The Academic Senate is an organization whose primary function is to make recommendations with respect to “academic and professional matters” defined as:

1. Curriculum, including establishing prerequisites
2. Degree & certificate requirements
3. Grading policies
4. Educational program development
5. Standards & policies regarding student preparation and success
6. College governance structures, as related to faculty roles
7. Faculty roles and involvement in accreditation process
8. Policies for faculty professional development activities
9. Processes for program review
10. Processes for institutional planning and budget development
11. Other academic and professional matters as mutually agreed upon.

C. AP 7120-D Full-Time Faculty Hiring

The administrative procedure on full-time faculty hiring, AP 7120-D, has been updated. Human Resources intended to introduce a districtwide rotation of facilitators, and we took the opportunity to reduce barriers, provide more options, and improve consistency and efficiency in the process, even if only incrementally. There is a legislative version of the updates, a clean version, and a brief summary of the updates available on the [AS handouts website](#).

E. Nominations for Faculty Co-Chairs for Senate Standing Committees: PD, SEA, SLO

Academic Senate did not receive any nominations for the faculty co-chair positions for the PD, SEA, and SLO Committees. We will hold elections to fill these remaining faculty co-chair positions for two-year terms starting June 1, 2021. This is an announcement of the call for nominations following the process according to our By-laws Article VIII Section A 1 and Senate Elections Rules. Current nomination information is available on the [AS elections page](#).

C. Full-Time Faculty Hiring Committee Composition

Senate previously indicated a strong preference for restricting membership on full-time faculty hiring committees to tenured faculty. We revisit this preference with an equity lens.

Discussion item

D. Low Textbook Cost (LTC)

Development of a Low Textbook Cost (LTC) designation on the schedule of classes is being considered, similar to that for Zero Textbook Cost (ZTC). We must determine what “low cost” means for our district, with agreement between all three colleges. The proposed value is \$40, so required course materials equal to or less than \$40 would qualify for the LTC designation.

E. Academic Senate Annual Awards

Council holds its Annual Awards to recognize the exceptional contribution so many at Moorpark make. We revisit our process documents for these awards.

Discussion item: first read

F. Academic Senate Constitution and Bylaws

The Academic Senate Constitution states that “The Academic Senate Council shall re-examine the Constitution at least once every six years and the By-Laws at least once every two years” (Article IX). Amendments to both documents require a majority vote to first be placed on the agenda.

Constitutional amendments require a two-thirds vote of the general membership. By-Laws amendments require a two-thirds vote in Senate Council. It is time to revisit both the Constitution and the By-Laws. How will Senate lead equity and social justice efforts on campus and beyond?
