

# Candidates for Academic Senate Part-Time Representative 2023-2025

Moira MacDonald

I have been working as adjunct faculty at Moorpark College and Pasadena City College for 8 years. I would be honored to be chosen to serve on the Academic Senate as the Part-Time Faculty representative.

I have been representing part-time faculty on the Senate on and off over the last 3+ years. I would like to continue to represent you in the Senate, making sure that policies and decisions consider the impact they will have on the part-time faculty.

I've been teaching at Moorpark since 2007 and have gotten to know a lot of you and work with you. Many part-time faculty are not on campus and don't have a close connection to the decisions making that happens. I have served on several committees and worked with many in the Senate on various projects. When I bring up concerns of the part-time faculty, they listen because they understand I represent a big group on campus that often is not there to voice an opinion. I find the Senate very open to hearing different points of view and accommodating groups that might get overlooked normally. I believe the Senate is doing a good job of supporting the part-time faculty, but if you disagree, please let me know so I can bring those issues to the forefront.
