III) Unfinished Business

- A. Full-Time Faculty Hiring Committee Composition
Senate previously indicated a strong preference for restricting membership on full-time faculty hiring committees to tenured faculty. We revisit this preference with an equity lens. As part of this discussion, we will look at the [VCCCD Employee Diversity Dashboard](#) where one can look at the data by college, role, etc.

Discussion item

The Academic Senate is an organization whose primary function is to make recommendations with respect to “academic and professional matters” defined as:

1. Curriculum, including establishing prerequisites
2. Degree & certificate requirements
3. Grading policies
4. Educational program development
5. Standards & policies regarding student preparation and success
6. College governance structures, as related to faculty roles
7. Faculty roles and involvement in accreditation process
8. Policies for faculty professional development activities
9. Processes for program review
10. Processes for institutional planning and budget development
11. Other academic and professional matters as mutually agreed upon.

B. Low Textbook Cost (LTC)

Development of a Low Textbook Cost (LTC) designation on the schedule of classes is being considered, similar to that for Zero Textbook Cost (ZTC). We must determine what “low cost” means for our district, with agreement between all three colleges. The proposed value is \$40, so required course materials equal to or less than \$40 would qualify for the LTC designation. A workgroup was formed to provide a recommendation to Council.

C. AP 7120-D Full-Time Faculty Hiring

The administrative procedure on full-time faculty hiring, AP 7120-D, has been updated. Human Resources intended to introduce a districtwide rotation of facilitators, and we took the opportunity to reduce barriers, provide more options, and improve consistency and efficiency in the process, even if only incrementally. This is an update on Moorpark Senate’s recommendation that the facilitator arranges all interviews and sends invitations to candidates.

E. Academic Senate Constitution and Bylaws

The Academic Senate Constitution states that “The Academic Senate Council shall re-examine the Constitution at least once every six years and the By-Laws at least once every two years” (Article IX). Amendments to both documents require a majority vote to first be placed on the agenda. Constitutional amendments require a two-thirds vote of the general membership. By-Laws amendments require a two-thirds vote in Senate Council. It is time to revisit both the Constitution and the By-Laws. How will Senate lead equity and social justice efforts on campus, in the district, and beyond? A workgroup was formed to provide recommendations for Senate Council.

B. Compressed Calendar Proposal

Proposal for a 16-week semester schedule to replace our current 18-week semester that includes a 4-week winter session and a 12-week summer session. There have been two district-wide committees over the past almost 3 years that found the 16-week semester benefits students and looked into potential questions and roadblocks for implementation. This is an ambitious plan to educate all stakeholders on the compressed calendar and solicit both individual opinions and recommendations from the Senates and Associated Students. Finalizing compressed calendar discussions within the VCCCD is the fourth ranked goal of Academic Senate.
