

Fellow VCCCD colleagues,

The Classified Senates of VCCCD will be hosting the State Classified Senate meetings in March of 2016. This will be the first time that districts colleges will jointly host this 3 day meeting. As part of hosting this meeting of 15 to 20 State Classified Senate board members we have agreed provide breakfast and lunch for all three days of the meetings. For Friday's lunch we are extending invitations to the Faculty Senate Presidents, Classified Senate Presidents, College Presidents, Student government Presidents, Chancellor, Vice Chancellors, Board members, colleges vice Presidents, State Senate Board members, Foundation Directors, and Student government officers from all three colleges.

We are asking for monetary contributions to provide breakfast and lunch for the three days. We will need to supply two regular breakfasts (15 to 20 people), one welcome breakfast (20 to 25 people), two regular lunches (15 to 20 people), and one special lunch (about 70 people). We will display the names of contributors to recognize the people that made this event possible.

Please send all donations to the Ventura College Foundation office earmarked Classified Senate - State Meeting.

On behalf of the VCCCD Classified Senates and the VCCCD Classified employees we want to thank you for your support.
