

INT. BLACKBOX DAY

JANE

We have a lion on campus?

JACK

It's in the zoo, yeah. You haven't heard it roaring?

DAISY

We've all heard the lion.

JACK

Yeah, I'm actually in the zoology class, we got to-

JANE

Oh sorry, didn't know you were besties with the rabid lion that's loose in the PAC.

DAISY

I'm still not really clear on how it got into the building-

DEAN

It got loose as Brian was getting rid of the last of the leftover meat pies from Sweeney Todd-

JACK

Who's Brian?

DEAN

Tech director.

JANE

Meat pies?

DEAN

People pies. You should have seen the show.

JACK

God, that's good!

DAISY

It's not good at all actually. It's a hungry lion, loose in the building.

JACK

No, in the sense that-

DAISY

Okay, whatever. What are we gonna do about it?

DEAN

I don't know anything about lions. I say we stay in here, safe and sound like Suzanne said.
