As mentioned in the last [meeting on 10/7/14](#), the State is currently focusing on the areas of emphasis in Global Studies/International Relations and Diversity Studies. Letrisha also detailed the requirements for obtaining an associate degree or transfer degree at Moorpark College in her presentation about the newly launched General Studies degrees in CurricUNET. She explained currently the General Studies degrees had not been included for review in CurricUNET, and this would make their annual review more convenient based on course level changes.
