

Welcome to Moorpark College!

Dear Student,

Welcome to the Moorpark College Veterans Resource Center (VRC)! We are honored to support veterans, active-duty service members, reservists, and military-connected students throughout their educational journey.

The VRC can assist with VA and CalVet education benefits, GI Bill® certification, academic planning, campus resources, and connections that support your success, graduation, and transfer goals. We also invite you to use the VRC as a welcoming space to study, connect, and recharge.

Stay connected and access helpful resources:
