

KINKY BOOTS CAST LIST

Hello everyone,

First of all, Thanks to all that auditioned. As much as I enjoy the audition process and working with you all individually, I always dislike having to choose between you. We had close to 60 people audition and, as always, we had to make some very difficult choices. I mean it when I say that I wish I had you all in one of my acting classes so that we could work together more!

A few notes before the cast list:

- I followed the limitations on your audition forms for the roles that you would not accept.
- If you are cast, you **MUST** be enrolled in the THA M10A, B, C or D class by 1/1/22 if you are to keep your role. The CRNs are 32120, 32124, 32127, 32128
- If you have a ** after you name you must sign up for DANC M17 CRN 30181
- We will be having a **READ THROUGH of the play on Thursday 1/6/22 in PA-149 @ 6:00pm**
- **COSTUME MEASUREMENTS:** Expect and email from Haleh sometime over break to set an appointment
- Sometime over the break I will be sending out a rehearsal schedule. Please align it with your work schedule ASAP.
- We will compile a cats list and send out PDF scripts in the next week.
- **START LISTENING TO THE CAST ALBUM NOW!**
- <https://youtu.be/lGBnzsCFz-w> and please learn practice this dialect for 1/7/22.

Thank you all again for an AWESOME job and have a happy and restful winter break!
