<b>NEW BUSINESS</b>		
A. Program Planning a. Three-year program evaluation meetings schedule	a. The three-year program plan evaluation meeting schedule for 2021-22 includes any programs evaluated last year that were asked to come back and any programs that are restarting the three-year cycle. Programs not on the list will still have their plan read and can request to have a formal meeting. This schedule is emailed to all department chairs and can be found on the <a href="#">Planning webpage</a> .	

<ul style="list-style-type: none"> <li>b. Report out on program plan guiding questions</li> <li>c. Update on new program plan requests (Ethnic Studies and MakerSpace)</li> </ul>	<ul style="list-style-type: none"> <li>b. Program planning guiding questions were revised by an EdCAP workgroup. The proposed questions have been approved by EdCAP and the Executive Council.</li> <li>c. New program plan requests were discussed at Executive Council and the President decided to establish a new program plan for Ethnic Studies as it is a program defined by the state. More clarity is needed of MakerSpace’s interactions with different disciplines and its positioning between credit and noncredit before it will have a program plan.</li> </ul>	
<p>B. Classified Prioritization 2020-2021 report out</p>	<p>Classified Prioritization was held in November 2020 and was forwarded to President Sokenu. After review, Instructional Lab Tech, Tutorial Service Supervisor, and PACE Counseling Assistant were approved. The Instructional Lab Tech position for Vet Tech is on hold until the program is launched. The next Classified Prioritization is tentatively scheduled for November 23, 2021.</p>	
<p>C. Annual Work Plan</p> <ul style="list-style-type: none"> <li>a. EdCAP/Fiscal Joint Committee gap analysis from 2020-21: status of recommendations</li> <li>b. Annual Work Plan 2020-21 status update</li> <li>c. Annual Work Plan 2021-22: first read</li> </ul>	<ul style="list-style-type: none"> <li>a. Executive Council went through the Annual Work Plan and thoroughly discussed the gaps identified by EdCAP and Fiscal Planning. Executive responses on how to move forward were added in the column next to the gaps. The goal of the program planning resource allocation and gap analysis is to help the College meet its mission and strategic plan.</li> <li>b. The Annual Work Plan actions are assessed and given a completion percentage to close out the year. The average 2019-20 action completion is 72.7%. This rate is better than prior years and reflects the amount of work done by the whole campus.</li> <li>c. Last year’s Annual Work Plan strategic goals, metrics, actions, and resources were updated and revised for the 2021-22 Annual Work Plan. A Resources column is new this year and it will help assess action progress when doing the gap analysis in March or April. Planning Retreat actions and barrier brainstorms are also included in separate columns. A version of this work plan will be available in Nuventive when doing program plans. The Annual Work Plan 2021-22 will come back to the committee for further discussion before it is forwarded to the Academic Senate.</li> </ul>	
<p>D. Strategic Plan Status Update, 2019-20 – 2023-24</p>	<p>The College Strategic Plan is the five-year big picture metrics that the Annual Work Plans are created from. Of all the metric status indicators are, 45% are green (On schedule), 37% are yellow (Somewhat behind), and 18% are in the red (Significantly behind). An extra tab was added to view the focused equity report and IE will continue to do controlled experiments to find out if funded interventions are working.</p>	
<p>E. Accreditation: Institutional Self-Evaluation Report</p> <ul style="list-style-type: none"> <li>a. Review of timeline</li> </ul>	<ul style="list-style-type: none"> <li>a. <ul style="list-style-type: none"> <li>b. Report back on DAC process</li> <li>c. SLO report: Spring data; Fall data</li> <li>d. Finalize Standards workgroups and leads</li> <li>e. Training on interpretation of Standards</li> </ul>	<p>for input and approval. The final report will be submitted in January of 2023.</p> <ul style="list-style-type: none"> <li>b. Some standards fall within both the college and the district and will need district input. That process started in the summer and the goal is to have the drafts by next month.</li> <li>c. SLO's have been transitioned to the eLumen for processing. Moorpark College needs to report SLO outcomes for each student in every section and student service for this fall. A full year of data needs to be reviewed and analyzed next year to comply with ACCJC.</li> <li>d. The ISER Standards workgroup sign-up sheet was shared and included participants who volunteered or who were encouraged to lead a workgroup. The link is live on this agenda for anyone who wants to sign-up and help with the process. District standards shaded gray will have the initial work done by the district, senate presidents, and college constituents before coming back to FPC/EdCAP to be finalized.</li> <li>e. Each group will need to meet and discuss the interpretation of their standard. There was training from ACCJC and a FLEX session (link on page 2) that can be used as tools for interpreting.</li> </ul>	
<p>F. IEPI PRT Update</p>	<p>Four areas of focus that the campus identified as opportunities for improvement were shared with a peer team from around the state. The peer team met with different campus groups and defined a menu of options to help Moorpark Collge work on the identified areas. The draft IEPI PRT document with areas of focus, objectives, actions, and resources is now going through the participatory governance process to solicit input from all constituents.</p>	
<p>G. FTES Report</p>	<p>This report is a snapshot of where the VCCCD colleges are with FTES. The state has given all colleges a hold harmless for FY21 and FY22. We are being funded at a higher rate but that will likely go away in the next year. Marketing campaigns and incentive programs have been introduced to encourage enrollment.</p>	
<p>H. Co-Curricular Committee update</p>	<p>The committee went through a pilot last year without this committee and the funds split amongst college divisions instead. The pilot will be extended for another year and funding requests should be put in program plans. Club-related requests should go through Associated Students of Moorpark College.</p>	
<p>I. Joint Committee Goals for 2021-2022</p>		<p>Postponed for next month.</p>
