MINUTES

Meeting began at 1:05 p.m.

APPROVAL OF MINUTES: March 4th, 2014

Co-Chair Jerry Mansfield called for a motion to approve the March 4th, 2014 Meeting Minutes. Janice Feingold motioned for approval. Candice Larson seconded the motion. Motion carried.

INFORMATION ITEMS:

- A. CORs for January – Criminal Justice, Kinesiology/Health Education
- B. CORs for February – Music, Health Science, Nutritional Science
- C. CORs for March – Radiologic Technology, Radiologic Technology (CTE)

DISCUSSION:

A. Petition for GE Substitution

Letrisha Mai explained that currently the petition for GE substitution goes to the individual disciplines, and the GE Workgroup is proposing that the petition now be submitted to the GE Workgroup instead of the discipline for review and approval. Lisa Putnam asked if there was enough representation across the board in the GE Workgroup, and Janice Feingold stated that there are currently four members in the GE Workgroup that would be reviewing the petition, versus just one in each discipline. Letrisha mentioned that the timeline and process of how petitions are going to be handled will be further discussed in an upcoming curriculum meeting.

B. Follow-up on CTE Revision – No discussion

Awaiting Dean Julius Sokenu’s attendance to further discuss the inclusion of course review in the 2 Yr. CTE Review process.

C. Fall Flex Training

We will have mandatory curriculum and CurricUnet training during Flex week at the start of Fall Semester. More details to follow. As far as we have heard we will NOT be having Stand Alone Training any longer, and we will focus on how to update and/or create CORs in CurricUnet.

D. Future ADTs

We currently have a new Transfer Degree in the process, ECON AA-T. We have met the 1440 mandate and the goal has been met to create Transfer Degrees. We currently have 20 approved Transfer Degrees on campus, and we are in the process of awaiting the approval of the English and Spanish Transfer Degrees, in addition to the Economics.
