GUIDANCE FOR USING THIS DOCUMENT: This is a sample club or student organization constitution. This template aims to serve as the minimum of what a constitution is required to have. Everything left in brackets is customizable based on the club or student organization leadership's preference, but such actions as removal of Article III Section 3 is not allowed.

You may change it as needed, but your constitution must have clear language on your club's mission, membership, officers' job descriptions, the process for the election and removal of officers, and meeting frequency for it to be approved by the Associated Students. Furthermore, your club or student organizations' governing documents cannot contain language or guidelines that are in direct conflict with Moorpark College, Ventura County Community College District (VCCCD), state, or federal policies. Please see VCCCD Board Policy 5430 Clubs – Regulations and VCCCD Administrative Procedure 5430 Clubs – Regulations for further information.

If your organization opts to use this template, please replace all of the green text with language suited for your club. Once updated, please convert all of the text to black, have your advisor review the Constitution & By-Laws, and then have your club president and advisor sign the last page, and remove this disclaimer before submitting with your club renewal or set-up documents.
