

CLUE Cast List

First of all, Thanks to all that auditioned. I truly mean it when I say that I could have cast this show three different ways and each cast would be equally strong. As much as I enjoy the audition process and working with you all individually, I always dislike having to choose. I mean it when I say that I wish I had you all in one of my acting classes so that we could work together more!

A few notes before the cast list:

- Mr. Boddy will be split into two parts. "The Game Master" and Mr. Boddy the character in the play. The Game Master will do all of the rules and sing the majority of the songs and Mr. Boddy will play the part of the character in the show.
- We will be adding three "Gamesmen" that will work with the Game Master and the audience to keep the game going throughout the show. These 3 characters will each take care of each of the three categories of cards for the final reveal.
 - o The Characters
 - o The Weapon
 - o The Room
- If you are cast, you MUST be enrolled in the THA M10A, B, C or D class by 6/1/18 if you are keep your role. The CRNs are 55916, 55818, 55819, 55820
- We will be having a **READ THROUGH of the play on 5/21/18 in PA-100 @ 6:00pm**

- Finally, I'm looking for at least one more Assistant Director for the summer. If you are interested, please LMK ASAP.
