

# WHAT IS CAREER EDUCATION?

Career Education gives you the hands-on, practical training needed to earn a certificate, open the door to a rewarding career, or get you started on your path toward a bachelor's degree. We prepare students for rewarding jobs in high-demand programs that can lead to immediate employment.

Moorpark College has multiple career programs that can prepare you for jobs in fields such as Engineering, Multimedia, Biotechnology, Transitional Kindergarten, and many more.

## WHY SHOULD I CONSIDER A CAREER EDUCATION PROGRAM?

Think a high school diploma opens the door to a good job? Think again!

Career Education is the smart, affordable way to get the practical skills you need to compete in today's fast paced-ever changing job market.

Our classes are taught by industry experts who have worked in their fields. You won't just be sitting in lectures — you will be gaining hands-on experience.

Career Education is a smart investment in your future.
