

## Moorpark College Study Abroad Advisory Committee

### Prioritization Rubric – DRAFT

The Study Abroad Advisory Committee (SAAC) shall consider and base its recommendation on each proposal submitted to it on the following criteria as stated in the SAAC Vision Statement and SAAC Faculty Application Form.

Meets purpose of Study Abroad (check all that apply)

1. intellectual rigor
2. culturally enriching
3. meet the curricular needs of Moorpark College
4. integrates with host communities through
  - a. intensive language instruction
  - b. field studies
  - c. service learning
  - d. research opportunities

**0 = Weak/Non-Supportive 1 2 3 4 = Strong/Supportive**

Study Abroad Learning Objectives are clear and substantive (How it will serve students, and what will be taught while abroad?)	
Study Abroad Learning Outcomes are clear and substantive (What will students get/learn/experience as a result of taking the course(s) and completing the travel?)	
Enrollment strategies are clearly defined and show potential for fulfilling enrollment targets (How will you market this program to attract students? How does it 'sell' and what is the appeal? Who are your target populations you hope to attract?)	
Overall strength of application (thoroughness, potential, completeness)
