

MCD PRESENTS C PAM ZHANG

BORN IN BEIJING, C PAM ZHANG IS MOSTLY AN ARTIFACT OF THE UNITED STATES. She is the author of *How Much of These Hills Is Gold*, winner of the Academy of Arts and Letters Rosenthal Award and the Asian/Pacific Award for Literature, nominated for the Booker Prize, and one of Barack Obama's favorite books of the year.

How Much of These Hills Is Gold is first and foremost a family story, a gorgeous novel that gives its characters room to learn, mourn, fight, and reinvent themselves. But it also reveals the flaws and false revisions in the American mythos, the ways we have never fully overcome the brutalities on which this country was built, and how much was lost, destroyed, and stolen in the pursuit of profit along the way.—CHICAGO REVIEW OF BOOKS
