**LEARNING OUTCOMES EVALUATION  
FACULTY ADVISOR**

Student Name:	Worksite:
Faculty Advisor:	Worksite Supervisor:

**Directions for Student:** Complete prompts #1 - #4 at your final meeting with your faculty advisor. Your faculty advisor will complete prompt #5 in your final meeting.

**1. Describe how your on-the-job learning objectives demonstrated new and expanded learning at your workplace that directly related to your educational or occupational goal (major or career).**

--

**2. Describe how you demonstrated successful workplace human dynamics, which may include: working as part of a team, following implicit and explicit instructions including company policies and procedures, and practicing work ethics.**

--

**3. Describe how you demonstrated appropriate work skills such as communication, problem solving, decision making, teamwork, self-management, initiative, and/or technical skills that were gained as a result of new and expanded learning at your work site.**

--

**4. Identify three 'next step' activities that you completed or plan to complete that will move you closer to your goals.**

1)
2)
3)

**Directions for Faculty Advisor:** Please review prompts #1 - #4 and student's final project to complete grading at your final meeting.
