<b>PREVIOUS BUSINESS</b>		
A. Enrollment Management Plan, 2019-20 update	A. Nenagh said the EdCAP suggestions from October and November have been added to the Enrollment Management Plan draft. Plan was taken to Academic Senate and more suggestions were recommended. Biggest concern was to reconsider student drop policy for non-payment. A follow-up on behalf of Moorpark’s AS was the creation of a workgroup under the District Technical Review Workgroup for Student Support to answer two questions: #1 - Should students be dropped for non-payment or not? #2 - Depending on the answer to #1, how should we operate better on behalf of our students? Further recommendations were made to reconsider setting such early start dates for the spring semester and to reconsider the process the college uses when a class is cancelled or delayed. If there are any other suggestions, please email Nenagh.

Will be administered in the next month or two. Survey will go out to deans and program leads. Josepha asked to add an open ended question regarding how to improve the program planning process.</p> <p>B. Phil said a similar suggestion was made in Fiscal Planning Committee but it was suggested ASMC have a voting member plus an alternate as backup.</p>
