UPLOADING COVID-19 VACCINE IMMUNIZATION

Once you have completed your vaccine series (if more than one shot is needed)

1. Click on the MyVCCCD app.

2. Notice the tiles at the top of the screen:

3. Swipe the tiles to the left until you see the “Report Vaccination” one. Click on it.
4. You will see the vaccination self-report form. Click on “next.”

5. Select which vaccine you have received and click “Next”.

6. Upload your vaccination card. Click on “Add Photo” to take a picture of your card or upload a photo you already took of it, and then click "Next" at the bottom of the screen (it will be clickable once you take the picture).
