

ANTHROPOLOGY, ASSOCIATE IN ARTS FOR TRANSFER (AA-T)

Program Requirements: Includes course requirements and sequencing that reflect program goals.

To earn an AA-T in Anthropology, students must:

- Complete a minimum of 60 CSU-transferable semester units including both of the following:
 - Certified completion of the Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education-Breadth (CSU GE-Breadth) requirements
 - A minimum of **18-20** semester units in Anthropology major as listed in the Moorpark College catalog.
- Obtain a minimum grade point average (GPA) of at least **2.0** in all CSU-transferable coursework. While a minimum of 2.0 is required for admission, some transfer institutions and majors may require a higher GPA. Please consult with a counselor for more information.
- Obtain a grade of “**C**” or better or “**P**” in all courses required in the major. Even though a “pass-no-pass” is allowed (Title 5 §55063), it is highly recommended that students complete their major courses with a letter grade (A, B, or C).
- Complete requirements in residence. For students in the Ventura County Community College District, a minimum of 12 units must be completed in residency at the college granting the degree.

Students transferring to a CSU campus that accepts the AA-T in Anthropology will be required to complete no more than 60 units after transfer to earn a bachelor's degree (unless the major is a designated “high-unit” major at a particular campus). This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. Students should consult with a counselor to obtain more information on university admission and transfer requirements.
