Plan Component 1 – Introduction

The Ventura County Community College District (“VCCCD”) proudly serves a rich and diverse community of people from varied backgrounds and disparate lived experiences. Our community is represented by people of numerous racial, ethnic, and socioeconomic backgrounds as well as those from a myriad of national origins and linguistic heritages. Members of our community thrive at work and in life with a wide range of physical and mental abilities, hold a multitude of political and religious beliefs, represent varying gender identities and expressions, and have individual and shared experiences, energy, and wisdom that reflect multiple generations.

The VCCCD Equal Employment Opportunity Plan (“the Plan”) was adopted by the Board of Trustees on **INSERT DATE**. The Plan signifies the District’s commitment to develop and maintain a diverse, talented, and highly skilled workforce. We believe that by engaging in intentional actions to ensure equal employment opportunities and by fostering a working and academic environment that is open and welcoming to all, our colleges and the district office will promote diversity and cultivate excellence within the district and throughout our greater community.

To serve our increasingly diverse population properly, the VCCCD commits to recruit, hire, and support employees who are knowledgeable of, and empathetic towards, the needs of our ever-evolving student body. We recognize that we can best foster innovation and model excellence for our students by employing and supporting a fundamentally diverse workforce. To realize the intentions of the Plan, we commit to these values and actions:

- Diversity, equity and inclusion will be promoted through lawful, nondiscriminatory measures under which the VCCCD seeks to proactively recruit the most qualified candidates at every level.
- All faculty and staff possess the ability to positively impact students and provide equitable instruction and services; to that end, we will support all employees to achieve these academic and professional aspirations.
- The successful implementation of the Plan requires institutional commitment that is proactive, sustained, and that demands accountability of all employees.

LETTER FROM CHANCELLOR:

As Chancellor, I appreciate the thoughtful work of the EEOAC committee members in reviewing information and developing this EEO plan for the VCCCD. I am committed to the successful implementation of this EEO Plan. I look forward to working with employees across the VCCCD to engage in the dedicated institutional effort needed to meet the plan outcomes and drive improvement.

Greg Gillespie, Chancellor
Ventura County Community College District

Plan Component 2 – Definitions

Adverse Impact: A statistical measure (such as those outlined in the EEO Commission’s Uniform Guidelines on Employee Selection Procedures) that is applied to the effects of a selection procedure and demonstrates a disproportionate negative impact on any group protected from discrimination pursuant to California Government Code section 12940. A disparity identified in a given selection process will not be considered to constitute adverse impact if the numbers involved are too small to permit a meaningful comparison.

Bias: Prejudice in favor of or against one thing, person, or group compared with another, usually in a way considered to be unfair. It is a particular tendency, trend, inclination, feeling, or opinion, especially one that is preconceived or unreasoned.

Chancellor’s Office: California Community College’s Chancellor’s Office.

Diversity: A diverse educational community recognizes the educational benefits that flow from employee populations that are varied by age, ancestry, color, gender, gender identity, gender expression, genetic information, marital status, medical condition, national origin, parental status, physical or mental disability, race, religion, sexual orientation, or veteran status. Broad inclusion in an employment environment that offers equality and respect for all persons. It requires both the presence, and the respectful treatment, of individuals from a wide range of ethnic, racial, age, national origin, religious, gender, sexual orientation, disability and socio-economic backgrounds.

Equity: Recognizing institutional and structural barriers and working towards eradicating them in an effort to recruit and retain a qualified and diverse workforce which will close the gaps for underrepresented groups and build diversity in the workplace with an emphasis on groups who are disproportionately impacted by institutional barriers that hinder advancement and support. Equity requires efforts to mitigate, minimize, and eradicate thereby creating a welcoming and supportive culture for all groups within the District.

Equity Mindedness: The term "Equity Mindedness" refers to the perspective or mode of thinking exhibited by practitioners who call attention to patterns of inequity in student outcomes.

Equal Employment Opportunity: All qualified individuals have a full and fair opportunity to compete for hiring and promotion and to enjoy the benefits of employment with the District. Equal employment opportunity should exist at all levels in the seven job categories which include executive/administrative/managerial, faculty and other instructional staff, professional non-faculty, secretarial/clerical, technical and paraprofessional, skilled crafts, and services and maintenance. Equal employment opportunity also involves:

1. Identifying and eliminating barriers to employment that are not job related; and
2. Creating an environment that fosters cooperation, acceptance, democracy, and free expression of ideas and that is welcoming to men and women, persons with disabilities, and individuals from all ethnic and other groups protected from discrimination pursuant to California Government Code section 12940.

