Work Study is a great way to gain new skills that you can add to your resume.

CalWORKs Work-Study program subsidizes student employment while providing CalWORKs students valuable work experience with both campus & community employers.

The CalWORKs Work-Study program provides the following services:

- Supports student employment through subsidizing the employers a portion of student wages. The CalWORKs program is able to reimburse employers from 50% up to 75% of a student's wages.
- Participation in the CalWORKs Work-Study program allows students to keep 100% of their cash grant.
- Provides students with work opportunities to meet Cal-WORKs employment requirements for core & noncore hours.
- Provides CalWORKs students with work experience that will build their job skills while pursuing an educational program.
