## **AGENDA**

**APPROVAL OF MINUTES:** September 11, 2012 - Approved

### **INFORMATION ITEMS:**

- A. CORs for September – Professional Development, Nursing, ESL
- B. CORs for October – Chemistry, Political Science
- C. CORs for November – Art
- D. CORs for December – Journalism, Business
- E. CORs for January – Theatre Arts
- F. CORs for February – Math
- G. CORs for March – Philosophy

### **DISCUSSION:**

- A. Board Objectives
  - There was a Strategic Planning Session on 8/9/12 which defined board objectives. Board objectives were reviewed as to Curriculum Committees responsibilities. The value of the GE Workgroup meeting with comparable groups from the other two colleges was discussed.
- B. Credit-by-Exam
  - Exemptions for credit-by-exams needs to be clarified in the new catalog. A formal policy for credit-by-exam exemptions should be created and brought to the Curriculum Committee.
- C. Outlook Calendar
  - Discussion on how the Outlook Calendar was working. Several members had concerns about when they accepted the calendar that the attachments disappeared. It was discovered that the attachments were still there, but had to open the calendar date in order to retrieve them. It was suggested that a meeting invite be created for all of the CC meetings and then as the time comes closer, add the attachments.
- D. AA and AA-T?
  - Can the college have an AA and AA-T? In many situations, the AA-T may eventually replace the AA except for CTE or to meet a specific local college transfer requirement.
  - State has outlined differences between AS and AA. The AS is a STEM degree and CTE, while the AA is for everything else.
- E. Discussion of Math M01 Pre-Req
  - There was considerable concern on how to meet the needs of students who do not High School Algebra. There appears to be a need for Math M09 which is three levels below college transfer. This concern will be taken forward to Moorpark College President and District Committee DCAA.