Equal Employment Opportunity Plan: An “equal employment opportunity plan” (“EEO plan”) is a written document that describes a district’s EEO program. A district’s EEO plan shall include: 1) analysis of the district’s work force; and 2) descriptions of the district’s program and strategies, informed by the district’s work force analysis, which it is implementing or will implement, to promote equal employment opportunity.

Pacific Islander: A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

Caucasian/White: A person having origins in any of the original peoples of Europe, the Middle East, or North Africa.

Biracial or Multiracial: A person who identifies with two or more racial groups.

Job Category: Each employee shall be reported so that he or she may be identified as belonging to one of the following seven job categories: 1.) Executive/Administrative/Managerial; 2.) Faculty and Other Instructional Staff; 3.) Professional Non-Faculty; 4.) Secretarial/Clerical; 5.) Technical and Paraprofessional; 7.) Skilled Crafts; and 8.) Service and Maintenance

Hostile Work Environment: Any work or learning environment where unwelcome conduct that is based on race, color, religion, sex (including pregnancy), national origin, age (40 or older), disability, genetic information or any other legally protected status, is severe or pervasive enough to create a work environment that a reasonable person would consider intimidating, hostile, abusive, or offensive.

In-house or promotional only recruitment/hiring: Only existing District employees are allowed to apply for a promotional position. Pursuant to Title 5, section 53021(b)(1), in-house or promotional only recruitment shall not be used to fill any vacancy for any position except when the position is being filled on an interim basis for the minimum time necessary to allow for full and open recruitment; provided however, that no interim appointment or services of interim appointments exceeds two years in duration. Pursuant to Title 5, section 53021(b)(2), where in-house or promotion only recruitment is utilized, all District employees shall be afforded the opportunity to apply.

Longitudinal Analysis: An analysis of data regarding job applicants, for the purpose of identifying whether, over multiple job searches, a monitored group is disproportionately failing to move forward from the initial pool of applicants who meet State or Personnel Commission minimum qualification requirements to the final applicant pool.

Monitored Group: Those groups identified in Title 5, section 53004, subdivision (b), for which monitoring and reporting is required pursuant to Title 5, section 53004, subdivision (a).

Monitored groups include women, men, American Indians or Alaskan natives, Asians, Native Hawaiians or Other Pacific Islanders, Blacks/African-Americans, Hispanics/Latinos, Whites, biracial or multiracial, and persons with disabilities.

Person with a Disability: Any person who: (1) has a physical or mental impairment as defined in California Government Code section 12926 which limits one or more of such person's major life activities; (2) has a record of such an impairment; or (3) is regarded as having such an impairment. A person with a disability is "limited" if the condition makes the achievement of the major life activity difficult.

Projected Representation: The percentage of persons from a monitored group determined by the Chancellor's Office to be available and to perform the work in question.

Protected Status: Includes race, national origin, hair texture or hairstyles commonly associated with a particular race or national origin, religion, color, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, or military and veteran status. Sexual harassment is considered a form of sex discrimination.

Reasonable Accommodation: The efforts made on the part of the District to remove artificial or real barriers, which prevent or limit the employment and upward mobility of persons with disabilities. “Reasonable accommodations” may include the items designated in Section 53025; the efforts made on the part of the District in compliance with Government Code Section 12926.

1. Making existing facilities used by employees readily accessible to, and usable by, individuals with disabilities.
2. Merit System: A personnel management method that guides the selection and retention of classified employees on the basis of merit, fitness, and the principle of like pay for like work. Merit system districts are required to maintain a Personnel Commission.

Personnel Commission: An independent, third body, composed of three persons appointed for three-year staggered terms, that is charged with ensuring fair and objective treatment of applicants and employees in all aspects of classified personnel administration.

Unlawful Workplace Discrimination: Occurs when an employee is treated differently in a manner that relates to the terms and conditions of employment, or experiences an adverse employment action (e.g. termination, demotion) based on a characteristic or activity protected by law.

Unlawful Workplace Harassment: Occurs when an employee is subjected to verbal, visual, or physical conduct based on the employee’s legally protected status; the conduct is both subjectively and objectively unwelcome; and the conduct is sufficiently severe or pervasive to alter the conditions of the employee’s working environment so as to create an abusive working environment.

Plan Component 3 – EEO & Nondiscrimination Employment Policy Statement

The Ventura County Community College District (District) is committed to providing learning and working environments which ensure and promote diversity, equity, and inclusion. People of diverse backgrounds, perspectives, socioeconomic levels, cultures, and abilities are valued, welcomed, and included in all aspects of our organization. The District strives to provide a work and educational environment that fosters cultural awareness, mutual understanding, and respect that ultimately also benefits the global community.

Diversity in the academic environment fosters awareness, engagement, mutual understanding, respect, increased student success, and better enables students to flourish as citizens of the world. Therefore, the Board commits to promoting the total realization of equal employment through a continuing equal employment opportunity program.

