

## Curriculum Committee

Reviews and recommends to the College President all new courses, new programs, modifications to existing courses and programs, and graduation requirements. This committee's charge include these academic and professional matters as identified in Education Code 53200(c): curriculum, including establishing prerequisites and placing courses within disciplines; degree and certificate requirements; and educational program development.

### GOALS for 2013-2014

Implement course cycle of review (5-Year Review)

- Continue implementation of COR/program cycle of review
- Work towards compliance on repeatability issues
- Review prerequisite/corequisite establishment process
- Work towards compliance on degrees
- Work on development for additional 1440 degrees
- Develop SLO, PLO, and IO component in CurricUNET
- Complete honors addendum for honors courses
- Look at broad process for M22 and M80 course updates and renumbering
- Review GE requirements on District, IGETC, and CSU levels
- Review program requirements for TMC, certificates, and proficiency awards
- Review DE procedures and standard policy
