

## **2016 PD Survey OVERVIEW:**

### **111 responses**

- 65% faculty
- 30% classified staff
- 5% admin/management

### **75% employed FT**

**How can the Professional Development Committee BEST advertise / disseminate information to faculty and staff about professional development opportunities? (choose the TWO methods you find most effective)**

- EMAIL ... 98%
- Over half also liked the Portal as a way to communicate PD info.

### **2/3 have not accessed the PD website recently or ever.**

- Some said they did not know it existed
- Many said they need messages sent to them to have reason to visit it
- One commented that the site is called faculty development as opposed to professional development

Approx. 30% were VERY LIKELY to participate in a “skilled teacher” or a mentor program; 60% were at LIKELY or VERY LIKELY to do so.