In accordance with AP 3410 - Nondiscrimination, AP 3430 Prohibition of Unlawful Harassment and Discrimination, and the District Equal Employment Opportunity Plan, the District is committed to the concept and principles of providing equal opportunity in education and employment for all persons, and does not condone unlawful discrimination.

No person shall be subjected to unlawful discrimination in any program or activity of the District on the basis of age, ancestry, color, ethnic group identification, familial status, gender, gender expression, gender identity, genetic information, language or gender status, marital status, medical condition, mental disability, military and veteran status, national origin (including language and accent), physical disability, race, religion, sex, and sexual orientation.

No person shall be subjected to discrimination on the basis of these actual or perceived characteristics or based on association with a person or group with one or more of these actual or perceived characteristics. In addition, the District also has an interest in nondiscrimination based on additional factors such as accent, citizenship status, transgender status, and economic status even though students or employees could not make a legal claim of discrimination based on these factors.

The Board commits the District to vigorous equal employment opportunity in all aspects of its academic and classified employment programs, including recruitment, selection, assignment, retention, promotion, and transfer.

- All recruitments for vacant positions will be conducted with the goal of finding the most qualified candidate who meets the minimum qualifications from a diverse pool of applicants
- Every recruitment notice shall contain approved statements on EEO, equity and equivalency.

The District strives to employ administrators, faculty, and staff members who are dedicated to student success through a workforce that reflects and welcomes diversity to ensure an inclusive educational and employment environment. Such an environment fosters cooperation, acceptance, democracy and free expression of ideas.

Each employee is accountable for strict application and enforcement of the EEO Plan area(s) of authority. It is only through combined efforts that the District will successfully develop and maintain a workforce that is welcoming to all.

The District's policies and procedures regarding nondiscrimination, EEO, prohibition of harassment, commitment to diversity, and recruitment and selection can be found under Policies at [BoardDocs® Plus](#).

The Board of Trustees supports the intent set forth by the California Legislature to ensure a climate of acceptance, with the inclusion of faculty and staff from a wide variety of backgrounds including but not limited to:

- Race
- Ethnicity
- Religion (including but not limited to religious dress and grooming practices)
- National origin, ancestry, citizenship
- Hair texture or hair style that is closely associated with a particular race or national origin
- People with varying physical and mental abilities
- Health and Medical situation/standing/state
- Protected medical leaves (requesting or approved for leave under the Family and Medical Leave Act or the California Family Rights Act)
- Marital status
- Family status (including but not limited to pregnancy, childbirth, breastfeeding, related medical conditions, parenting, foster parenting, adoptive parents, aging parent care, or those who do not have dependents);
- Gender, gender identity, gender diversity (including but not limited to those who identify as Transgender, Cisgender, or Non-Binary)
- Sex
- Sexual orientation
- Age (over 40)
- Veteran and/or military status
- Interpersonal violence experience(s) (including but not limited to people experiencing domestic or community violence, psychological abuse, or physical abuse)
- Political/community affiliation; and/or
- Any other status protected by state or federal law or on the basis of these real or perceived characteristics or based on association with a person or group with one or more of these actual or perceived characteristics.

The District shall foster a welcoming working and academic environment that is open to all groups who are protected from discrimination and thereby ensuring the District is inclusive and equitable. Such an environment promotes and advocates for cooperation, acceptance, democracy, and free expression of ideas.

The District's efforts to foster a welcoming environment shall include promoting inclusion based on physical attributes that are often associated with a protected group, or related to a persons protected status. The law now recognizes and protects employees based on the physical attributes of hair style and hair texture associated with a particular race or national origin. In addition, the District recognizes that attitudes regarding other physical attributes—such as weight and height—are often tied to attitudes, stereotypes and expectations related to gender, gender identity, sexual orientation, national origin, and/or perceived medical conditions. Such attitudes, stereotypes and expectations run counter to the values and goals of the District to create a welcoming, equity-minded workplace and educational environment.

An Equal Employment Opportunity Plan is maintained to ensure the implementation of equal employment opportunity principles that conform to federal and state laws. The District shall make a continuous good faith effort to comply with all the requirements of the Plan and commit to ongoing strategies for increasing the diversity of the district workforce.

Equal Employment Opportunity Plan Summary

Plan Component 10 – Periodic Longitudinal Analysis of District Workforce and Applicant Pool

The District, through its Office of Human Resources, shall annually collect employee demographic data and shall monitor applicants for employment on an ongoing basis in order to evaluate the implementation of its EEO plan, to provide data needed for the analyses required by this Plan, and to determine whether any monitored group is underrepresented. The District shall annually report to the Chancellor, in a manner prescribed by the Chancellor, this data for employees of the District. Monitored groups include women, men, American Indians or Alaskan natives, Asians, Native Hawaiians or Other Pacific Islanders, Blacks/ African-Americans, Hispanics/Latinos, Whites, biracial or multiracial, and persons with disabilities.

