

## PROGRAM OF STUDY

### CNSE: Cisco System Network Associate Proficiency Award

To earn a Cisco System Network Associate Proficiency Award students must complete 8 units in the Cisco curriculum. Students will obtain an advanced knowledge of Cisco networking technology. Students will be well positioned to solve technical issues dealing with Cisco technologies in a medium size organization. Completion of these two courses prepares students to take the following two Cisco certification exams: 640-822 Interconnecting Cisco Networking Devices Part 1 and 640-816 Interconnecting Cisco Networking Devices Part 2.

**To earn a Proficiency Award as a Cisco System Network Associate, students complete 8 specified units.**
