Academic Senate means an organization whose primary function is to make recommendations with respect to academic and professional matters.

“Academic and Professional matters” means the following policy development and implementation matters:

1. Curriculum, including establishing prerequisites
 2. Degree & Certificate Requirements
 3. Grading Policies
 4. Educational Program Development
 5. Standards & Policies regarding Student Preparation and Success
 6. College governance structures, as related to faculty roles
 7. Faculty roles and involvement in accreditation process
 8. Policies for faculty professional development activities
 9. Processes for program review
 10. Processes for institutional planning and budget development
- Other academic and professional matters as mutually agreed upon.
