

PHILOSOPHERS: FASCISM AND FORNICATION EXCERPT 2

ALEX

(To Ezri)

Okay, I have to ask... who the hell are you?

EZRI

Oh, forgot to say. Ezri. My group's religion is centered on sex.

JAMES

Huh... That *is* an interesting thought experiment. Bonobo-esque.

EZRI

Oh, it's not only in thought – we already had our first orgy.

ALEX

Excuse me?

JAMES

You'll have to ignore him – he's a prude... How'd it go?

EZRI

Pretty well so far. Just wasn't quite big enough, you know?

FRAN

The penises or the group?

EZRI

Well... both actually, but I mean number of participants.

JAMES

If you're looking for members, I'm down to join.

EZRI

Sure. How are you with other men?

JAMES

Do I need to be penetrated by them?

EZRI

Your choice.

JAMES

Then we're good. So when/

ALEX

Okay – what in the *literal* fuck.
