

# **Curriculum Faculty Co-Chair Candidate Statement**

**Letrisha Mai and Scarlet Relle**

November 15, 2018

Dear Moorpark College Academic Senate Council,

Letrisha Mai and Scarlet Relle are submitting their interest in jointly serving the Curriculum Committee as faculty co-chairs starting in the fall of 2019 academic year.

Letrisha Mai and Scarlet Relle propose a two faculty co-chair model, with their specific duties and responsibilities to be discussed and mutually agreed upon by them, once they are elected. This new model will allow both faculty members to continue with their commitments in articulation and teaching without causing an adverse impact on the college and the students.

Below are Letrisha Mai and Scarlet Relle's collective curriculum related experiences:

- Combined 23 years of curriculum related experience: Scarlet since 2012 and Letrisha since 2001.
- Current active members of the curriculum committee, technical review workgroup, and GE workgroup: Letrisha and Scarlet
- Current active member as MC representative in the District Technical Review Workgroup - Instructional (DTRW-I) and the General Education workgroup: Letrisha
- Attended several Curriculum Institutes over the years: Letrisha
- Active at the State Level in course reviews for C-ID and design of Transfer Model Curriculum: Scarlet
- Created and updated discipline course outlines and program requirements: Scarlet
- Participated at the state level in course reviews for CSU and UC General Education (CSU GE and IGETC): Letrisha

Sincerely,

Letrisha and Scarlet

# **F/T-CAP Faculty Co-Chair Candidate Statement**

Norman Marten

Nomination Statement:

I have been active in participatory governance at Moorpark College for the past 13 years having served on Campus Environment, FiscalCAP, EdCAP, Student Success, Academic Senate, and for the 3<sup>rd</sup> year now on Facilities and Technology CAP (two as a dean and now as faculty member again). This is also my 3<sup>rd</sup> year co-chairing the TRAWG workgroup for F/T CAP. I am aware of the significance of the faculty involvement in the decision-making processes of these committees and am honored to be nominated to be co-chair for Facilities and Technology CAP.

Sincerely,  
Norman Marten

# **Professional Development Faculty Co-Chair Candidate**

## **Statement**

Renée Butler

I am privileged and honored to be nominated for the position of Co-Chair for the Professional Development Committee. I welcome this opportunity to serve and help support faculty and staff for the goal of our students' success. I value and enjoy professional development activities and encourage others to participate so we as educators can improve our teaching skills with new innovative strategies to help reach our ever-changing and diverse student population. Having been involved in many committees here at Moorpark College, and currently part of the Chancellor's Leadership Academy, I believe I will be able to serve in this position and help lead this committee. I will certainly do my best to support faculty and staff, as well as work and collaborate with our managers for the success of our students. Thank you for your consideration; it will be an honor and pleasure to serve you in this position.

*Renée Butler*

*Professor of Mathematics*

# **Student Learning Outcomes Faculty Co-Chair Candidate**

## **Statement**

**Dani Vieira**

My name is Dani Vieira and I am nominating myself for the position of SLO Committee Co-Chair for the 2019-2021 term.

I have been the faculty Co-Chair for this committee for the past three and a half years, with my current term ending in 2019. I have worked closely with Deans Lisa Putnam, Carol Higashida and now Oleg Bepalov as the co-chair.

I have a degree in Sociology with both undergraduate and graduate level classes in research methods and statistics. I understand quite well how to do survey research, and I have brought this knowledge to the table at our SLO Committee meetings. Oleg and I work well together as we both understand the components of research methods. We have done a lot of good work via this committee in helping to standardize SLOs on campus, and in our last accreditation visit, the work that the SLO committee did in helping us to pass accreditation was highly noted.

Thank you for the honor of allowing me to serve as SLO Committee Co-Chair in the past two terms, and I hope to do exemplary work in the next.

Danielle Vieira  
Chair, Behavioral Science  
Current SLO Committee Co-Chair