Each employee shall be reported so that they may be identified as belonging to one of the following seven job categories:

1. Executive/Administrative/Managerial;
2. Faculty and Other Instructional Staff;
3. Professional Non-Faculty;
4. Secretarial/Clerical;
5. Technical and Paraprofessional;
6. Skilled Crafts; and
7. Service and Maintenance

For purposes of the data collection and reporting required under this section, each applicant or employee shall be afforded the opportunity to identify their gender, ethnic group identification and, if applicable that they have a disability. The information request should also state clearly that this personal information is for data analysis purposes only, and is not shared with anyone involved in the selection process. A person may designate multiple ethnic groups with which to identify, but shall be counted in the biracial or multiracial categories for ethnic group reporting purposes. This information is kept confidential and is separated from the applications that are forwarded to the screening/interview committee and hiring administrator(s).

Plan Component 11 – Utilizing Data to Determine Underrepresentation

At least once every 3 years, but more often if determined as necessary by the Chancellor or designee, the Office of Human Resources shall review the data to determine if significant underrepresentation of a monitored group may be the result of non-job-related factors in the employment process. The analyses used in the review shall include, but need not be limited to:

- longitudinal analysis of data regarding job applicants to identify whether over multiple job searches, a monitored group is disproportionately failing to move from the initial applicant pool to the qualified applicant pool;
- analysis of data regarding potential job applicants, to the extent provided by the State Chancellor, which may indicate significant underrepresentation of a monitored group; and
- analysis pursuant to Section 53003(c)(7) of Title 5 of the California Code of Regulations to determine whether a group is significantly underrepresented.

Data collection will be done for each college in the District and the District Administrative Center. At least every three years, the Plan will be reviewed and, if necessary, revised based on an analysis of the ethnic group identification, gender, and disability composition of existing staff and of those who have applied for employment in the above-identified job categories.

The District shall annually report to the State Chancellor the employee demographic data.

Plan Component 12 – Methods for Addressing Underrepresentation

The District seeks to employ persons with a broad range of backgrounds and abilities who have the knowledge and experience to work effectively in a diverse environment. The selection process is based on merit and will extend to all candidates a fair, impartial examination of qualifications based on job-related criteria. Upon analysis, where significant underrepresentation of a monitored group is supported by the data, the District shall implement additional measures designed to address the specific area(s) of concern. These additional measures shall include the following:

- Consider various other means of reducing the significant underrepresentation which do not involve taking monitored group status into account and implement any such techniques which are determined to be feasible and potentially effective;
- Review each locally established “required,” “desired,” or “preferred” qualification being used to screen applicants for positions in the job category to determine if it is job-related and consistent with:
 - any requirements of all applicable federal, state, and local laws; and
 - qualifications which the Board of Governors has found to be job-related throughout the community college system, including the requirement that applicants for academic and administrative positions demonstrate sensitivity to the diversity of community college students.
- Discontinue the use of any locally established qualification that has not been found to satisfy the requirements set in this section
- Continue using qualification standards meeting the requirements of this section only where no alternative qualification standard is reasonably available which would select for the same characteristics, meet the requirements of this section, and be expected to have a less exclusionary effect
- Consider the implementation of additional measures designed to promote diversity that are reasonably calculated to address the area of specific need.
- Use appropriate statistical analyses to determine whether the group is still significantly underrepresented in the category or categories in question after the measures described above have been in place for a reasonable period of time.
 - For purposes of this section, “a reasonable period of time” means three years, or such longer period as the Chancellor may approve upon the request of the Equal Employment Opportunity Advisory Committee and the Vice Chancellor of HR and EEO Officer

Nothing in this section shall be construed to prohibit the District from taking any other steps it concludes are necessary to ensure equal employment opportunity, provided that such actions are consistent with the requirements of all applicable laws.

Plan Component 13 – Persons with Disabilities

Districts shall ensure that applicants and employees with disabilities receive reasonable accommodations consistent with the requirements of California Government Code sections 11135 et seq., and 12940, subdivision (m), section 504, of the Rehabilitation Act of 1973, and the Americans with Disabilities Act. Such accommodations may include, but are not limited to, job site modifications, job restructuring, part-time work schedules, flexible scheduling, hybrid online schedules, reassignment to a reasonably equivalent vacant position, adaptive equipment, and auxiliary aids such as readers, interpreters, and note-takers.

Such accommodations may be paid for with funds provided pursuant to Title 5 Section 53030.
