where opportunities begin

The Moorpark College Foundation is a non-profit, tax-exempt 501(c)(3) corporation, Tax ID#95-3533986 that is designated to receive gifts for the college from individuals, corporations, and foundations. Established in 1980, this volunteer board of community leaders broadens the educational opportunities of Moorpark College students through scholarships, program grants and capital projects.

Since 1967, Moorpark College has provided quality higher education. This position is seriously challenged by reduced state funding. California community colleges educate more than 70 percent of the state's college students, yet receive less than 15 percent of the per-student dollars for higher education. Significant private contributions guarantee our students the opportunity to benefit from Moorpark College's quality programs and services.

## ABOUT HONOR WITH BOOKS

Libraries house, protect, and promote the record of human endeavor. The Moorpark College Library must keep its collection strong in many subject areas in order to attract and serve faculty, students, and community members. The Moorpark College Foundation **Honor with Books** program is a substantive and lasting way to celebrate a graduation, anniversary, or birthday...or to memorialize someone. All gifts are tax deductible, 100% goes to purchase new books.

## GIVE TO THE FUTURE

**Honor with Books** is a thoughtful and convenient way to honor others. Perhaps most important, you will have the satisfaction of knowing you are helping build and maintain the collection of the Moorpark College library.

*"A library simply can't support a dynamic college curriculum without adequate funds for the purchase of new books. I am so pleased and grateful for the generous support shown the Library by the Honor With Books Program. Our students are the beneficiaries of this generosity,"*

Moorpark College Librarian Mary LaBarge
