Provide one example of how you will apply the information learned in your work.

Provide one example of how you will apply the information learned in your w...

This program planning session was a great introduction for me on how important this tool is for programming.

Good to know what has changed within the program, updates, etc.

Will have to update the plan again.

List one item learned that was valuable to you.

List one item learned that was valuable to you.

The navigation tutorial

Deadline is September 30th.

Do you have additional comments? What additional professional development opportunities would you like to see?

Do you have additional comments? What additional professional development...

Thanks to Kim Watters as the whole IE team.
