CHANCELLOR

February 15, 2012

Dear Ventura County Community College District Employees:

As you are aware, the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges (Commission) has released its official follow-up review findings for Ventura County Community College District (VCCCD) and moved all three of the District's colleges to "Probation" status due to deficiencies identified by the Commission pertaining to Board performance.

On behalf of all the Trustees, I want to assure you the Board will act thoughtfully, swiftly, and thoroughly to correct Commission concerns. A Board of Trustees Special Meeting is scheduled for February 22, 2012 to discuss and remedy issues as stated by the Commission.

We appreciate each college's progress in meeting accreditation recommendations, and we will perform as admirably as our employees.

Very truly yours,

Stephen P. Blum, Esq.
Board Chair
Ventura County Community College District
