III. Review of Petition for Change in Associate Degree General Education Requirements

As recommended and supported by the Curriculum Committee at its March 11, 2014 meeting, the ***Petition to Change in GE for the Associate Degree*** will now be reviewed by the GE workgroup and forward to the respective Dean and EVP for final approval.

Below are the two petitions that were reviewed at today's meeting:

- EME 100 First Responder from Palomar College to be substituted for HED M05 (Area E1) – deem comparable to HED M05, recommends for approval.
- KIN M13 – request to meet PE/Activity (Area E2) requirement for the General Studies degree. Due to conflicting information available in catalog and GE worksheet and after lengthy discussion of the petition, we recommend for approval.

These two petitions will be forward to the Dean of the discipline and EVP for review and final approval.

Meeting adjourned at 2:00 p.m.

NEXT MEETING: April 8, 2014 at 2:30 in A-123 (Letrisha's Office)
