final examinations for all laboratory sections will be given at the last regularly scheduled session of the laboratory. If your class does not fall into the above date/time grid, please go by the start time of your class and verify with your instructor the time and place of the final exam.

Evening Final Examination Schedule

Evening class final examinations are scheduled to be given the last night of the week on which the class normally meets, starting Thursday, December 11, 2008. Final examinations for evening laboratory sections will be given at the last regularly scheduled session of the laboratory.

If your class does not fall into the above date/time grid, please go by the start time of your class and verify with your instructor the time and place of the final exam

Shorter than Semester Length Classes/Late Start Classes

Late start classes or short classes that are schedule to end before the last day of the semester will have final exams during the last scheduled class meeting.
