

Curriculum Committee

Reviews and recommends to the College President all new courses, new programs, modifications to existing courses and programs, and graduation requirements. This committee's charge include these academic and professional matters as identified in Education Code 53200(c): curriculum, including establishing prerequisites and placing courses within disciplines; degree and certificate requirements; and educational program development.

GOALS for 2014-2015

Implement course cycle of review (5-Year Review)

- Continue implementation of COR/program cycle of review
- Work towards compliance on repeatability issues
- Review prerequisite/corequisite establishment process
- Work towards compliance on degrees
- Work on development for additional 1440 degrees
- Develop program review processes
- Develop rubric for GE course qualification, outcomes, and assessment
- Develop SLO component in CurricUNET
- Review DE procedures and standard policy
