Display Transfer Equivalencies

How to use this Guide:

- Please wait while courses are being downloaded
- The online Transfer Equivalency Guide is for reference only. The equivalencies listed are subject to change. Official transfer credit evaluations are completed in the Office of Admissions.
- If a course is not listed or if course credits are not displayed, that course may not yet be in our database or the course credits vary. Please meet with your advisor for specific course transferability information.
- The **Left** side of the page lists the transfer courses by subject in alphabetical order. The **Right** side lists the course(s) equivalent at MSU. Please scroll down the page to display all courses.
- **Group code:** Indicates the grouped transfer courses that when taken together articulate to a course or set of courses at MSU.
- **Quarter Credit:** Quarter transfer course displays 'q' after the credit; the equivalent displays the converted semester credit.
- **Elective Credit** is indicated as follows:
 - ELEC100/200 = Elective Lower Level
 - ELEC300/400 = Elective Upper Level
- **Effective Term (Eff Term):** indicates the semester the equivalent course is valid. "< Fa 91" is prior to Fall 1991.
- **Attribute:** indicates the General Education Core category the equivalent course meets. Letters attached to the MSU course number indicate University Core.

D	Diversity	IA	Inquiry Arts
S	Social Science	IH	Inquiry Humanities
Q	Quantitative	IN	Inquiry Natural Science
W	Written Communication	IS	Inquiry Social Science
R	Research	US	University Seminar
RA	Research & Inquiry Arts	CS	Contemporary Issues in Science
RH	Research & Inquiry Humanities	RS	Research & Inquiry Social Sciences

- In order to meet General Education requirements at MSU, courses transferred must have a minimum grade of C- or better and requires a 2 credit minimum *per course***
