## REQUEST FOR EXEMPTION FROM STUDENT HEALTH FEE *The Student Health Fee can only be waived in very specific circumstances.*

A mandatory health fee is charged each semester. (The amount of the fee is determined by the state of California.) This fee entitles students to the services of the Student Health Center.

In accordance with the California Education Code and Board Policy, students are required to pay a health fee, regardless of units taken, unless they meet one of the exemptions listed below pursuant to Ed Code 76355:

- Student depends exclusively on prayer for healing in accordance with the teachings of a bona-fide religious sect, denomination or organization. Documentation of such an affiliation is required.

*In order to use this exemption it is mandatory that the Student Health Center receive a letter on Church Letterhead signed by the Minister/Pastor explaining that you depend exclusively on prayer for healing. The letter must include your name and date of birth.*

- Student is attending college under an approved apprenticeship training program. Verification will be on file with the college.

By my signature below, I acknowledge and agree that the student health fee will be waived for me based on the criteria noted above and the supporting documentation provided. Once this occurs, I understand that I am no longer eligible to receive any services at the Health Center except in the case of an emergency.

Exemption is being requested for the \_\_\_\_\_ semester/intersession and all future terms unless revoked by me in writing.
